DEDICATION OF 1961 MINUTES
IN MEMORY OF MRS. LECK L. (THELMA SLAUGHTER) COATS

Born in Person County, North Carolina, May 22, 1916, Thelma Slaughter with her parents, Mrs. Annie Gravitte Slaughter and the late Edward M. Slaughter and older children of the household, moved to Buie's Creek when she was about three years old. Shortly afterwards they came to Dunn, which was to be her home until her death on September 29, 1961. From early childhood, Thelma gave evidence of an appreciation of spiritual values, and made a profession of faith and joined the church when she was 8 years of age. All who were acquainted with her could testify to her unwavering faith and devoted service to the church and cause of Christ.

She was one of the most active members of the First Baptist Church of Dunn, serving faithfully as a member of the Woman's Missionary Society and as G. A. Leader, as secretary of the Training Union and teacher up to the time of her death of a Primary class of the Sunday School. She sang in the choir and was a member of the Board of Deacons.

She was graduated from the Dunn High School in 1933, and attended Worth's Business College in Fayetteville. In 1941 she married Leck L. Coats, and proved a good mother to his three small children as well as to three others born to her and Mr. Coats. With her husband she labored well in the Associational Training Union, serving as secretary while he led as associational Director. While she will be greatly missed by a host of friends, those who knew her rejoice in her unselfish and constant service for others, and say, "Blessed are those that die in the Lord".

8. H. Paul Strickland reported for the Executive Committee. The report was adopted as follows:

REPORT OF EXECUTIVE COMMITTEE

I. Resume of Activities:

Your committee held five meetings during the year in an effort to give general guidance to the work of our association and assist our Missionary in the promotion of the work.

1. Your committee approved application to the Baptist State Convention for $1,140.00 to assist our Associational Mission Program. The Convention only approved the sum of $1,080.00 of this request.
2. Your committee considered at length a new Associational Calendar.

II. Recommendations:

1. That we commend the fine work done by the Associational Officers in Sunday School, Training Union, W.M.U., Brotherhood and Music Ministry and that we commend our Missionary for the fine job he has done and pledge him anew our support and cooperation.
2. That we urge all churches to cooperate fully with the activities of our Associational Officers.
3. The special prayer for our Associational work be had in every church during the week recommended by our State Convention.
4. That we adopt the recommendation to be presented to the Associational Program, and that each church be encouraged to accept its share of responsibility for the financial support of our Associational Program.

5. That our churches increase their financial support of the Cooperative Program as the first way of giving since it is the channel through which our churches support all our mission efforts and agencies.
6. That the Association adopt the New Calendar of Activities as recommended and found elsewhere in the minutes.

Respectfully submitted,

H. Paul Strickland

9. Brother Julius Holloway was recognized by the moderator for his report. The report of the Associational Missionary was adopted as follows:

REPORT OF THE ASSOCIATIONAL MISSIONARY

The purpose of Associational Missions is to help the churches work together, led by the Spirit of God, in such a way as to stimulate each church to become genuinely Evangelistic in its own community and genuinely missionary at home and beyond. This we have tried to do in the following ways:

1. To encourage each church to become well organized both for its Evangelistic outreach and for the development of its own members into mature Christians.
2. To encourage each church to provide, and properly maintain, adequate and other well planned building facilities and other equipment for a worthy program.
3. To encourage each church to develop a plan of giving that will elicit maximum participation of its members on a Biblical basis, and provide a worthy proportion for world missions.
4. To encourage each church to provide adequate financial support, including proper housing and travel, for its minister and other staff members.
5. To encourage each church, where there is a need for it, and the pastors to work together in such a way that the pastor can continue his formal education.
6. To encourage each church, in cooperation with the Associational Committees, to develop and promote a local mission program of its own, "Community Missions".

7. To encourage each church, working with the missionary and missions committee to provide, maintain, lead and support new Baptist work where ever it is needed in our Association. One of the 30,000 missions or new churches in Hospitals, Nursing Homes, Prisons, Fire Stations, Business Plants or where ever there is need for regular teaching or preaching the Word of God. There are several places that need surveying now to determine if there is such a need.
8. To encourage each church to pray definitely for every associational officer, some of which not only give unselfishly of their time and talents but at their own expense. I am especially grateful for the leaders of our Associational Organizations. In our meetings we should pray for them and in our contacts we should speak a word of encouragement and gratitude to them.
9. To encourage each church to join in study and prayer during the four Major Study and Prayer Weeks during each year:
    1. Associational missions in April
    2. Home missions in March
    3. State missions in September
    4. Foreign missions in December
10. To encourage each church to promote better attendance for our monthly Associational Night which is on Monday night after the third Sunday in each month except February, April, and December, this year. These meetings of fellowship and sharing will strengthen all of our work. The Association needs the help and leadership of a larger number or our men and women. Before our association can make much more progress the wisdom and spiritual power of the men and women of our churches must take on a new importance in the life of our Association.
11. To encourage each church to join thousands of other churches throughout the world in the study of the same book of the Bible, the same week of the same month, January. Think what it would mean if the nearly 11,000 Baptist in Harnett County, Little River Association, would study the Book of Jeremiah the week of January 8-12.

Let us keep in mind that the Association has nurtured and developed Baptist Democracy. It has developed fellowship among Baptist. It has furnished a channel of organization for the various phases of church life. It has been and is first and foremost a mission agency. It is important in the collection of statistics and in keeping of History. The Association is a molder of Doctrinal Unity and a dynamo of Spiritual Power. To help its power influence and effectiveness increase I have held 1,950 individual conferences, 75 group conferences, 63 committee meetings, I have shown 50 films and filmstrips. Preached 80 times hearing 10 professions of faith. Taught 6 study courses, worked in 4 Vacation Bible Schools. Spoke 10 times in services to ordain deacons, 15 times on missions and stewardship, 6 times on Cooperative Program, 5 times on church budgets. Performed 2 weddings, conducted 5 funerals, spoke in 15 prayer meetings, taught Sunday School classes 10 times. Prepared and mailed 6,000 Bulletins, 4,693 letters and cards, made and received 984 phone calls, and traveled 21,994 miles. Prepared 250 collection of Reports for annual meetings. Spoke 5 nights in School of missions in North Roanoke Association. Served as Vice President of North Carolina Missionaries Conference. Attended many State and Southwide Conferences and Conventions. Preached one week in Revival in Cullom Association.

Respectfully submitted,

Julius Holloway

10. Brother E. Weldon Johnson, called attention to the recommendation of the "Time, Place, and Preacher" Committee (as appears on page 59 of the minutes of the Eighty-fifth Annual Session) which reads "That it be our expressed ideal to have the second day of our Association on the opposite side of the river from its meeting place on the first day", and indicated that circumstances existed which prompted his asking for the moderator's consideration for deferment of recommendation. The moderator referred the information to the committee.

11. Brother Joe Wray led the messengers in singing a hymn after which the girl's trio of the Neill's Creek Baptist Church presented special music.

12. The moderator recognized Donald Bowen

for his report on Children's Homes which was adopted as recorded below. Brother Bowen introduced W. R. Wagoner, from the Baptist Children's Homes, who spoke on "Child Care Ministry".

BAPTIST CHILDREN'S HOME REPORT

The Baptist Children's Homes of North Carolina is a Christian Agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their home.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum House. One hundred and twenty-five live in Christian foster homes through out the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in foster homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 percent
Cooperative Program	32 percent
Once-a-month Offerings	18 percent
Special Gifts and Endowment	17 percent

Members of the boards of trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before--well over 52,000. Every family in every church should receive this Christian newspaper.

Respectfully submitted,

Don Bowen, Chairman
Baptist Children's Homes

13. The moderator called for Dr. Bruce B. Blackmon to give the report on Baptist Hospitals. In the absence of Dr. Blackmon, the moderator recognized Dr. Albert Maiberg who spoke on developments. The report on Baptist hospitals was adopted as follows:

REPORT ON BAPTIST HOSPITALS

As is often the case recently our Baptist Hospital is one of the leaders in the nation of progressive thinking. We have established a new program in hospital service---a minimal care unit. In this unit, there is not the intensive nursing care or expense associated with it but rather embulatory patients stay overnight in the Hotel like building and then next day go next door to the hospital for their intensive treatment. We feel that this pattern will save patients, doctors, nurses, and hospital personnel time and money. We expect the trend to be used at some other hospitals.

14. Brother Sam Hudson was recognized for a report on Homes for the Ageing. The report was adopted as recorded below. Brother Hudson introduced a trustee of the Homes for the Ageing, Fred Pascal, who spoke on the subject.

REPORT ON NORTH CAROLINA HOMES FOR THE AGING

North Carolina Baptists can justly be proud for their

Christian ministry to 125 residents of their three homes--Resthaven and the Hayes Home in Winston-Salem, and the Albermarle Home in Albermarle.

With 130 people waiting for admission at the present time lack of room is one of our most acute problems. North Carolina Baptists, however, are definitely doing something about this situation. The Hamilton Home in Martin County is now under construction. This, our fourth home, will provide for 30 additional residents, and it is hoped that the Hamilton Home will be ready for occupancy no later than the first of January, 1962. A debt of $275,000 has been assumed on this home, and for the purpose of completing the liquidation of the indebtedness on the new infirmary at Winston-Salem. There is further expansion desperately needed, but no more will be made until this debt is paid. Special Day Offerings and gifts from the churches should, therefore, be increased greatly in order that we may go on in the great task and duty that is ours, and that we might meet the ever-increasing demands of the aging among us as quickly as possible.

We are now in the eleventh year of operation, and the past year has been a great one and a good one. Twenty-six new residents have been received and a refining happiness and peace, love and security, in their new home.

Special Day Offering and special gifts are running 17% ahead of last year's contributions, and we are profoundly grateful to each church and each contributor for the liberal support to the wonderful cause which we represent.

The average age of our residents is around 80, with the oldest being more than 100. Our work is needy and essential. It is rapidly expanding under able leadership, with William A. Poole, General Superintendent, and C. O. Weaver, Business Administrator. It deserves our continuing and enlarging support. We are thankful to the churches for what they have done, and call on them to do more in the future.

Respectfully submitted,

Sam. F. Hudson

15. The messengers, led by Joe Wray, joined together in the singing of a hymn.

16. The moderator noted the arrival of Dr. Blackmon and called on him for comments relating to the Baptist Hospital. Dr. Blackmon noted events which occured at the hospital and expressed thanks to the churches for their support in its program.

17. The moderator announced the presence of Fritz Hemphill and invited him to speak briefly on the Fruitland Assembly.

18. Brother Jack Holt, host pastor, was recognized. After announcements concerning the noon meal which was served by the Neill's Creek Church, he presented the Associational Missionary with gifts for him and his wife. The gifts were from the Pastors' Conference.

19. The girl's trio of Neill's Creek Church presented special music after which Donald Bowen preached the doctrinal sermon.

20. The afternoon session reconvened at 1:25 with devotional; Joe Wray in charge of the music and Joe Bennett, scripture, comments, and prayer.

21. The moderator recognized Brother C. M. Hicks and Brother Perry Langston. Brother Hicks presented the following Sunday School report which was adopted. Brother Langston spoke to the messengers on greater concern, confidence, concentration and continuity in enlisting the non-enlisted in our Sunday Schools.

SUNDAY SCHOOL REPORT

The tomorrow we planned for a year ago has arrived! What we have accomplished this year, in a large measure, depended on what we did in the first nine months of the church year.

In 1959 Southern Baptist launched a 5 year program known as the BAPTIST JUBILEE ADVANCE. More and more our literature and periodicals from the Sunday School Board have been trying to arouse our hearts to the greatest challenge to face Christendom in 2000 years. Never in the world's history have we heard of so much international strife, tension, confusion, and hatred. Never have we been so busy engaged in effort for peace. Never have we been so prosperous as a nation. This decade had been marked by an upward trend in new church buildings even more than in prior decades. Yet, "while we were busy here and there" it is reported that the Communistic time table for the defeat of the Capitalistic world is reported to be 1972. Their zeal and determination have carried them to the point of controlling 1/3 of the world today with atheistic teaching. Today 850,000,000 persons are being schooled in atheism and the worship of the state. They are indoctrinated in hatred for organized religion, the Bible and God. Soon the children of these 850,000,000 people will have been indoctrinated in this hatred from the very cradle. This is a world war for the hearts and minds of people! Are we matching their zeal?

Our Associational Sunday School Workers planned goals that we thought would be challenging to the leaders of our churches. These goals, we have tried to keep before you at our Associational Sunday School meetings. The teaching aids and helps that are being used by our teachers have repeatedly stressed the fact that teaching is no little task. It is a calling! And this calling like any other, demands training, Bible study, preparation, earnest prayer, and consecration, and a knowledge of the pupils being taught. The teacher is responsible to God for the kind and the quality of teaching that he or she does.

Improvements are being made. Aims are being reached. Goals are being met. More of our churches are having Preparation Week, January Bible Study, better Vacation Bible Schools, Study Courses in Catagory 17 others are being requested. We are slowly becoming conscious of the Time. How long will it take us to become fully awake? Are we accepting this--the greatest challenge to face Christendom in 2000 years?

Respectfully submitted,

C. M. Hicks

22. Brother L. L. Coats, Sr., gave his report on Training Union. The report was adopted as follows:

REPORT ON TRAINING UNION

The aim of the Baptist Training Union is: "Training in Church Membership." There is no other department of the church which has this distinctive aim. Our purpose in the Little River Associational Training Union this year has been to aid and encourage the churches to offer "Training in Church Membership" to their people through a strong Training Union program in their churches. We have tried to do this through the following Associational Activities:

1. Associational Leadership School, October 3-6. State and out-of-state officers led the school. Total present 140.

2. Associational Meeting, October 17, total present 12.

3. Associational Executive Committee Meeting, October 7, Buie's Creek Baptist Church.

4. Associational Officers and Leaders Conference, November 20.

5. Associational Executive Committee Meeting, November 30, to plan "M" Night.

6. Associational "M" Night, Campbell College; the Rev. Don Bowen, speaker; 9 pastors, 12 directors attended with a total present of 300; December.

7. Associational Meeting, January 16, Antioch Baptist Church; 15 churches represented, 2 pastors, and 6 directors attended with a total present 100.

8. Associational Tournament Night; Associational Executive Committee Meeting included; Chalybeate Springs Baptist Church. We had representatives in all categories. We also had representatives in all category competition in the N. C. Region IV T. U. Convention, April 11, Lowes Grove Church, Durham, N. C.

9. Associational Meeting, April 19, Angier Baptist Church.

10. Associational Meeting, April 15, Erwin First Baptist Church.

11. Associational Youth Night, April 15, Dunn First Church, the Reverend Donald Bowen speaker.

12. Associational Executive Committee Meeting, June 19, Angier Baptist Church, total present 7, the Nominating Committee to nominate Associational Officers for the coming year as appointed were: Miss Zula Rogers, Chairman; B. W. Jenkins, Mrs. James Johnson, John Douglas.

13. Associational Meeting, July 17, Friendship Baptist Church.

14. Associational Meeting, August 21, Neill's Creek Baptist Church.

15. Associational Executive Committee Meeting, September 18. Plans were made for October 16, Officers and Leaders Conference and December 4 "M" Night.

16. T. U. Officers met at Angier Church for Training Planning meeting September 5 with Miss Katy Ruth Grayson of State Training Union Dept. of Raleigh leading in plans for new year.

Out of 32 churches in our Little River Association we have 23 Training Unions.

There is a great need for Training in Church Membership in our Association; and the responsibility to meet this need is placed squarely on the shoulders of the Training Union Organizations now existing, and upon the pastors and leaders in the Association. The task is a big one; but with God's help and the support of the people of the Little River Association, the Executive Training Union Officers will be able to move closer to the fulfillment of this responsibility in the coming year. These leaders need the prayers and support of each of you as they continue in this challenging work in our Association.

Respectfully submitted,
L. L. Coats, Sr.

23. Brother A. Howard Beard presented the report on Social Services and Civic Righteousness. The report was adopted as follows:

REPORT ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

Social Service and Civic Righteousness is quite an imposing title for a segment of the work of our churches. Yet it is a work in which we are all engaged if we are making any impact, at all, upon the local community. We are to be the "leaven" of righteousness that permeates every phase of community life in the school, the home demonstration club, the civic club, politics and the home.

America today is facing crisis on many fronts but we shall concern ourselves with the crisis in the American home believing many other social crisis have their spawning ground in the home. It is in the home that battles are won or lost.

The world looks to "Christian America" for leadership and yet there is marital discord, divorse, parental neglect of children and adult delinquency rampant in the land. We are confronted every day by family failures. Thus it seems that every effort should be made to improve our family relationships.

What can we do?

1. We can teach our young people the meaning of Christian family living.

2. Our pastors can provide the proper counseling opportunities for those about to marry.

3. Parents with growing children should be given help by the church in interpreting life in the Christian context.

4. In yet another area the family needs help in understanding the problems of a fast growing group of older people.

5. The church to seek to lend its support in strengthening all of the community forces which are ministering to

the family.

It is our belief that as the family goes so goes the nation.

Respectfully submitted,
A. Howard Beard

24. In recognizing Brother Lewis Beal, the moderator called for the report on retirement which was adopted as follows:

ANNUITY BOARD REPORT

The official name of this Board is now the ANNUITY BOARD of the SOUTHERN BAPTIST CONVENTION. This follows action taken by the Southern Baptist Convention in Miami in 1960.

Total new members in all plans in 1960 increased by 9% over 1959, with the largest increase, 2,053, being in the Protection Plan. More than 4,000 of the Churches participating in the Program are paying the full 10% dues. This pattern has increased by 17% over the previous year.

Average participation of all States was 63%.

Only 12 of the 32 churches listed in our Association participate in this plan.

Benefits amounting to $2,754,613.60 were paid to more than 5,200 retired and disabled ministers and Denominational workers or widows during 1960. 446 were new annuitants added in 1960.

Fifteen field representatives now serve 22 states in the Convention. An excellent job of education and promotion has been done by these men. Rev. R. T. Green is field representative for North Carolina with offices in Raleigh. He is available for our use and will appreciate working with us in any manner.

Respectfully submitted,
R. Lewis Beal

26. The moderator recognized Brother Charles Stafford for a report on P.O.A.U. (Separation of Church and State) which was adopted as follows:

REPORT ON P.O.A.U.

POAU - What is it? Why is it necessary? What is its purpose and what is it doing? What can we do to make it more effective? The full title of the organization is Protestants and Other Americans United for Separation of Church and State. Founded in 1947 this nation-wide organization speaks with authority in the defense of religious freedom. The purpose of POAU as set forth in its Manifesto: "The single and only purpose is to assure the maintenance of the American principle of separation of Church and State upon which the Federal Constitution guarantees liberty to all the people and all churches of this Republic."

The necessity for such an action group was and is still the Roman Catholic Church and a few smaller groups, some Protestants included, who are doing every thing possible to get their hands into the public funds collected from tax-payers of every faith and those of no faith. The main assault now is upon the public school system of America.

> "The Roman Catholic Church in 1948 made its program crystal clear. Four cardinals, five archbishops and five bishops signed a document declaring the church-state separation principle as the Supreme Court had enunciated it a mere 'Shibboleth of doctrinaire secularism.' This was the first shot in a war to win tax funds for church hospitals, parochial schools and in time to dump the entire cost of the Roman Catholic Church upon taxpayers." (Taken from POAU material)

Specific examples of attack, sabotage, and demand are seen in the following excerpts:

From Archbishop John F. O'Hara -

"Catholic teachers are doing a better job than this 'washed out' education in public schools."

Bishop Robert Dwyer -

"In the field of American education we have been persuaded to subscribe to a system best described as run by incompetents for incompetents."

Archbishop John T. McNicholas -

"Secularist (public school) educators....are planning to give our country millions of uncontrolled juvenile criminals."

Father Francis P. LeBuffe -

"Thanks to our godless American public school, we have a generation today which does not know God."

In Dobbs Ferry, N. Y., Father John B. Conroy, pastor of Sacred Heart Church urged defeat of school bonds in election, June 24, 1958. Cardinal Spellman backed him up. The bonds were defeated.

Eight Roman Catholic priests in Bloomfield, N. J., on May 13-14, 1958, defied public school officials and ordered Catholic children out of classes for a "retreat" which they refused to schedule after school hours.

For sums as low as $1, public school property in Boston, Mass., has been sold to the Roman Catholic Church. This kind of "giveaway" deal is becoming common in New England.

In November, 1955, Roman Catholic bishops of U. S. declare that pupils in their schools 'have full right to be considered and dealt with as components of the American educational system'.

A Cardinal McIntyre asked full public support for Roman Catholic schools via a "pupil certificate" plan.

Jesuit educators of the U. S. insist that any Federal aid to education must include their schools on the same basis as public schools.

You may ask, "Why is the Roman Catholic Church always mentioned in connection with POAU?" The answer is very simple. The Hierarchy of the Roman Catholic church is doing its very best to get control of the Federal treasury in order to force Americans to support its schools and churches. In short, the entire Roman system. So it is not an attack on the Catholic church members; but the system and the the power behind the system need to be exposed to the public.

This observation is made in connection with POAU and our Associational relation. Our greatest error is made in calling to our attention the issues only on the October dates of our annual Associational meeting. Baptist and other Protestant leaders last year made the mistake of joining in a campaign to defeat a Roman Catholic candidate for the presidency and then let the matter drop as soon as he was elected. There is a serious doubt that few if any of the churches have received any more information as to the threat against religious liberty since last November's election! This sort of "education" is of very doubtful value.

Glenn L. Archer, attorney, educator and Christian layman, has served as executive director of POAU since the founding of the organization. The associate director is C. Stanley Lowell, a Protestant minister (whom some of you heard at the 1957 Little River Meeting), and the director of organization is John C. Mayne, also a Protestant minister.

The founders of POAU included men who have served as the three top elected officials of the three largest Protestant denominations - Baptist, Methodist, Presbyterian - Dr. Louis D. Newton, Bishop G. Bromley Oxnam, Dr. John A. Mackay. Dr. Newton and Dr. Mackay remain in active leadership today. Other founders of POAU were Dr. J. M. Dawson, executive director of the Baptist Joint Committee on Public Affairs, Dr. Clyde W. Taylor, Secretary of Public Affairs for the National Association of Evangelicals, Dr. Frank H. Yost, Seventh-Day Adventist leader, Dr. Charles Clayton Morrison, then editor of the Christian Century, Dr. Charl Ormond Williams, former President of the National Education Association.

We see from the above that POAU is not the heretical group that some would picture it to be, but is led by men of outstanding qualifications religiously, educationally, & legally. It has been branded by some as a "hate organization" the majority of who are afraid of what POAU has done and is doing to expose them.

It is the legal side of POAU which brandishes its most potent weapon, and which is accomplishing the purpose to which it is dedicated. I quote at length from the Report of the legal Department to the Board of Trustees and Advisory Board at Portland Oregan, Feb. 15, 1961:

> "As an introduction, we should like to stress the importance of the Legal Department to the operation of POAU and to the nation.
>
> "To begin with, the very existence of POAU is entirely dependent upon the First and Fourteenth Amendments to the Constitution and even more directly on the interpretation of these Amendments by the United States Supreme Court. Without this basic law there would be no basis for the existence of POAU, since it is upon the interpretation of the First Amendment of the Constitution that the concept of separation between church and state depends. The defense of this concept from onslaughts from every angle is probably the most important legal activity in our nation today.
>
> "Second, it is the work of the Legal Department that justifies the claim that POAU is an action organization. It is the readiness of POAU to bring suit as a last resort that is giving this organization increased prestige and growing recognition as a power in this legal area.
>
> "Third, it is the ever present threat of legal action in the courts that enables us to secure the withdrawal of many attacks and encroachments on the principle of separation of church and state. The more prevalent the peaceful settlements become, the less need there will be of court cases backed by POAU and others. The growing prestige of POAU backed by this willingness to enter into litigation, if necessary, has enabled us to bring about settlements

of what otherwise would have been very serious and persistent encroachments. We estimate that news of serious attacks, encroachments or threats thereof reach our office at the rate of at least one a day. Many of these threats and pending encroachments are solved merely by the writing of letters from our main office and the cooperation of our local groups in the various areas of the United States. This, of course, is the ultimate aim of POAU and expecially of the Legal Department.

"Fourth, it is worthy of note and some feeling of gratification that the Legal Department of POAU is the only legal department of any sizeable organization that is devoting its entire time, thought and attention to the one subject of separation of church and state. It is our confident hope that in time this legal department will be recognized as the outstanding authority on subjects in this area.

"Fifth, when POAU was originally conceived, its organization was primarily due to the fact that the Constitution was being ignored. Encroachments were multiplying. The language of the Supreme Court in the Everson bus case was being disregarded. We do not claim that during the 14 years of our existence all these encroachments have been eliminated, but we can make two claims and we think we can justify them. We have helped to hold the line at a time when the juggernaut was all prepared and fueled to roll over the opposition. We have lost some battles but there have been no new types of encroachments at the Federal level during the life of POAU. For example, there have been no direct appropriations for Federal funds to parochial schools as such; no Federal funds have been appropriated for the payment of nuns in garb as teachers; no Federal funds have been appropriated for the operation of parochial school buses, except in impacted areas; (there are Federal aid programs which do provide scholarships for religious studies with supporting grants to the institutions involved. There are also loans which may not be bona fide to parochial schools for equipment and remodeling for scientific and language instruction. There are also testing programs which include pupils in private schools.) At the present

> time the outlook is that there will probably be no bill passed by this Congress for federal aid to education that will include any direct grant or grants to parochial schools. The only general field in which we apparently have some lost ground is the medical field, where the Catholic medical code has been more or less forced on more doctors, nurses and patients, even in publicly supported institutions. Even in this field, however, we have gained some significant victories.
>
> Sixth, the work of our Legal Department has become doubly necessary because we are now confronted by two Catholic action groups whose primary purpose is to oppose our efforts to preserve the wall of separation between church and state. One of these organizations, with headquarters at Omaha, Nebraska, is called the American Freedom Council. These action groups are made up of Judges, lawyers, other professional men, and business men."

Legal action has been taken by the Legal Department of POAU in cases far too numerous to mention in a report of this nature, by which movement to breach the wall of separation of church and state by Roman Catholics and certain Protestant groups have geen defeated. The Christian Brothers case for one was brought to court and the company ordered to pay over $1,300,000 in back taxes. A final suit by the Government demands nearly $2,000,000 in unpaid taxes from this liquor industry which operates under the tuise of church property. And without doubt, POAU had a hand in the final defeat of HR Bill 7904 which would have given Federal aid to parochial schools.

You and I can help in this seemingly never-ending struggle between the law-abiding citizens of the U. S. and those citizens who so much desire to make what is ours theirs. First, we can take it upon ourselves to be informed on the issues of the day. Second, we can look at these issues from a standpoint other than our own and our friends' prejudiced views or selfish views. Third, we can write to our Congressmen, Senators, and Representatives, and tell them of our convictions regarding controversial legislation. If enough people write to them, they will heed! Fourth, we can let the men of the POAU organization know of our interest in the great work they are doing. Fifth, we can subscribe to the Church and State monthly review and obtain membership in POAU for the small sum of $5.00 per year. Sixth, we can include POAU in our church budget. Finally, we can and must pray for the leadership of God in all matters relating to our nation, being faithful to Him through His church, giving heed to the injunction of Jesus to "Render unto Caesar the things which are Caesar's but unto God the things that are God's."

Respectfully submitted

Charles W. Stafford

27. Brother Jack Holt was recognized to discuss and offer amendment to the CONSTITUTION on behalf of the Constitutional Committee. Amendment stated for consideration only at this time but is proposed to be placed before the Association in the form of a motion during the session of October 25, 1961. The following summarizes the recommendations for amendment by the Constitutional Committee:

REPORT ON A PROPOSED AMENDMENT TO THE CONSTITUTION

It seems that the tendency today is to entrust the reins of business and leadership into the hands of a few. The reason for this development is the belief upon the part of many that a few can serve the interests of the whole with greater ease and unanimity than can a larger number. As one has said: The best committee is composed of only three people with two home in the bed sick.

Our present executive committee in the association is composed of only fourteen members--a small number when we take into consideration our 32 churches and their membership. Perhaps it is felt that this small group can best represent our people, but one question that comes to mind is: "Do fourteen people really represent our churches as they ought to be represented?" The issue that recently came before our Baptist State Convention was whether the General Board should be composed of representatives from districts in which several associations would be included or should the General Board continue to be composed of representatives from the various associations, whether large or small. When the vote was taken, the messengers overwhelming showed their desire to let each of our associations continue to have a voice in the affairs of the convention between sessions.

That which would be truer to our Baptist principles than we have at the present in the make-up of our Executive Committee is to let each of our churches whether large or small have a voice in the affairs of the association between sessions. Thereby the people of our association from all over the county would have the opportunity to help formulate our future plans and programs through their representative elected from within their own local churches. Though this would necessitate a larger number on the executive committee, it would still be honoring the individual church member as he ought to be honored by giving proper recognition to his local church.

Then, too, one of our major problems in the association is to have a line of communication with each and every church enrolled in our program. As a result, that which would seem to answer this need would be to have an elected representative from each church whose purpose would be not only to act on the affairs of the association between sessions, but also to acquaint his fellow church members with the plans and programs of the association at large.

Last summer at Fort Caswell the associational missionaries met from all over the state for a week of fellowship and study. During their meeting a committee was appointed to draw up a constitution that would seem to serve the best interests of the people in our various associations. That which they felt the executive committee of an association should be composed of is the following: "The Executive Board or Committee shall be composed of all associational officers (Article VI, Section 1), the Associational Missionary (exofficio), each active pastor, one lay member chosed by each member church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Board or Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this board or committee to meet quarterly, and to make reports and recommendations to the Association at its annual meeting."

Therefore, the Constitutional Committee of your association recommends that Article 11 of our present constitution be replaced by the previous proposal. Though there may be doubts that a larger number will satisfy our best interests, let me say from personal experience having served in an association where the recommendation was accepted that the Associational wide work was greatly benefited by the larger representation.

28. In the form of miscellaneous business, the moderator recognized Julius Holloway who called attention to the necessity of appointing a successor to E. P. Russell as a member of the committee for dedication of minutes. The moderator acknowledged this responsibility and will appoint a successor at a later date.

29. The moderator recommended that the Association, through its clerk, send its greetings and appreciation to E. Norfleet Gardner who is presently the Interim Pastor of Dunn First Baptist Church. The Association so approved.

30. Upon motion made and duly seconded, the session adjourned to meet the following day, October 25, at 9:15 a.m. with the Coats Baptist Church.

31. The Association reconvened at 9:15 a.m., October 25, at the Coats Baptist Church with devotional. Dr. Paul M. Yoder was in charge of the music and James O. Aycock led in the reading of scripture, comments and prayer.

32. In the business session that followed, the moderator made announcements, expressed gratitude to the Coats Baptist Church and Neill's Creek Baptist Church for their providing facilities for the Association and made adjustments in the program schedule.

33. The moderator called Robert L. Newton to the platform for a report on Christian education. The report was adopted and the moderator instructed the clerk to record the report as follows:

REPORT ON CHRISTIAN EDUCATION

"There comes a moment in any major enterprise," writes President Griswold, in reporting recently to alumni of Yale, "when the best way to finish it is call to mind the reasons for starting it." Christian people will be well served to remember that statement as they seek to further this "major enterprise" we designate Christian Higher Education. In this crucial task we can well afford to "look to the rock from which we were hewn." The God of all truth, the Eternal Word, speaks to a chaotic, darkness enshrouded world, "Let there be light," and there issues forth light, order, beauty and, ultimately, life. Man is given as the first "great commission" the task of caretaker of the good earth. "Subdue it--and have dominion." When time was ripe, the Living Word spoke through one "full of grace and reality." When questioned as to the essence of true religion, Jesus added to the great commandment of His people "Thou shalt love the Lord thy God with--all thy mind." The second great commission of God as given through the Risen Lord significantly included "Teaching them to observe all things whatsoever I have commanded you---". Faithful disciples marching under the banner of His kingdom enterprise have taught catechistical and monastic schools. The medieval universities of Paris, Oxford, Salerno, Bologna grew from the soil of the Age of Faith. A young monk named Luther at Wittenburg, planning his work as scholar and teacher, saw new light spring from God's work, and the Reformation was born. When our fore bearers came to the New World to gain nourishment of freedom upon which the human mind and spirit alone can thrive, one of their earliest concerns was to provide training schools for leadership in church and government, like Harvard College: "Lest New England be cursed with an illiterate ministry." Later in appearance were those church colleges founded by various Christian denominations to supply their youth with higher learning in an awowedly and vigorously Christian setting. So astute an observer of the development of religious forces in America as Dr. Henry P. Van Dusen concludes "---the relation of religion to collegiate training in America was twofold. The church was the parent and sponsor of education; and religion was the keystone of the educational arch, the controlling factor in both theory and practice.

One does not observe "The conclusion of the matter" in our time as might have been hoped. Most privately endowed universities have divested themselves of the last vestige of ecclesiastical control. Some so-called Christian colleges find themselves increasingly embarrassed and uncomfortable in their long established denominational connections. Half of our college youth are in rapidly multiplying and expanding state-supported schools. Many of these are to be commended for a high level of academic excellence. The point of concern is the total lack of official recognition to religion in many instances.

Three causes work toward this deviation from the conviction of religion's rightful centrality in the pursuit of knowledge: 1. The rapid expansion in numbers of students and the multiplication of academic subjects to meet what has been described as the "era of the most rapid extension and diversification of knowledge in human history." This is not an evil of itself. To the contrary, it inspires one to consider the extent of knowledge and man's hunger to lay claim to these glimpses of truth. But this bursting curriculum has resulted in an alteration of the traditional balance between the practical and vocational fields on the one hand and the humanities on the other. Relition as a specific field of study has been crowded into a corner of the curriculum. 2. Specialization has worked against the very nature of religion, which by definition is "That which binds together." The distinguished American philosopher, Alfred North Whitehead, has made a devastating indictment: "The increasing departmentalization of universities during the last hundred years, however necessary for administrative purposes, tends to trivialize the mentality of the teaching progession." And, one might add, of the student, who fails to "see life clearly and to see it whole." Again specialization is necessary to the mastery of the intricacies of knowledge beneficial to human well-being. But it has fostered as an undesired result a forgetfulness of the relatedness of all truth deserving the name. 3. The steady encroachment of secularization, reflecting the thoughts and feelings of the American people as a whole, is another contributing cause. For many, religious faith and commitment have become an elective, rather than a part of the core corriculum in the university of life. Religion appears for many to be another subject peripheral to the main subject matter of an education. As secularism has been defined by President Nathan Pusey, "a growing attachment to a way of life in which there is neither need nor place for religion."

Finally, what path leads to finishing this significant enterprise to which we must set heart and hand? To enthrone Christ as Lord of Education must mean no prating of pious phrase. Implied are the pursuit of central convictions in the classroom and in the supporting churches. The one who said "I am the way, truth, and life" points us ahead in our teaching responsibility as Christians.
1- We are to educate in his name to restore a sense of the dignity of man as a "little lower than God." Men are not slaves of passions or events, but potential sons of the living God, capable of shaping life to His kingdom's end. Without this, education can produce nothing better than clever beasts.
2- A deep appreciation of the promise and perils of freedom. "Ye shall know the truch and the truth shall set you free." This is the great opportunity of Christian education: To point to a freedom that transcends secutity, objectivity, or irresponsibility. Civilizations rise and fall as they fail to cope with freedom as a commitment to lasting values rather than as a luxury to be indulged.
3- We are bidden in the context of our faith in Him to move beyond facts to values which alone can give them meaning.

> "Search well another world: who studies this
> travels in clouds, seeks manna, where none is."
> (Henry Vaughan, "The Search")

4- Education rooted in the Christian perspective points

us beyond "I want" to the moral imperative of life "I ought". Brilliance without moral standards to guide it can only bring us to ruin. A better world can come only from brtter men. The master teacher "sets morals to music." Our task in His spirit is to inspire men by the example of truth incarnate to love to do the right.
5- Ours is to "build a treasure house", as Dean Harold Hough has it, "where there is a place for every ancient good". The Christian scholar and student "has become a leader in the Kingdom of Heaven. He is like a householder who can produce from his store both the new and the old." (Mt. 13:52) The study and appreciation of culture is to become inheritors of the very best of the past.
6- There must be included in education bearing the name of Christ that which reaches beyond impersonal statistics and analysis. The realm of personal experience and meanings must not be lost in the educational enterprise. The discovery of God's truth is to be found chiefly in the experience of the living God by men as they search for and are found by beauty, truth, and goodness. Personal inspiration should never be absent from the classroom. Noble friendship is often a path to the discovery of truth.
7- Christian education should cause the questioning mind and spirit to look beyond time to the eternity that gives it worth. The lasting conviction should be shared "as God lives that which is most excellent is permanent." Jesus walked and taught in the faith that this is a universe in which all good things are secure. Even when there was crucifixion his unshakeable conviction of a friendly universe found voice, "Father unto thy hands I commend my spirit."

To give the Christ of God central place in education must be a consuming passion for us all, as we confront a world teetering on the abyss of inclusive destruction for want of that love which gives truth its birth.

The vision that the world is waiting is
The same that raced its way in wagon-tracks
Across empurpled plain and precipice,
And whispered in the starlit tamaracks
Where travelers told of freedom in the West
Around the fires of hopeful bivouacs:
The vision of a mightly purpose, pressed
By all the peoples of the earth, to make
The hidden truth within them manifest:

And as this continent was free to take,
And thus awake the hope of all mankind,
So now, in hope, we hear the future break
On the unsovereigned beaches of the mind.

34. Brother Julian Hopkins was recognized by the moderator and spoke on Christian Education Advance. Brother Hopkins called attention to some literature he was leaving for those who were interested. He commented on several Baptist colleges in the state and pointed out the inseparableness of Christian education and evangelism. Association members were challenged to greater support to the schools through contributions through their church budgets and an attitude of need for the schools. Brother Hopkins asked for each member's prayerful consideration, pointed out our need for a spiritual awakening and suggested our continued prayers that we will not fail God.

35. The moderator commented on education problems, indicated that we are all partners in higher education.

36. The Campbell College Choir was welcomed by the moderator and Dr. Paul Yoder led the choir in special music. The choir sang four selections: "Thou Who Wast God", "We Gather Together", "Create in Me O God a Pure Heart" and "A Babe is Born in Bethlehem".

37. The moderator expressed appreciation to the choir for their presentation, after which he recognized Mrs. H. M. O'Quinn for her report on W.M.U. The report was approved as recorded below and Mrs. O'Quinn introduced Brother E. Norfleet Gardner. Brother Gardner's speech was very inspirational and motivating as he related his numerous Christian experiences at home and abroad.

WOMAN'S MISSIONARY UNION REPORT FOR 1960-1961

There are 23 churches in Little River Association with a Missionary Society. Nineteen of these churches have one or more of the Youth organizations. Ten churches have a full-graded WMU: with a WMS, YWA, GA, and Sunbeam Band. The full-graded churches are: Angier, Antioch, Buie's Creek, Chalybeate Springs, Coats, Dunn First, Erwin First, Lillington, Neill's Creek, and Piney Grove.

On February 18, 1961, a YWA Banquet was held with Antioch church serving as hostess. There were 51 present. Rev. Don Bowen brought a very challenging message. On May 12th an Associational GA Rally was held with Angier Church as hostess. Over 100 were present for this meeting. Miss Hazel Matthews brought the missionary message.

The Associational GA Director, Vice President, and President attended a two day State Leaderwhip conference at Caswell for Associational Officers. The Associational President also attended the WMU Week at Ridgecrest.

In WMU, "We are laborers together with God, That the way may be known upon earth, Thy saving health among all nations, and Jesus shall reign where'er the sun does His successive journeys run!"

38. Period of silent prayer, after which Mrs. Fred Thomas sang a solo.

39. The moderator recognized Brother George McCotter for the Brotherhood report which was approved as recorded below. Brother McCotter spoke on Brotherhood organizations and greater activity with our young boys through the Royal Ambassador organizations.

ASSOCIATIONAL BROTHERHOOD REPORT

The Little River Brotherhood has enjoyed a reasonable amount of progress this year. The Executive Committee met several times during the year to make plans and discuss our program. We have enjoyed during this year our quarterly meetings with fair attendance. We should all place more emphasis on our local Brotherhood work. Each church should have an active Brotherhood. This gives every man a place of service, giving every boy an opportunity to be a Royal Ambassador. A church Brotherhood has unlimited opportunities of service.

The Regional Brotherhood meeting was held in Durham with a few of our men attending it.

I believe that our Royal Ambassador program is on the increase in both membership and quality of program. We are to be encouraged by the new Royal Ambassador camp to be located near Asheboro.

The highlight of the year was the Associational Ladies Night which offered an opportunity to our men and women to attend jointly an evening of fellowship and worship with a challenging message by Dr. Douglas M. Branch on the church. This was a very successful occasion sponsored jointly by the WMU and Brotherhood.

May we strive to have an active brotherhood next year in each church. Let us as Brotherhood members support our missionary and the mission program of the Little River Baptist Association.

Respectfully submitted,

George V. McCotter

40. Brother Irvin Stephens gave a report on the American Bible Society which was adopted

REPORT ON AMERICAN BIBLE SOCIETY

Founded in 1816, the American Bible Society is one of the oldest missionary societies in America. Its work in the United States and overseas serves hundreds of missionary societies and national Church bodies. The Society's worldwide program depends upon the gifts of many individuals and Churches. Its principal areas of activity are--Translation, Publication, Distribution, Encouragement of Bible Reading and Service to the Blind. Last year the American Bible Society alone distributed over ten million copies of the Scriptures in the United States and seven million abroad. Bringing the whold Gospel to the whole world with concern and compassion is the timeless task of the Bible Society.

We have seen in Christian History how the Bible has survived the efforts of men in every generation deliberately to destroy it or worse yet, to discredit it. We have also seen the effect that the Bible has had on nations when it is brought to the people in the familiar form of their own speect. Invariably it has enriched the language, strengthened the moral fiber, and brought spiritual revival. The Bible makes a missionary out of every man.

Southern Baptists support the American Bible Society because it supports mission work and because Southern Baptist missionaries every where depend on it for Scriptures they need to distribute to their people.

The church fulfills its destiny only as it fulfills its mission of reaching the ends of the earth with the message of Christ. So many requests and needs were unmet last year in the American Bible Society because of lack of funds. We are missionary Baptist. Won't you see that some funds are sent each year from your church to the Baptist office marked: "For the American Bible Society?"

Irvin Stephens

41. The moderator recognized Mrs. R. H. Sorenson to speak on Christian literature. Her report was adopted as follows:

CHRISTIAN LITERATURE REPORT

Have you ever stopped to think that God chose to use "writing" as His means of self-revelation to the world? He made known His nature and will to men through writing. Where would the world be today were it not for the divinelywritten revelation, the Bible? Since God Himself saw fit to use literature to reveal His will, as Christians we obviously have a divine plan to follow. In 1961, this principle still holds true as we think of all the fine Christian literature being written.

We, as Southern Baptists, are very fortunate to have the excellent curriculum materials for each age group in the teaching and training arms of our program, plus leadership helps for each. Besides these, there are enrichment magazines or papers for the enjoyment of each age group. Home Life, the family magazine, points toward founding and maintaining a Christian atmosphere in the home, the basic institution of our society.

To keep us inspired and informed about our missionary duty and enterprises, the various mission magazines are made available. Being well acquainted with all of these reading opportunities makes for an interested, well-rounded Baptist who daily searches God's written word for its message to him.

When North Carolina Baptists think of their own literature, they naturally think of their state Baptist paper since 1833--the Biblical Recorder, and of the Charity and Children, published by the Thomasville Children's Home and edited by Mr. John Roberts. Both publications keep North Carolina Baptists up-to-date on local and far-reaching affairs.

The Recorder is edited by Mr. Marse Grant in such a way that it is of interest to all North Carolina Baptists. Circulation, which is the highest in history, continues to rise. At the present time it is more than 78,000, up 10,000 over a year ago. This is an outstanding record. Unfortunately, our association records show that we have not done as well.

With 32 churches in Little River Association, only 24 are receiving the Recorder, with a total of 931 subscriptions. That means that ten churches, or 1/3 of our people, are not receiving the Recorder. Only six of our churches have the Every Family Plan. This seems to be the best and simplest plan. Nearly 500 churches over our state testify to the value of sending the Recorder to every resident family at the cost of a four-cent stamp each week--or $2.00 a year. The club plan is available for churches with four or more families desiring to subscribe to the Recorder.

A consideration of Christian literature could hardly be complete without some mention of the reading of constructive books. This is an art that should not be lost, even with the pressures of over-crowded schedules and television appeal.

From an editorial in the August 28th Christianity Today comes this quotation: "Good books are wanted; they are needed; and they are needed especially in our churches. Biographies of great Christians should be circulated among our Sunday Schools continually. The officers of the local church should consider their library as important a facility to their total task as do the trustees of a college. They should think of their library as a ministry. Thousands of churches in America have no libraries whatever, and yet they are supposed to represent wholesome influences in the community. Young inquiring Christian minds invariably turn to the public library; and invariably they will find that on the public library's shelves, evangelical books are in short supply, even though every other religion may be present in profusion."

Reading opens the mind for thinking May we take advantage of the opportunity which is ours through the ministry of providing Christian literature for the minds of the young people of Little River Association.

Respectfully submitted,

Maurine Sorensen (Mrs. R. H.)

42. Brother Walter Gentry was recognized for a report on evangelism. The report was adopted as follows:

REPORT ON EVANGELISM

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent for getting men to God. Multitudes sit in darkness and many in despair while the forces of darkness move constantly in a dedicated abandon toward their objectives. The number of hopeless people--hopeless because they do not know Christ--grows daily. The world's population is increasing by 48,000,000 per year. All religions are winning only 10,000,000 per year.

Many of these lost people live in the territory of our association. They live near our churches. In regard to their need for God they have been deluded by the powers of darkness, and numbers of them disillusioned by the apathy and lack of dedication to Christ on the part of professed Christians. In this desperate day God's people must wake up to the fact that "business as usual" will not suffice. Surely this is the time for total dedication to Christ in His purpose of winning the multitudes to God.

In view of these facts our association voted last year to promote Baptist Jubilee Revivals, April 8-22, 1962, and March 8-22, 1964, and on February 20, 1961, we had a most successful Evangelism Clinic at the Lillington Church with 22 churches, 18 Pastors, 32 Deacons, 17 Sunday School Superintendents, 18 Training Union Directors, 16 W.M.U. Presidents, 14 Brotherhood Presidents, 5 Treasurers and 10 Music Directors present.

For the coming year we recommend:

1. That we encourage ourselves in the Lord our God for the resurging interest in evangelism across our Convention, continuously praying that God may work in us and through us to bring the revival we need.

2. That each church prayerfully and studiously consider participating in the Baptist Jubilee Revival, and that special emphasis in all revivals and week by week evangelism throughout the year be placed upon personal, face-to-face, heart-to-heart soul-winning and faithful teaching and preaching of the Gospel.

3. That all churches make full use of the Revival Plan Book for 1962, 1964, supplied free to all pastors by the Division of Evangelism, Baptist State Convention. Re-

prints of portions of the book are available for members of the church councils.

4. That our association have an Evangelism Clinic following the suggested program supplied by the Division of Evangelism. The date for our next clinic is February 6, 1962.

5. That our association recognize the elected associational officers as the evangelism committee, the Chairman of Evangelism to be the Chairman of this committee, and that we pledge our wholehearted cooperation to this committee.

6. That we commit ourselves to the following outline of achievement for 1962:

I. CHAIRMAN OF EVANGELISM--An evangelistic pastor elected to serve during associational year. Promotes perennial soul-winning in all churches. Serves as Chairman of Baptist Jubilee Revival Committee and Chairman of Evangelism Committee, which is composed of associational officers.

II. ASSOCIATIONAL EVANGELISM CLINIC--Annual clinic devoting two sessions exclusively to evangelism. Seventy-five percent of churches with at least three members of their church councils present.

III. ANNUAL BAPTIST JUBILEE REVIVAL--Eighty percent of churches participating. Eighty percent of churches observ-same datea. Eighty percent of churches with two consecutive weeks of evangelistic preaching.

IV. ALL CHURCHES CONDUCTING REVIVALS--Each church conducting a minimum of one revival annually. Fifty percent of churches conducting two revivals annually. Churches sponsoring missions revivals where needed.

V. EACH CHURCH WINNING AND BAPTIZING NEW MEMBERS--Churches endeavoring to increase previous years baptismal record. Seventy-five percent of churches using the church council. Churches sustaining perennial evangelism and perennial spiritual growth programs.

44. The session reconvened at 1:25 p.m. with devotional period. Brother A. Howard Beard led the messengers in singing a hymn and Brother Gene Akins, pastor of Harmony Baptist Church, led in scripture reading and prayer.

45. The moderator made announcements and called for reports from various committees. Reports of committees were approved as indicated below:

Time, Place and Preacher:

1. Tuesday, October 30, 1962, with Chalybeate Springs Church. Doctrinal sermon to be preached by Edwin Young, Joe Wray alternate.

BUDGET COMMITTEE REPORT FOR 1961 - 1962

The Budget Committee of the Little River Association recommends the following:

1. That we, over a period of 3 years, liquidate our request for State Convention Aid, and that we begin this year by reducing our request. That this request be reduced $368.00 this year and the two following years.

2. That we increase the Missionaries Convention expense by $200.00 over the previous year. This would help absorb travel expense in the added distance to San Francisco.

3. That an item of $400.00 be placed in this Budget for the Baptist Jubilee Revival in our Association. This

would cover Associational needs such as Area Promotion and Advertisement and Fellowship Breakfasts.

Home Building:

REPORT OF MISSIONARY HOME COMMITTEE

The churches of the association have paid into the Missionary Home Fund through September 30, 1961, the sum of $589.46 and this has been placed on deposit with the Home Savings and Loan Association of Lillington. The interest of this fund amounts to $8.98; so the principal and interest in this fund amounts to $598.44.

Your committee has made no definite plans for the home, because sufficient moneys have not been paid into the fund to justify such action.

Your committee suggests that the churches of the association make a greater effort to secure contributions to this fund on the basis of $1.00 for each church member.

As soon as adequate funds are available, your committee will be in a position to make definite recommendations with reference to this project.

Miscellaneous:

1. Brother Donald Bowen moved "That the Association purchase a new mimeograph machine for the Associational office, the price of which is not to exceed $500.00. That the money for this purchase be borrowed from the Missionary Home Fund to be paid back in regular payments as the funds in the general fund became available." After detailed discussion, the motion was made to substitute "That the moderator and missionary use their own judgement to buy if needed, pay what they can down (from the general fund) and arrange for the balance. Substitute was duly seconded and carried.

2. Brother Jack Holt was recognized and he moved that Article 11 of the CONSTITUTION be deleted and the following proposal substituted in lieu thereof: "The Executive Board or Committee shall be composed of all associational officers, the Associational Missionary (exofficio), each active pastor, one lay member chosen by each member church from its membership and certified to the Association in its annual report, and chairmen of all standing committees of the Association. The Executive Board or Committee shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Board or Committee to meet quarterly, and to make reports and recommendations to the Association at its annual meeting." Such motion was duly seconded and carried by an unanimous vote.

Policy:

No report was submitted by the Policy Committee and the Chairman, Brother Walter F. Gentry, proposed that a report would be prepared and presented at the next meeting. Proposal accepted by the moderator.

Nominating Committee:

The moderator asked for members' instructions as to whether the nominees were to be considered in their respective groups or in consolidation of all groups. The motion was made, duly seconded and carried to consider all nominees in one consolidated group. Bro. Julius Holloway presented the nominations of the committee. The moderator, after asking for further nominations, obtained a motion, which was duly seconded and carried, electing the officers as nominated. The moderator questioned the procedure to be adopted for electing officers for the offices not yet filled, and a motion was carried to the effect that all remaining officers were to be nominated and elected by the Executive Committee at a later date.

46. The moderator recognized Mrs. W. F. Gentry for a report on world missions which was approved as follows:

REPORT ON WORLD MISSIONS

Our mission task is greater today than it has ever been. Have we witnessed effectively in our local communities when there are still many people that are lost and unenlisted living among us?

And what of our association? During 1960 there were only 333 baptisms in all 32 of our churches. No new missions have been organized in our Association in over two years. We are glad that Little River is one of the 63 associations in our state being served by an associational missionary. Our association is greatly indebted to Brother Julius Holloway, our Associational Missionary, for the fine leadership that he is giving us.

We would like to quote from an article which appeared recently in our Biblical Recorder. "State Missions is people who need help here in our own state. State Missions is children of military personnel going to V.B.S. under a tent at Fort Bragg. State Missions is providing a ministry to confused, mixed-up girls at Samarcand. State Missions is building bridges and understanding and cooperation with our Negro brethren. State Missions is keeping before the Baptist of our state the objectives that will guide them in winning the thousands of people who are lost around us. State Missions is giving serious minded preachers a chance to go to College or Seminary. All this and more State Missions is doing today.

To see Home Missions in action we would go from Ocean to Ocean, from Maryland to California, and from the Great Lakes to Florida. We would see two hospitals that serve as a witness of faith. We would see radio stations where the good news of the gospel is broadcast regularly. We would see Foreign-language sections of our big cities and migrant workers across the southland where our Home Missionaries serve underpriviledged and neglected groups of people.

In his report to the Southern Baptist Convention in 1961 Dr. Courts Redford, Home Missions Board Executive Secretary, tells us that at the close of 1961 there were 3,035 missionaries serving under appointment in our Home Mission territory.

Quoting again from the Recorder from an article about our changing world the author tells us that, "There is a new look about Southern Baptist Foreign Missions. With its eye on the constantly-changing world situation, the Foreign Mission Board is adapting to suit the times and conditions.

Among the new developments are these: Many English-language churches have been established in Foreign cities, Tokyo, Germany, Argentina, Brazil and Venezuela. The need for these churches arose from the large number of American military personnel stationed abroad and from the fact that American industries are sending U. S. Citizens to serve their business interests around the world.

There is a rapid growth of self-maintained work in Foreign countries. The degree of self-sufficiency varies greatly from country to country.

A group of Baptist Denominational leaders in the U. S. have visited for professional help abroad--Missionaries have written of these visits, "These visits were one of the greatest things that could have happened to us."

The mission force is growing--now more than 1,500 missionaries are under appointment with a goal of 2,000 by 1964.

The urgency of the missionary task across the world increases each day. We must bring to this enterprise not only resources in terms of lives and money but increasing spiritual power through prayer and faith. Work must be extended into many lands we have not yet entered and work which has begun must be strengthened and expanded.

May we be equal to the challenge that lies before us. Beginning here in our own communities.

Respectfully submitted
Mrs. W. F. Gentry

47. Mrs. Colon Godwin, who recently returned with her missionary husband from Ghana (west coast of Africa), was introduced by the moderator. Mrs. Godwin spoke on her experiences on this foreign field.

48. The moderator recognized Mrs. Robert L. Newton for memorials. Against a background of poetry and soft music and the placement of ribbons on a wreath, by an assistant, commemorating our beloved dead, Mrs. Newton read the list of names from our association, which list appears elsewhere in the minutes.

49. The moderator announced the dedication of the 1961 Associational Minutes to Mrs. L. L. Coats, Sr., who prior to her death had been a devoted and faithful worker in the Association, after which he declared the 86th Annual Session of the Little River Association adjourned.

7. Brother A. R. Burkot made the Executive Committee Report.

8. Brother Julius Holloway, Associational Missionary, presented the Associational Missionary report and discussed the proposed associational calendar for the coming year. The Associational Missionary report was adopted as it appears below and the proposed calendar was adopted as it appears elsewhere in the minutes:

ASSOCIATIONAL MISSIONARY REPORT

We are all in a deep debt of gratitude to our Associational officers who have served well sometimes at their own expense.

It takes many meetings and many hours to plan, promote and carry out the work of our Association. Without the cooperation of the Associational officers and pastors we could not have even begun to do the work.

In helping to promote the work of the Association and the local church, I have worked through many channels, both in the office and on the field. 1800 individual conferences, 100 group conferences, 75 committee meetings. I have shown 45 films and filmstrips, preached 65 times, taught 5 study courses, worked in 5 V.B.S., spoke 6 times ordain deacons, conducted 4 funerals, 13 prayer meetings, taught Sunday School lesson 8 times, traveled 22,897 miles, prepared 250 collection of reports for the annual meeting, bulletins, letters and cards by the hundreds. Served one week in a School of Missions at South Carolina at the request of Home Mission Board. Attended many state and southwide conferences to learn how to do a better job.

I have worked with the pastors and other church leaders to help them plan and carry out the work of the local churches. All of the Associational officers and I are in constant need of your prayers and support. Will you who read this remember us in your prayers. Speak a word of encouragement to our Associational officers. Moderator, Vice-moderator, Clerk, Treasurer, and the Superintendents of our organizations. May I urge you to participate in the Week of Prayer for Associational Missions as faithfully as you do Home, Foreign or State Missions. We need your prayers as much or more than these. The Week of Prayer for Associational Missions, August 25-30, 1963, materials, and suggested ways to observe this Week of Prayer will be sent to pastors and Sunday School Superintendents before August.

May I urge you to promote and support the Missionary Home Building Project. This will be the home of all future

Missionaries who serve in Little River Association. We can build it, we should build it, I believe we will.

Thank you one and all for your prayers, encouragement, and letters; especially the birthday cards.

Any time you think I can be of help call, write, or come to see me.

Respectfully submitted
Julius Holloway

9. Brother J. C. Thomas, accompanied at the piano by Mrs. Hubbard, led the messengers in singing a hymn.

10. The moderator recognized Brother Joe Bennett for the report on Baptist Children's Homes which was adopted as recorded below. Mr. W. A. Smith was introduced to speak about the Children's Homes.

BAPTIST CHILDREN'S HOME

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Todays children will become the adults who shape tomorrows world. No task is more important than being able to help the child, hurt by life, to grow into healthy, well adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for the orphans. Today the need has changed. Today our work is with the children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these---leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 percent
Thanksgiving Offering	30 percent
Once-a-month Offering	16 percent
All Other	21 percent

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existance, providing 30 percent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose concern for the welfare of our children makes this help possible, especially our Baptist people. You have afford-hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55,000 copies are sent to churches and individual subscribers through the state and beyond.

You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully submitted
A. R. Batchelor

11. The moderator called on Dr. B. B. Blackmon for the report on Baptist Hospital which was adopted as recorded below. Mr. H. G. Zerof spoke to the association about the hospital and passed out some pamphlets.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the

Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. We must remember that the help given is limited by the Mother's Day gifts of our churches.

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

12. The report on Homes for the Aging as presented by Brother Franklin Womack was adopted. Mr. William A. Poole spoke to the association about the Homes.

THE NORTH CAROLINA BAPTIST HOMES FOR THE AGING REPORT

Under the able leadership of William A. Poole, General Superintendent, the North Carolina Baptist Homes for the Ageing are providing Christian nurture and love for a wonderful group of people in the Golden Years of Life. We now have four such homes; two in Winston-Salem, one in Albermarle and the newest one, opened this year on June 4, at Hamilton. The combined facilities of all the Homes will serve 180 men and women. There is still a definite lack of space and a long, ever-growing waiting list, but North Carolina Baptists are striving to move forward in this important ministry.

At present the churches are providing, through the Co-operative Program and the Special Day Offering on the third Sunday of February each year about 50% of the total support needed. The balance comes from the residents themselves and from memorial, personal, and corporation gifts. The Special Day Offering serves to keep Baptists reminded of the challenge, opportunity and privilege that we have to participate in this needful ministry. Let us give cheerfully that they may live cheerfully in an atmosphere of Christian love and compassion in the twilight years of their lives. Let us show interest in this ministry by inquiring from Mr. Poole and Mr. C. O. Weaver, Business Manager of the Homes, how the churches might show their love for these senior citizens in some practical way.

Respectfully submitted,
Franklin Womack

13. The moderator called on Ned Beaty, Director of the Baptist Foundation, to speak to the association about the foundation. Brother Beaty defined the foundation, made general remarks, described methods through which the foundation receives its funds and left pamphlets for distribution.

14. The moderator called on the association, after welcoming several distinguished guests, for motion that the clerk be asked to issue greetings to E. Norfleet Gardner and J. E. Ayscue, which two brothers have done great work at our Campbell College and in our association and are now retired. The motion was so received, duly seconded, approved and the clerk so directed.

15. Five selections of special music were given by the Campbell College Choir under the direction of Dr. Paul

Yoder, after which Brother James O. Aycock preached the missionary sermon.

16. The afternoon session reconvened at 1:30 with a devotional period. Brother J. C. Thomas led the messengers in the singing of a hymn and Brother Millard Brown led in meditation and prayer.

17. The moderator called on Brother A. G. Parker to give the Sunday School Report and in his absence the moderator called attention to Brother Parker's advanced report which was adopted as follows:

SUNDAY SCHOOL REPORT

We have come to the end of another associational year. The theme for 1961-62 was, "Reaching the Unreached." During this year one mission was started in our association. The Adams-Kenton Rest home, near Buie's Creek, by the Buie's Creek Church.

Our associational Sunday School workers planned goals that we felt the association could meet and yet be a challenge to all of us.

We have felt an increase in enrollment and better Vacation Bible Schools this year. One school, Dunn Second, was standard again this year. Many of our schools could be better if enough time was spent in preparation. Workers need to be selected far in advance of the school and given materials needed.

More churches are having Preparation Week, January Bible Study Week, and offering more training for their workers. Improvements have been made this year, but, there remains so much work to do for our Lord.

Our theme for 1962-63 is "Outreach for the Unreached." To carry out this theme, may I urge: 1. Each pastor, officer and leader support the association and goals. 2. Continue surveys so that Missions may be started where needed this year. 3. Publicity be made in advance for Bible Study Week in January.

Respectfully submitted,
Gus Parker

18. Brother A. R. Burkot testified as to his own experience as a Sunday School Teacher and boasted of his blessings through this media of serving God. He also gave a challenge to all for attending Sunday School and cautioned the leaders not to be deceived by the old idea that attendance by 50% of the church membership was good.

19. Mrs. E. H. Bethune gave her report on Training Union which was adopted as recorded below. With a cast of five' she also presented an excellent skit entitled "The Case of the Missing Deacon" which depicted a deacon and a pastor with too many other interests to be in training union on Sunday evening.

TRAINING UNION REPORT

Someone has said, "The connecting link between conversion and service is training." Those of us in Training Union work know this to be true. At the beginning of the year our Associational officers adopted the theme, "Lengthen and Strengthen." Through our training program we have had a wonderful opportunity to strengthen this link. One of the tragedies in our church life is that so many of our church members are not taking an active part in Christian service. Many times this is because they do not feel adequately prepared for the task. This is one of the specific tasks of Training Union, training in church membership for Christian service. All of the goals that were set at the beginning of the year have not been reached but work has been done toward meeting them and we resolve to work even harder to make these goals a reality and to reach the 1963 goals. The following mass meetings and conferences were held during the year:

1. September, Associational Training Planning Meeting, state officers leading.

2. October 5, Associational T. U. Executive Committee meeting, Buie's Creek.

3. October 16, Officers and Leaders Conference, Piney Grove Church, 74 attending--5 pastors, 7 directors, Associational Missionary.

4. December 4, "M" Night, Dunn First Church, 441 attending, for the first time our Association started a Little "M" Night, 49 were in attendance.

5. February 18, planning meeting, Lillington Church, 11 present--3 pastors and missionary.

6. April 2, Tournament Night, Rawls Church, 124 attending--9 pastors, 8 directors, and missionary.

7. April 7, Youth Night, Dunn Second Church, 113 attending.

Your director attended the pastors and Associational Officers Evangelistic Clinic in the Erwin First Church February 6. The Associational Executive Committee Meetings, July 3, April 3, August 27, October 2, Training Union Regional Tournament, Oxford and served on Nominating Committee for Regional Training Union Officers.

The Associational Training Union joins other associational organizations in support of the 1963 emphasis "WORLD MISSIONS".

20. Brother Edwin Young made the report on Social Service and Civic Righteousness which was approved as recorded below:

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS REPORT

We are constantly engaged in social and civic responsibilities. In the home, the school, the church and the political arena we have an opportunity to introduce Christian righteousness. Our "Sunday piousity" is tested by our "Monday philosophy". It is one thing to be seen in prayer in God's house and quite another thing to be unseen while painting under the hidden eaves of a stranger's house. This year a moral question confronted the voters in one area of our Association. We lost the "battle for ballots" but won the victory! Christians within our fellowships (many for the first time) courageously, conscientiously disregarded monetary pressures and sought the Master's way. When this is done, "defeat can serve as well as victory to swell the soul and let the glory out."

We must supply the leadership if our community, indeed, if our nation is to survive the bewildering process of secularization. His witness demands heralding in every phase of life! May we present "no uncertain sound."

H. Edwin Young

21. Brother J. C. Thomas, accompanied by Mrs. Hubbard at the piano, led the association in the singing of a hymn.

22. The moderator recognized Brother R. Lewis Beal for his report on retirement. Brother Beal's report was approved as follows:

ANNUITY BOARD REPORT

You will be interested to note that $2,879,816.21 was paid in benefits during 1961. This went to approximately 4,500 retiree's and relief for 826 aged ministers and widows.

Total membership in all plans of the Annuity Board was 23,214 on January 1, 1962. In 1961, 1,808 new members were enlisted in the Protection Plan and 789 churches were enrolled. At the end of the year, 64% of the churches in the Convention were participating in the Board's program. Of this number, 43% were paying total dues for both church and pastor.

In their April meeting, the Executive Committee of the Annuity Board voted to waive the penalty for delayed participation in the SBPP for those who join before January 1, 1963. This action was made possible because of the continuous increase in the number of churches and pastors who have joined the Plan in recent months. At the end of the first quarter of this year, some 67% of all churches in the Convention were enrolled.

According to the Protection Plan Certificate, a person must join within a year after he begins denominational service or after his 25th birthday, whichever is later. For each year he delays joining the plan, his widow and disability benefits are reduced. Now, because of the trustee's action, anyone joining the Protection Plan before January 1, 1963 will have the penalty removed.

The Annuity Board now has 14 field men working in 21 state Conventions. Guy Cain, field representative for N. C. has his office in the State Convention Headquarters, 301 Hillsboro Street, Raleigh.

23. The moderator called on Brother Joe Bennett to give directions to the Swann's Station Church where the association would have its session for the second day. The moderator also thanked the Chalybeate Springs Church for their hospitality, food and fellowship to the messengers for the first-day session.

24. Brother Gentry was recognized by the moderator at which time he announced the report from the Policy Committee would somewhat effect the CONSTITUTION of the Association. Brother Walter Gentry then called attention to the report from the Policy Committee in the "Book of Advanced Reports" and asked that everyone read it before the following day when it would be voted on. (This announcement was in accord with the constitutional requirement that advance notice be given before an amendment to the constitution is brought before the Association.)

25. In the absence of Edward Johnson to make his report on Christian literature, the moderator called attention to the written report in the "Book of Advanced Reports" and approved the report on Christian literature as follows:

CHRISTIAN LITERATURE REPORT

In this ever demanding twentieth century we, as Christians, find ourselves in competition with almost every worldly affair. All too often we compromise with the world. We find time to read the daily news, to keep up with world affairs and local events. Good books and magazines we too find time to read and enjoy. All too often God's Word is left unread, and no time is allowed for God to speak to us through His blessed Word. Of course the greatest literature ever written is the Word of God, "For the prophecy came not in old time by the will of man, but holy men of God spake as they were moved by the Holy Spirit." The Bible is to be studied and not just read. Every word has its proper meaning, place and purpose in God's plan for the salvation of man and for his equipment for service in the building of God's Kingdom. All other Christian literature finds its basic in the holy word of God.

God's first institution was the home where the future citizens of the Kingdom of God are produced and receive their basic training. So the HOME LIFE magazine put out by the Sunday School Board is of vital importance in building a Christian home. It has a department for each age group.

The COMMISSION magazine gives us information on our Foreign Mission work around the world, edited in Richmond, Virginia.

Then we have our HOME MISSIONS magazine which gives us information about our Home Mission work in this and neighboring countries.

The CHARITY AND CHILDREN, published at Thomasville, gives us information about our child care institutions. It is published by the children as a part of their educational program.

The BIBLICAL RECORDER is published at Raleigh. It has between seventy-five and one hundred thousand subscribers. It has information about our baptist work and Christianity in general.

There are many other publications that are worthy, but time will not permit mention of all of them. Write to our Sunday School Board for other information. An informed Baptist is one who takes advantage of these sources of information, one who knows the facts and then can understand how best to serve the Lord.

The Bible says, "My people perish for lack of Knowledge." Let's be an informed Baptist.

26. Brother Marse Grant, Editor for the Biblical Recorder, spoke on Christian literature and stated some very interesting facts about the Biblical Recorder.

27. The moderator called attention to the floral arrangement in the church which was given by Mrs. B. R. Currin in memory of Brother D. H. Senter who was moderator of the Little River Association from 1908-1911. The moderator also announced dedication services to Brother J. A. Campbell which were to be held at Campbell College on Friday, November 2, at 2:30 p.m. The meeting was then adjourned for the day.

28. The session for the second day opened at 9:15 a.m., October 31, 1962, in the Swann's Station Baptist Church with Brother A. E. Lynch, accompanied by Mrs. Hubbard, leading the association in the singing of a hymn. Rev. Joe Bennett welcomed the Association to Swann's Station Church, made several announcements concerning the convenience of the messengers, and led in scripture reading and prayer. The moderator responded to the welcome and thanked Brother Bennett and his people for their invitation.

29. The clerk was recognized and he called for those churches that had not previously answered roll call, announced those churches from which he had not received a church letter, the churches from which names of messengers had not been sent, and those who had not furnished the name of their appointed representative for the Associational Executive Committee.

30. The moderator appointed the following committees:

Program Committee: Tom Freeman (Chairman), Julius Holloway, John Bunn and Lewis Beal

Resolutions Committee Chairman: Julian Motley

31. Brother Walter F. Gentry gave a report on evangelism which was adopted as indicated below. Brother Tom Freeman spoke to the report.

EVANGELISM REPORT

Someone has said, "Two things make our age unique. It is the age of total revolution, and it is the age of terrible urgency."

If this is a total revolution, then it means that we will sweep the entire world in its onslaught. This certainly provokes a terrible urgency. This is not another crisis. The world has had numbers of these. This is total revolution, and it can only be met with any degree of success with total dedication, on our part, to our Lord and Saviour, Jesus Christ.

The past is behind us and the future is before us. What can we do in a practical way to meet this present threat? Evangelism offers us a commendable contribution through our local church, our association, and our Convention.

WE ARE SUGGESTING THAT WE PROMOTE THE FOLLOWING PROGRAM IN OUR CHURCHES:

1. Our associational clinic on evangelism will be held March 12, 4-9 p.m., at the Dunn First Baptist Church. All pastors and associational officers should attend, along with the teachers and officers of all church organizations.

2. Soul-Winning Commitment Day, January 6, 1963. We must train soul-winners by using "The Guide for Training Christian Witnesses" - pastor's edition - (which will be mailed free to every pastor on November 15, 1962, by the Training Union Department). Also, "Learning to Witness" to be ordered along with Sunday School quarterlies from the Sunday School Board, Nashville, Tennessee.

3. In January, it will be worthwhile to start your three months of cultative witnessing, training our people to

witness for Christ in preparation for our Baptist Jubilee Revivals in March and April.

4. February 11-13, 1963, State-wide Evangelistic Conference, Greensboro. Every church would do well to consider sending its pastor to this spiritually refreshing conference. Lay people should attend too.

5. February is Transfer Church Membership Month. The non-resident church membership problem should have special attention at this time to be followed with perennial efforts.

6. July 2-4, 1963, Convention-wide Evangelistic Conference, Dallas, Texas. Many people are praying and planning for this to be the greatest conference on evangelism ever held among Southern Baptist.

7. March and April, 1964, World-wide Baptist Jubilee Revival. The date for our association is March 8-22, 1964.

8. All things point up the need for full commital to Christ in His redemptive purpose NOW.... Nothing less than this will be enough. In fact nothing less than this has ever been enough.

32. In the absence of Brother Alton Stephenson, the moderator called attention to the report on Brotherhood as it appeared in the "Book of Advanced Reports" and approved it as follows:

BROTHERHOOD REPORT

The Brotherhood Motto is "A MILLION MEN FOR CHRIST". I am encouraged by the progress made in our Association this year. As this report is being prepared we still have one more meeting left. If our attendance holds out in this one as well as it has in the others we believe we have had our most successful year, not only in attendance but also spiritually. In our meetings we have used our men on the programs and they have done a wonderful job. I believe one of the most heartening facts is the number of pastors attending these meetings. They have shown a great interest in our work.

I am very happy to report that three new Brotherhoods have been started in our Association this year. They are: Bethel, Dunn Second and Holly Springs.

I would like to take this opportunity to thank our Brotherhood Officers for their time and patience in planning all our programs. May I also thank each one that had a part in our work.

WHAT ARE WE STRIVING FOR?

All men of all the churches in all the work for Christ. This is the challenge, this is the purpose, this is the supreme objective of all brotherhood work. God speed the the day when this major objective of the organization may be fully realized for the Master.

33. The moderator made several comments concerning Wake Forest College and introduced Dr. Hollingsworth to speak further about the college.

34. The American Bible Society report was given by Bro. Leonard Rosser. The report was approved as follows:

REPORT ON THE AMERICAN BIBLE SOCIETY

The American Bible Society was established in 1816 to serve the churches as their agency for the translation, publication and distribution of the Bible. Because the American Bible Society serves mission work at home and abroad, the society is an active partner of Southern Baptists. Our missionaries depend on the society for scriptures they need in the various languages. For example, let us look at the highlights of the work of the society in 1961:

They distributed over 24,000,000 scripture volumes in over 100 countries on 6 continents.

Realized a sharp increase in scripture distribution in Cuba and the Congo, an evidence of great demand for the Bible in these areas.

Gave almost a million scripture volumes for distribution by Chaplains to the Armed Forces.

Expanded its distribution of scriptures to persons of special needs--namely, refugees, hurricane and flood victims, hospital patients, prisoners, and migrant workers.

At the end of 1961 some part of the Bible had been published in 1181 languages; the full Bible in 226, a Testament in 281 more, and a Gospel or other complete book in 674 more.

Therefore in appreciation for what this great Society is doing in the spirit of Christian missions, we Baptists should support it with generous gifts. In 1961, the churches in the United States gave $1,065,649 of which Southern Baptists gave $164,342, 15.4% of the total given by churches. However, the disturbing fact is that only 23% of the support received by the society comes from the churches, leaving 77% to come from other sources. Let us urge all of our churches to give something to this worthy cause each year. Let us resolve to send our contributions right away to our Baptist headquarters in Raleigh and designate our gifts "FOR THE AMERICAN BIBLE SOCIETY."

35. Brother Tom Greene reported on the Cooperative Program and his report was approved as follows:

REPORT ON COOPERATIVE PROGRAM INCREASE FOR CHRISTIAN EDUCATION ADVANCE

Hundreds of churches across North Carolina have increased their Cooperative Program giving by 35% over what they gave last year through the Cooperative Program.

On July 24, Cooperative Program giving was 11.24% ahead of the same week in 1961. This is one of the largest increases in Cooperative World Mission giving in the history of the Convention. God is blessing your efforts a great deal in this campaign.

WILL YOU DO THE FOUR FOLLOWING THINGS?

1. Will you let the people of your church vote on increasing your Cooperative Program giving by 35% over what you are giving this year?

2. Will you pray daily that God will call forth laborers into his harvest?

3. Will you pray daily that God will lay upon the hearts of the people of your church to give more through the Cooperative Program so that more may be won to Christ and trained?

4. Will you pray daily that the other churches of our Association will increase their Cooperative Program giving?

Will you pray daily that God will send forth laborers into His harvest, pray daily that God will lay upon the hearts of your people to give more through the Cooperative Program, pray daily that the churches in our association will give through the Cooperative Program what God would have given, and will let your church vote on increasing its Cooperative Program giving by 35% above what you are giving this year.

ALL OF US WORKING, GIVING, PRAYING FOR ALL OF THE WORK OF CHRIST IN ALL OF THE WORLD.

36. Brother J. C. Thomas, accompanied at the piano by Mrs. Hubbard, led the association in the singing of a hymn.

37. Dr. Donald Keyser presented a report on Christian education to the association and the report was adopted

as follows. Dr. Keyser introduced Brother Ben Fisher to speak on Christian education. Brother Fisher is the Executive Secretary for the Council on Christian Education.

CHRISTIAN EDUCATION REPORT

In the year 1765, prior to the founding of any of our present Baptist institutions of higher learning in the South, Samuel Harriss held a series of evangelistic services in Orange County, Virginia. According to Robert Baylor Semple, an early Virginia Baptist historian, Harriss upon leaving the county "advised some (in whom he discovered talents)to commence the exercise of their gifts and to hold meetings among themselves.... The converts took his advice and began to hold meetings every Sabbath, and almost every night in the week, taking a tobacco house for their meeting-house. After proceeding in this way for some time they applied to Mr. David Thomas, who lived somewhere north of the Rappahamock, to come and preach for them, and teach them the ways of God more perfectly. He came, but in his preaching expressed some disapprobation of the preaching of such weak and illiterate persons. They took umbrage, and resolved to send once more for Mr. Harriss."

The above quotation vividly expresses the conflict in Baptist thinking concerning higher education in general and ministerial education in particular. In the presence of such conflict most our colleges were conceived and were given birth. With regret it must be reported that some were still-born. With sorrow it must also be reported that others died in their infancy. With mingled emotions we have watched others die, not quite sure whether we should rejoice over a completed task well done or weep over the passing of an institution still in its prime. We rejoice that still others have changed from one glory to another as has our own institution, Campbell College.

It would seem obvious that we can never take for granted that any one of our institutions had the unquestioned right to a continued, status-quo existence. Constantly each must re-examine its raison-detre.

As each institution makes such a study it should always keep in mind the dominant motives for the founding of Baptist colleges during the most formative days of Southern Baptists higher education between the years 1830 and 1860. While some of those motives may not have particular relevance for us today, I call your attention to two which do:

1. The training of young men for pastoral and missionary service.

In an 1882 issue of the Wake Forest Student, Samuel Wait, first president of Wake Forest College, wrote: "...the point which, as regards its importance outweighed all others, (concerning the founding of Wake Forest College) was the proper training of our young brethren designed of God for the ministry."

2. The training of youth for citizenship.

In 1841 the Mississippi Baptist Convention declared: "Now upon their own principles (the principle of self-government), the Baptists ought to be the most virtuous and the most intelligent people on the earth.... We cannot regenerate them (youth)--this is the work of God--but we can make them intelligent and respectable members of society."

Respectively submitted
Donald Keyser

38. The moderator called on Bill Stone to introduce the young ladies with the Campbell College Trio. They were Patsy Yates, Louise Wilson, Martha Pascall and Jackie Knowles, accompanist.

39. Brother A. R. Burkot expressed gratitude for the privilege of serving as moderator of the Association for the past two years and thanked the messengers and officers for their support. Brother Burkot also announced that due to another very important commitment he would not be with the Association for the afternoon session and that the vice-moderator, H. Paul Strickland, would take charge.

40. The Doctrinal Sermon was preached by Reverend Joseph Wray.

41. Reverend Joe Bennett made announcements concerning the noon meal and the meeting adjourned--meeting in the basement where Brother Bennett gave thanks for the meal.

42. The afternoon session convened at 1:15 p.m., with Brother A. E. Lynch at the piano, Brother H. C. Upchurch leading the music and the messengers singing a hymn. The devotional period was led by Dr. John Bunn.

43. Brother H. Paul Strickland, vice-moderator, expressed appreciation to Swann's Station, Baptist Chapel and Broadway Churches for their joining together and providing the association with such a fine meal. He also announced that Brother Charles Stafford was in the Highsmith Hospital in Fayetteville and instructed the clerk to send him a card from the association.

44. The moderator called for reports from various committees. Reports were approved as indicated below:

Time, Place and Preacher: (Don Bowen presenting)

1. First Day--Buie's Creek Church
2. Second Day--Dunn First Church
3. Missionary Sermon--Gene Akins; Warren May, Alternate
4. Doctrinal Sermon--Julian Motley; Joe Bennett, Alternate

Nominating Committee: (Julian Motley presenting)

Nominations as appear elsewhere in the minutes were presented. The moderator asked if there were other nominations from the floor and there being none the motion was made that the presented nominees be elected and that all vacant offices be filled by the Executive Committee at a later date. Such motion was duly seconded and carried.

Policy Committee: (Walter Gentry presenting)

A report on description of duties for associational officers and committees was made. The report was approved in three sections--general officers and associational missionary; associational officers; and committees. The motion for adoption of this report provided that articles 8, 9, and 10 of the Constitution would be superseded by and replaced by this report. Several questions were raised from the floor concerning the report and were answered by the moderator as follows: (i) The time committees will take charge after being elected was indicated as being the day following the close of the annual associational meeting, (ii) Whether or not section heads would nominate officers for their respective groups was answered to the effect that section heads would make their recommendations to the nominating committee and this committee would give due consideration to their recommended nominees. (iii) The committee previously known as the Admission of New Churches is changed to Membership Committee. The committee previously known as the Presbytery and Pulpit Committee is changed to Ordination Committee.

(The entire report of the Policy Committee is entered as articles 8, 9, and 10 of the Constitution; therefore, in order to conserve space, it is not duplicated here.)

Resolutions: (Julian Motley presenting)

Whereas God has reconciled us to Himself through the love and saving work of His Son, our Savior and Lord, Jesus Christ;

Whereas God has appointed us ambassadors of this redemptive love in a world social order, which labors under the heavy yoke of spiritual enslavement to sin,

Whereas every equipment necessary to the fulfillment of our task is assured in Christ's commission,

Whereas God has given evidence of His faithfulness in His abundant provision that "we having all sufficiency in all things may abound unto every good work",

And, whereas God personally and in sovereign grace is always redemptively and triumphantly at work in the world through His people, among whom we all rejoice to stand;

Be it resolved;

That we acknowledge with deep humility and thanksgiving the lordship of Christ, who is "Head over all things to the church",

That we affirm with renewed faith God's sovereign purpose of world redemption as our essential task,

That we accordingly commit ourselves as members of His Body to faithful and obedient response to the inner command of His Spirit,

And, that we uphold one another within our divine fellowship through mutual love and believing prayer.

Furthermore:

Whereas Campbell College, so impressively represented in these sessions, has now become a senior college, Be it resolved that we commend her strong leaders for their valiant effort and significant achievement, and that we pledge to them our fervent prayers and meaningful support.

Whereas Dean A. R. Burkot has again so loyally and effectively served our association as moderator,

Be it resolved that we extend to him on behalf of all our churches profound gratitude for his leadership.

And, Whereas, our host congregations, the Chalybeate Springs and Swan Station Churches, have so graciously and generously entertained these sessions of our association,

Be it resolved that we hereby express to these sister congregations our deep appreciation for the abundance of their love and hospitality.

Home Building: (H. Paul Strickland)

Reverend Everett Marion spoke to this report and challenged each member of the association to supporting the drive for funds for building the Associational Missionary home. Bro. Marion indicated that Associational Pastors had jointly pledged $100.00 for this cause.

REPORT OF MISSIONARY HOME BUILDING COMMITTEE

The members of the Home Building Committee have had several meetings during the year making plans for a suitable home for our missionary to be built on the lot belonging to the Association, located in Buie's Creek, N. C.

The committee has agreed upon plans which it feels will meet the present and future needs of the Association. These plans include a home consisting of 3 bedrooms, 2 baths, living room, and a combination kitchen and family room, together with adequate office space and carport. The committee is of the opinion, the proposed building will cost approximately $25,000.00. On August 27, 1962, the Executive Committee of our Association met and approved these plans.

Several churches of our association have already made a worthy contribution to this cause and the amount on hand in this fund is approximately fifteen hundred ($1500.00) dollars. The committee requests each church to make a special effort to raise an amount equal to $1.00 for each church member, which plan has already been approved by our association.

The committee feels it would not be wise to try to begin the building until one-half of the amount necessary to complete the project is in the hands of our treasurer. We also feel with the full co-operation of all the churches of our association, this goal may be reached without a hardship on any group or individual.

45. Mrs. H. M. O'Quinn was recognized to make the report on Woman's Missionary Union. The report was approved as follows:

WOMAN'S MISSIONARY UNION ANNUAL REPORT TO LITTLE RIVER ASSOCIATION 1961-1962

The WMU Watchword for this year 1961-62 is "That Thy way may be known upon earth, Thy saving health among all nations." Psalm 67:2. This has been a great challenge to the women and young people to promote missions in our local churches, in the association, and throughout the world through our witnessing, our praying, and our giving.

We had 23 churches in the association with organized WMU work at the beginning of the year. On April 19th, 1962, a WMS was organized at Bethel Baptist Church, giving us a total of 24 at close of year.

Nine churches have a full-graded WMU. They are: Angier Antioch, Buie's Creek, Chalybeate Springs, Dunn First, Erwin First, Hillmon Grove, Lillington and Piney Grove. We have 119 organizations with a membership of 1908.

The highlight of the year was an Associational Prayer Retreat held at Lillington Church on July 23rd. A 3 hour program was scheduled for the morning from 9:00-12:00. A similar program was given that night. Also a 75-day prayer period was observed by the WMU from July 18-Sept. 30. This was in preparation for our 75th Anniversary Celebration which we will be observing from Oct. 1, 1962 to Sept. 30, 1963. The GA will be observing their 50th Anniversary that year.

The Associational WMU Leadership Conference was held at Antioch Church on Nov. 7, 1961, with 126 officers attending. On Feb. 17, 1962, the Associational YWA banquet was held at Buie's Creek with 56 present. Dr. Emily Lansdale, professor at Southeastern Seminary, was guest speaker. The Associational GA Rally was held May 11, 1962 at the Coats Church with 262 present. The annual WMU meeting was held on March 19, 1962, at Neill's Creek Church with 210 present. Miss Deloris Hamrick, State Sunbeam Director, and Mrs. Colon L. Godwin, missionary to Ghana, Africa, were guest speakers.

46. In the absence of Mrs. Donald Bowen, Reverend Donald Bowen was recognized to make the report on World Missions. The report was approved as indicated below. Rev. Bowen introduced Dr. L. C. Smith who is a missionary to Nigeria. Dr. Smith spoke about his work on this mission field and how his contact with the natives in his work at the hospital led many of them to accept Christ.

WORLD MISSIONS REPORT

The Baptist Jubilee Advance Emphasis for 1963 is World Missions. The theme for the year is, "Sharing Christ With the World." What are we doing here in the Little River Association toward carrying out this emphasis?

If we look at our own association for just a moment, we will find that 363 professions of faith in Christ as Savior were made during this past year. We rejoice over each of these, but could not more have been won if each of us had been more faithful in telling others about our Savior?

But this is not all that is involved in associational missions. For one it may mean loading his car with those who could not otherwise attend church, while for another it might mean a Vacation Bible School in some neglected area. Whatever may be our emphasis we well know that our associational program will progress only as we as individuals are willing to give of our time and energies to share Christ with all those in our world--including Harnett County.

As we look from our own association to the work on a state wide level we again see people--people involved in the vital business of sharing the gospel of Jesus Christ. These people may teach at Fruitland Bible Institute, work among people of other races, preach to the deaf, or fill one of the many other places of responsibility with our State Convention. Across our state there are 65 associational missionaries in 80 associations working together to embrace our state with the glorious gospel. However, our individual churches must not leave the burden to these workers alone. Our churches must catch something of the needs and go forth to establish new work where it is needed.

On every side we are hearing the words, "America is one of the greatest mission fields in the world today." If we were perfectly honest with ourselves we might well agree that this is the truth. There are nearly 180,000,000 people in our country today, only 60% of whom are affiliated with any religious group. Within this 60% we find Jews, Buddhists, Unitarians, and many others. What a picture of a people in need of the gospel!

We want to know what is being done here in our country to share Christ with this other 40%. The answer comes that the Home Mission Board has 1,950 home missionaries laboring daily to help meet these needs. Of this number 1,107 are working with the different language groups--Spanish, Indian, French, Chinese, Japanese, Italian, Russian.

Korean, Portuguese and Czechs, along with the work done with the deaf, migrants and Negroes.

The Home Mission Board through its Department of Evangelism is making a real contribution toward sharing Christ here in our own land. Pioneer Missions is an effort to establish new churches and programs in the states where Southern Baptist work has recently begun. Cooperative Missions is a joint effort of the Home Mission Board, state conventions, and sometimes associations in winning people to Christ. These, along with the emphasis of the 30,000 Movement, are working together to share Christ in the area served by the Home Mission Board.

But we find that World Missions reaches beyond local boundaries to the uttermost parts of our world. To the millions beyond our own country we have 1,563 missionaries appointed to 51 different countries. But we cannot help but feel "What are they among so many?" These 1500 have to spread themselves so thin because the job is so great. Some serve as preachers, teachers, nurses, doctors, agronomists, technicians, publishers, and many other things. In spite of their limited number these few are doing their best to share Christ beyond the borders of our own country.

Yet, there still remain tremendous needs and obligations. Our missionaries plead for 751 more missionaries to meet the immediate needs. Will we as Southern Baptists respond? Will the people of the Little River Association have a real part in supplying part of this 751? The answer lies within you and me.

"World Missions." May we truly come to the place where we see missions in that perspective. It is so easy to fail to see beyond our own doorsteps while more than one half of our world still goes without knowledge of Christ. Let me close my report by using the words of Dr. Baker James Cauthen in his report to the Southern Baptist Convention last year. We may apply these words to all our mission endeavors, from our local association to the uttermost parts.

> There is a growing conviction in our hearts that we must experience advance not only in terms of numbers of missionaries, financial support, places of work, and equipment for service, but in depth of spiritual power...We must let the tide of God's power come into our hearts. We must yield ourselves afresh to Him, so that our lives may be purified, our wills surrendered, and all that we have laid at the feet of the Lord Jesus Christ...Let us remember that this must begin where each of us lives. It is not enough to give our money to send our sons and daughters. We must so give to God that spiritual power shall be manifested and the world may see in our personal lives, in our churches, in our country, and in our attitudes toward one another, not us but Christ.

If we could come to the point of doing this I believe that we would do a more effective job of "sharing Christ with our world".

7. The moderator, Reverend R. Lewis Beal, gave the Executive Committee Report which was adopted as follows:

EXECUTIVE COMMITTEE REPORT

Your Executive Committee has met four times during the past year. Attendance has been exceptional with a number of our churches being represented by their Pastor and Elected Representative. A very favorable climate throughout these meetings has indicated evidence of the harmonious relationship of all churches cooperating in the Little River Association. An increased attendance at these meetings has also been an accurate register of a growing interest in our work together.

At each of these times reports were called for from the Sunday School, Training Union, W. M. U. and Brotherhood organizations. These reports gave indications as to where we had been and where we needed to go from here. An up to date report from our Treasurer was given at each quarterly meeting. In our last meeting we were disturbed to hear that our contributions to date were running approximately $2500 short of the budget but also were encouraged with two more weeks of the Associational Year ahead yet to be reported.

Special committees such as the Missionary Home, Nominating, Finance, etc., offered reports of encouragement and made pleas for help as needed.

The meetings of this past year have been sparked with active discussion, moving with the objective of accomplishing a goal, and usually adjourning within the designated hours time.

Your continued interest through your prayers, Spiritual development, and financial support is the greatest request your Committee has to make.

Respectfully submitted
R. Lewis Beal

9. Reverend Tom Freeman made a motion that Mr. Bazemore be permitted to speak prior to the Associational Missionary due to other commitments of Mr. Bazemore which required him to leave momentarily. Such motion was carried.

10. The moderator asked for the report on Christian Literature which was given by Reverend E. Weldon Johnson and was adopted as recorded below. Mr. C. W. Bazemore spoke to this report.

REPORT ON CHRISTIAN LITERATURE

Among Baptist people it would seem that a reminder to read Christian literature would be unnecessary. Our denomination has been in the forefront of publishing reading matter for all of our people, from youngest to the oldest. We publish our *Biblical Recorder*, *Charity and Children*, *Home Life*, *The Commission*, *Home Missions*, specialized devotional and organizational materials, not to mention quarterlies and monthlies of lesson and program materials.

Perhaps the reason we do not turn to our purlications more is because we do not turn to our Bibles more. Someone said not long ago that our American people are more ripe for sects and heresies than ever before because we do not know what is truth as our Bible reveals it to us. "My people perish for lack of knowledge." This statement is still relevant. The Bible should always come first in our reading schedule. Far too many people put the daily paper first.

Most people spend quite a bit of time in reading, but the materials read range from entertaining to harmful in far too many cases, even in the lives of Christians.

Baptist must read the things that count, for we believe in personal responsibility. Personal responsibility can only be properly assumed by those who are informed. Our periodicals are of tremendous value here.

Let us never forget the value of books. Emerson said in his work "In Praise of Books," "Never read any book that is not a year old." I could not agree with him absolutely, but I do say that we seriously neglect the reading of everlasting books. Read books, provide books in the libraries that will help the people.

Emily Dickenson wrote a verse in a poem called "A Book" which has a message for us.

"There is no frigate like a book
To take us lands away,
Nor any coursers like a page
Of prancing poetry.
This traverse may the poorest take
Without oppress of toll:
How frugal is the chariot
That bears the human soul!"

Among Paul's last words to Timothy from prison were, "Bring the books." All people who love our Lord must love books and papers of Christian writings.

E. Weldon Johnson

11. Reverend Julius Holloway, Associational Missionary, presented his report which was adopted as recorded below. Reverend Holloway also spoke on Stewardship Development. This report is also recorded below immediately following the Associational Missionary report.

REPORT OF ASSOCIATIONAL MISSIONARY

It is hard to give a report of the Associational Missionary. Actually the report of all the organizations and committees is a part of the work of the Missionary as well as the report of the churches.

The Missionary is constantly on call answering and finding answers to many questions, helping with mission projects and studies; helping locate preachers and making investigations about them; helping ordain deacons; finding and enlisting workers; helping plan training schools and classes in the Association and in the churches; meeting with hundreds of church and Associational committees; helping each organization plan and carry out its work; attending state planning and training meetings an average of one a month, working with state convention personnel, other associational missionaries helping in their schools of missions, speaking to pastors conferences, teaching in deacon schools; helping make surveys, planning prayer weeks and mission study weeks.

The missionary is taken into utmost confidence; and told of many of the problems and difficulties of the churches in hopes of helping find solutions; which cannot be made public information.

The above, and many more things too numerous to mention, never get into print. And I suppose for this reason, a few people still ask really what do you do, and say you must have a good time going from church to church. When actually that is the hardest part, not being able to support your own church and its organizations.

Here are some of the things you have done through your missionary: Visits made in all the churches on request for different purposes 175 times at least 2 times in each church whether requested or not; showed 50 films and filmstrips; spoke in 10 prayer meetings; supplied pulpit 35 times; taught sunday school 5 times; taught 6 study courses; spoke 4 times to ordain deacons; helped in 6 funerals; one school of missions in Robenson Association; had 2003 individual conferences, 65 group conferences, 85 committee meetings, spoke to Brotherhoods 3 times; devotionals at shirt factory 4 times; groundbreaking services 3; worked in 3 vacation bible schools; attended 11 meetings outside the association and mailed cards and letters and bulletins by the hundreds.

What we do in our association and our churches, to a great extent, determines our outreach and what we do for the world. Thank you for your prayers, support, suggestions and remarks.

On October 6, 1963, Dunn First Church started a mission Sunday School. For the present they are meeting in the "Dunn Youth Center" house on West Broad Street. Attendance is growing. A six acre track of land has been given for a building cite by Mr. Walter H. Adams, a member of the first church. The first church has also set up one thousand dollars on a building fund. The name of the mission is Westfield Baptist Mission, Dunn, N. C.

Erwin First Church will start a mission the first Sunday in November. The Brotherhood of the Erwin First Church made a survey which revealed over 100 families unsaved or unaffiliated with a church. The meeting place will be a brick store building owned by Mr. R. A. Duncan and given as long as needed or until a permanent building can be built. It is located on old Dunn-Erwin Highway near Black River. The name of the mission will be Black River Baptist Mission, Erwin, N. C. Property on which to build a permanent building has been offered by Mr. Coy Lucas across the highway in front of the present meeting place.

Julius Holloway

THE COOPERATIVE PROGRAM

The Cooperative Program helps us to see a total world missions program. Through this means our churches are able to present a united front and to develop a unified approach.

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world ministry committed to them by Christ in the Great Commission. With gifts through the Cooperative Program the individual Baptist and the individual church member shares in the denomination's program of witnessing, teaching, healing and preaching at home and to the ends

The Cooperative Program is the love of God in action, the hands of Christ at work.

The individual Christian worships with tithes and offerings in his local church. The church plans a budget and decides what portion shall be given to all denominational causes through the Cooperative Program.

Contributions from the churches through the Cooperative Program for all causes are sent to the Convention office in Raleigh. Southern Baptist convention causes share the southwide part of the Cooperative Program dollar (presently the Cooperative Program is being divided 34% for southwide causes and 66% for state causes) in accordance with the wishes of the messengers from the churches to the annual State Convention meeting.

North Carolina Baptist Convention causes share in the Cooperative Program dollar in accordance with the decision of the messengers from the churches at the annual State Convention meeting.

By decision of the Special Convention in Greensboro our churches are urged to increase their giving through the Cooperative Program by at least 35%. By the same action the basic Cooperative Program of the Convention is limited to an increase of 5% through next year. Receipts beyond the basic budget for the Convention make up an advanced section of the Cooperative Program and is allocated for expansion and capital improvement in the program of Higher Christian Education through our Seven Baptist Colleges (85% for colleges, 15% for student centers).

STEWARDSHIP DEVELOPMENT

Now available to our people in North Carolina, and the Southern Baptist Convention, are two programs specifically designed to give Missionary Baptist Churches "know how" in reaching their tithe potential, thus participating admirably in the great world mission program of Southern Baptist.

These programs are THE FORWARD PROGRAM OF CHURCH FINANCE and GROWTH IN CHRISTIAN STEWARDSHIP (the "small church program" - for churches with up to 300 members).

During the past associational year 1962-1963, churches in Little River Association gave a total of $60,500.93 through the Cooperative Program. 6 churches, according to available records, did not contribute to the World Program of Jesus through the Cooperative Program.

In the year ahead, above all things, let us determine to be faithful to the guidance of God's Spirit and share with a lost world to the limit of our ability.

RECOMMENDATIONS

1. We recommend that our churches focus attention upon world missions using four Wednesdays in October (or some other month) as Cooperative Program Emphasis month. Southwide periodicals, the Biblical Recorder, and material provided by the Division of Stewardship Promotion, Baptist State Convention, supply a rich field for program building in the local church. Thus our people are challenged to pray for all mission causes.

2. We recommend that every church in the association give prayerful consideration to increasing the percentage now being given to missions through the Cooperative program.

Respectfully submitted
Division of Stewardship Promotion
O. J. Hagler, Director

12. The moderator recognized Reverend Gene Akins for the Sunday School Report and the report was adopted as shown below. Reverend Akins also made mention of the Pastor-Led Sunday School Enlargement Campaign planned for the association and mentioned the need for church census in conjunction therewith. Mr. Paul Kesterson of the Baptist State Convention Sunday School Department spoke to the Sunday School report.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School is an agency of the church. Although the movement started outside the church when in 1780 Robert Raikes in Gloucester, England, paid women to teach children reading, writing, and arithmetic on Sundays, it now belongs to the church. It is the Bible teaching arm of the church.

The Sunday School assists the church in fulfilling its most important functions: worship, proclamation, education, and ministry. It does this in carrying out the following basic tasks: reach all prospects for the church, teach the Biblical revelation, lead all church members to worship and witness daily, provide opportunities for the personal ministries of the church, provide organization and leadership for special projects of the church, and to interpret information regarding the work of the church and denomination.

Dr. A. V. Washburn, southwide secretary of our Sunday Schools, says: "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the teaching of the Bible, the winning of the lost, and all the development that should come out of it."

Our theme for 1963-64 is "Outreach for the Unreached--Spearhead for Evangelism." In reaching out for the unreached we urge each Sunday School to have an enlargement campaign. Our association, through its Executive Committee, has voted to participate in a Sunday School Pastor-led Enlargement Campaign the week of January 27-31, 1964. Each church is urged to complete its own plans to participate in this valuable week. Our state Sunday School Department will aid all participating churches during this week. To gain the benefits of this week, each church should: (1) Vote to have this enlargement campaign, (2) Clear the week of January 27-31, 1964, in the church calender of all other events, (3) Secure the needed information for the enlargement campaign, by an up-to-date survey or census of the church community (many churches will do this through the Church and Community Survey--taking the census part of it on November 10 & 17, and then processing the information the week of November 18-22, 1963).

Each Sunday School should observe January Week of Bible Study, plan a church and mission Vacation Bible School, promote Operation Home Study and other related projects of the Church Study Course, make possible its workers attending the assemblies at Caswell, Fruitland, and Ridgecrest. In this year of evangelism, each teacher and officer should win at least one person to Jesus Christ.

All churches are asked to cooperate with the associational Sunday School program. Attend limited number of meetings that are scheduled. Become acquainted with the goals for 1963-64. Let us work together in such a way that all might come to know Jesus Christ as Lord and Saviour.

13. Mrs. E. H. Bethune was recognized by the moderator for the Training Union Report. Mrs. Bethune gave testimony of her experience with the training union. Reverend Don Bowen introduced Reverend Floyd Enzor of Piney Grove Baptist Church and Mr. Robert Lane of Oak Grove Baptist Church and these two also gave testimony as to their fine experiences with training union in their respective churches. The training union report was approved as follows:

ASSOCIATIONAL TRAINING UNION REPORT

The present generation of untrained adults should be reached now! The lack of enlistment of adults in the churches means tragedy to their lives and immeasurable loss to the cause of Christ.

Adult resources claim recognition: Adults have valuable assets of knowledge and experience and they are used to heavy responsibilities. Their specialized abilities are richly rewarding to a church.

Adults are needed to work with the youth and children in the church. They represent prestige and authority for good. Indifference and neglect of influence are disastrous. More and more, adults are becoming "enthusiasts" for the learning experiences afforded in Adult Unions. "Training in Christian service" is more than a generalized ideal. The Training Union trains adults to perform the functions of a church in worship, proclamation, education and ministry.

Adults essential to progress--A church must enlist adults to succeed. They are the human key to opportunity in the church. The Holy Spirit will provide the power for the task. Christ made his appeal to adults. He challenged men to faith and dicipleship. The early churches were made up of adults seeking adults. "Believers were the more added to the Lord, multitudes both of men and women." (Acts 5:14). Adults are still the source of strength in winning the battle for faith and righteousness.

Adults crusade in progress: Southern Baptist are now engaging in an extensive crusade through the Training Union Department to reach 100,000 additional adults for Christian training and service.

The enlistment of more adults in Training Union means the more adults will become better qualified to serve as leaders, deacons, church committee members, and workers in the various organizations.

We have two new Training Unions this year. Piney Grove and Oak Grove. Both are providing a blessing to their churches. The following Mass Meetings and Conferences were held during the year.

1. Training-planning Meeting, 6 present--State Officer leading.
2. Associational Executive Board Meeting, North Clinton Avenue Church, 5 present
3. Officers and Leaders Conference, East Erwin Church, Featuring a Model Training Union. Pastors & Directors & Associational Missionary present with 79 in attendance.

Our December "M" Night at Antioch Church with 547 attending including Little "M" this has been observed two years now and is quite successful. Bud Spencer, Missionary to Okinawa, was our guest speaker and he brought a thrilling message on missions. Training Union Executive Meeting met at Rawls church with 4 in attendance. April--Tournament Night at Piney Grove with 72 present. Youth Night was held in Erwin First Church. A two hour study course (Associational Officers leading) held at Antioch Church. Associational study course methods was taught at Chalybeate in September with Rawls, Chalybeate and Piney Grove Churches, Training Union Associational Officers leading. Youth meeting I attending with the Youth Director a Youth Rally at Boone Baptist Church--20 of our youth attending.

14. The moderator called for the Report on Homes for the Aging which was given by Reverend H. C. Upchurch and which was adopted as recorded below. Mr. William A. "Bill" Poole spoke to the report.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

God has blessed the ministry of our North Carolina Baptist Homes in a wonderful manner during the twelve years of our operation, and the past year has been filled with His goodness.

We are now able to serve 160 residents in our four Baptist Homes - the Hayes Home and Resthaven in Winston-Salem, the Albermarle Home, at Albermarle, and the Hamilton Home, at Hamilton.

In June of 1962, the doors of the lovely new Hamilton Home were opened to the first residents, and the halls have been ringing with the laughter and the happiness of the residents there since. This beautiful facility has greatly lengthened and strengthened the arm of our total ministry, and has already brought much joy to our Baptist people in Eastern North Carolina. We are looking forward to the day in the future when the arm of compassion can be extended to reach and serve more of our aging people in Western North Carolina.

The greatest single need is for more space continually. Today there are 160 people waiting for admission, from all areas of our great state, and it is a heart-breaking experience to keep these dear people waiting who so urgently need to come.

The average age among our residents is 80. Our youngest resident is 65, and our oldest resident will be 102 in July. Between this age span, we are seeking to meet almost every conceivable life need of the individual. Each person, in an atmosphere that is distinctly Christian, is surrounded by love, peace, and security. Perhaps one of the greatest single contributions that is made is the nursing care that is given in the event of illness. The resident is assured that he will receive tender loving care in sickness as well as in health. Years are literally added to the life of a person in our care, we feel.

The tie with our Baptist people and our Baptist Churches is a blessed one indeed. We are continually dependent upon the prayers, the visits, the loving concern, and the financial support of our people. The two most vital media of support from the churches are the Special Day Offerings, received on the third Sunday of February each year, and the Homes' share in the Cooperative Program. Inasmuch as we receive only 1 3/10% of the State Convention's share of the Cooperative Program, or $7.92 out of each $1,000 contributed through the Cooperative Program, we shall have to continue to look to the Special Day Offerings for the greater part of our support from the churches.

North Carolina Baptists have given a good account of their stewardship in their ministry to the aging during these years of a wonderful beginning, and we have the faith to believe that they will continue to move forward in this great area of human concern.

16. Reverend Sam F. Hudson was recognized by the moderator for the Report on Baptist Children's Homes. Mr. Vernon S. Sparrow spoke to the report. Reverend Hudson's report was adopted as follows:

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES 1963

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance--the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, good, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love and care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing Relatives, pastors, friends of dependent children, departments of public welfare and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	16 Per Cent
All Other	21 Per Cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of Charity and Children can be enjoyed each week during the year for only sixty cents. See that your church receives it.

REPORT ON BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

You and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all areas of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item in our church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

Perhaps a personal word concerning the gifts from our association is in order. Twenty-four of the thirty-two churches in our association gave to this needy cause this year. The gifts were $512.92 less than the amount given last year. With the needs mounting each year and the cost of hospitalization rising, surely our churches will want to rally to help these receive medical help who otherwise could not receive it. Remember the Baptist Hospital this year on Mother's Day.

22. The moderator called on Reverend Warren H. May for a Report on Ministers' Retirement. Mr. Guy Cain was scheduled to speak to the report but had not arrived. The report was adopted as follows:

MINISTERS RETIREMENT

As we look at the Little River Association from the standpoint of the Southern Baptist Protection plan, we are surprised to find that there has not been very much progress made. Out of thirty-four churches in the association, there are only twelve churches participating in the program. There are seven churches which pay the entire 10%. Of the twelve churches, five are smaller ones and the rest are larger ones. There are two others in the program, the Associational Missionary and the minister of education of the First Church in Dunn.

There is a great need for informing the other churches in the association of this program. In many of the smaller churches, we find our younger ministers who need to be in this program. As we consider the total program of the Kingdom's work, I believe there is an advantage to the church which joins in this program. By entering their minister in this, a church does a great deal towards helping their pastor become a more useful man for Christ. It also gives the church a new concept to the total program of the church of Jesus Christ.

May we in the coming year endeavor to enlist every church in our association in this phase of our work.

23. Mrs. H. M. O'Quinn was called on by the moderator for the Report of the Woman's Missionary Union and her report was adopted as follows:

REPORT OF WOMAN'S MISSIONARY UNION

As we come to the close of this Associational year 1962-1963 we have many things for which to be thankful. We feel that much has been accomplished and we thank God that he has given us the privilege of having a little part in these accomplishments.

There are 32 churches in the Association and 26 of these have organized Woman's Missionary Union Organizations. Two of these were organized this year. The Antioch Mission WMS was organized February 7, 1963, and the Duncan WMS was organized June 24, 1963.

Woman's Missionary Union celebrated this year their 75th anniversary. Six Anniversary Goals were set up by the Southwide WMU Office as a standard for each association to strive to attain. Little River attained five of these goals. Sixteen Anniversary goals were set up for each local WMU to strive for. Recognition was given to each WMU attaining twelve or more of these goals. Those receiving recognition were: Antioch with 14 goals attained, Dunn First with 12 goals, and Hillmon Grove with 12 goals. Several other churches came very close reaching as many as 12 goals.

Girls Auxiliary celebrated their 50th anniversary this year. Many of the groups have done some very outstanding work during the year. High anniversary goals were set and they worked hard to reach them.

The Associational Leadership Conference for 1962-1963 was held October 11, 1962, at Buies Creek Church with 124 attending. February 14, 1963, the YWA Banquet was held at Chalybeate Springs with 29 present. The 50th Anniversary

GA Banquet was held at Angier February 16, 1963, with 306 present. Mrs. Eunice Smith, Missionary to Africa, was guest speaker. The Annual WMU Meeting was held at Lillington, March 18, 1963, with 217 present. Mrs. Smith was our missionary speaker at this meeting also.

An Associational Leadership Course for all local WMU, YWA, GA, and Sunbeam Leaders was taught in Lillington, March 25th and 26th and also on April 1st and 2nd. This was a 7½ hour course and upon completion the leaders received their cards of accrediation. There were 47 enrolled in this course.

The year 1962-1963 has been designated as "A year of prayer for World Missions". Among the world's population there are two billion people who have not experienced God's love. They live on every continent and in every nation. May we as Christians dedicate ourselves anew to the glorious task of helping to win those who are lost. It is a marvelous thought that "My money and prayers can stretch around the world and bring salvation to the lost because God is working in me." "Laborers together with God" (1 Cor. 3:9) "That the world through Him might be saved" (John 3:17).

24. The moderator asked for any special announcements and received announcements as follows:

a. Reverend Julius Holloway suggested that those not yet registered should register before leaving today. He also recommended that everyone carry their book of reports with them tomorrow when the association will meet with the Dunn First Church.

b. Reverend Walter F. Gentry announced that the Time, Place and Preacher Committee was open for volunteers for both place and preacher for the next annual session.

25. Brother Harold Smith led the congregation in the singing of a hymn.

26. The moderator noted the arrival of Mr. Guy Cain and recognized him to speak on the Ministers' Retirement Program.

27. Brother J. C. Thomas expressed his appreciation to Mrs. F. C. Hubbard and Mrs. Byrd for their accompaniment on the piano and organ during this session. Mr. and Mrs. Thomas sang a duet.

28. The moderator called for a Report on World Missions which was presented by Mrs. D. B. Andrews and was adopted as recorded below. Dr. Cockburn spoke to the report.

REPORT ON WORLD MISSIONS

The year 1963 has been designated World Missions Year, during which we have sought to bring to our people a new World Awareness. We have become more than ever conscious that the field is the World - and have become concerned "That the world through Him might be saved." All of this points to the year of Jubilee, or the 150th anniversary of the founding of the Triennial Convention in Philadelphia.

In our own association last year 7249 resident church members gave to missions a total of $96,978 which is a little more than 20% of the total receipts for all purposes. These 7249 church members led to Christ 381 persons.

During the 30,000 movement 675 missions and churches have been established throughout our state. These have provided places of worship where there was no Baptist witness, and we are grateful for them--but we are appalled by the fact that there are 2,000,000 unchurched people in North Carolina. Surely many of us whose names are on the church rolls have not been found faithful in trying to win the lost to Christ. Evangelism is the most important business on earth.

Our state mission work enables us to witness to people from many foreign lands who are living temporarily in our midst. Some are connected with the military and some are in our schools. All are potential witnesses as they return to their homes.

Through the ministry of Jerry Potter and his associated the 5,000 deaf people in North Carolina are privileged to hear the gospel. Jesus told the disciples of John to go and tell John that the deaf hear, as it was prophesied in in Isaiah.

Southern Baptist mission forces reported approximately 5000 missions and churches started in 1962, making a total of 19,117 units started since the 30,000 movement began.

The Division of Evangelism which led Southern Baptist to baptize 381,510 persons during the year, is leading the Convention toward the climatic year of the Baptist Jubilee Advance under the theme "Spiritual Conquest, NOW."

Home Mission Magazine joined The Commission in making a special offer for 1963. Both magazines are being sold for two years for $3.00. The offer, secured by writing The Commission, Box 6597, Richmond, Va. - 23230, extends only through 1963, which is World Mission year in the Jubilee Advance.

Dr. Baker James Cauthen says, and I quote: "Statistical figures can never tell the story of missionary labor, they can only give a rough idea of some of the visible evidences which have come about. They can never tell the stories of the deep dedication, patience, forbearance, and long-suffering which characterize God's servants as they meet the realities of mission ministries in many lands. We now have around 1800 missionaries serving in 53 foreign lands. Their work is in the fields of education, medicine, or publication, but always evangelization is the ultimate goal. To maintain this work in 1962, Southern Baptist contributed $19,673,232.93. Of this amount, $10,323,591.69 came from the Lottie Moon Offering.

During March, April and May, the New Life Movement carried on in a special way evangelistic efforts in the Orient. Thousands of souls were won to Christ in Japan, the Philippines and on Okinawa. Dr. Cauthen says of the experience, "Power was there!"

Three thousand young people from 51 countries gathered in Bierut, Lebanon in July for the Sixth Baptist Youth Conference. Under the leadership of Miss Sara Ann Hobbs, our state Y. W. A. director, a group of our youth and their leaders from North Carolina attended this very significant meeting.

All of us are aware of the tensions which prevail in race relations in our land. Many, however, are not aware of how greatly these tensions affect our work on the mission fields. In recent months missionaries have repeatedly called attention to the bearing of racial disturbances upon their witness. One able servant of God wrote, "As far as I know, nothing has ever occurred to so tarnish the image of America." May we have God's guidance in meeting a troubled situation!

We rejoice that in our own association we have some of God's choicest young people who are even now preparing for lives of service on the foreign field. Those who go from our midst link us inseparably with our work around the world.

Let us undergird them with out prayers as they make preparation, and assure them of our loving concern that His Kingdon may come and His will be done in all the earth.

29. The moderator expressed appreciation on behalf of the association to Buies Creek, Pleasant Memory, and Oak Grove for their joint preparation and fine meal for the association. The meeting adjourned for today at 3:15.

30. The meeting for the second day opened at 9:30 a.m., in the Dunn First Church, with Brother J. C. Thomas leading the congregation in the singing of a hymn. Reverend Gerald Riggs led in scripture reading and prayer.

31. The Report on Baptist Foundation was presented by the moderator, Reverend Lewis Beal, and the report was adopted as recorded below. Reverend Beal also spoke to the report.

REPORT OF THE N, C. BAPTIST FOUNDATION, INC.

Since July, 1962, the N. C. Baptist Foundation has established an office in the Baptist Building with a full-time

Executive Secretary, C. Gordon Maddrey, and secretarial help. This is the first time in the history of the Foundation that it has engaged in full-time emphasis. The activities of the Executive Secretary have been varied. He has helped in carrying the message of the services offered by the Foundation to as many associations as possible; into as many churches as possible; and to as many individuals as he has had the opportunity.

On June 30, 1962, it was reported that the assets of the Foundation amounted to $303,186.66. The assets of the Foundation as of June 30, 1963, were $324,256.39. Since the close of the business year in June, 1962, the Foundation has technically in its control, two estates of approximately $440,000. The estate of T. F. Pettus is in the neighborhood of $110,000. Both of these estates are in the hands of the trustees of the estates and for all practical purposes they will be turned over to the Foundation in the very near future. These two estates will push our assets to over $870,000. The Baptist Foundation has emphasized the fact over and over again that it exists to serve ALL Baptist. Those who have relatively small amounts of money, personal property or other real assets, will find the Foundation is just as anxious to serve them as it is to serve the larger estates. It is a fundamental belief of the Directors of the Foundation that the Foundation carries out its reason for existence as completely as possible.

32. The moderator called on Brother W. C. Stone to give the Report on American Bible Society. Mr. Stone also spoke to the report which was adopted as follows:

REPORT ON AMERICAN BIBLE SOCIETY

The Bible, as no other book, is the worlds book. Some part of it has been translated into over 1,180 Languages. Through it - its message and Lord--lies the one hope of the world. But most of the world does not yet possess it. It must be translated and distributed widely immediately. Some one must make this the first business in life.

The American Bible Society was founded in 1816. It is one of the oldest missionary societies in America. More than 36 denominations are represented on its advisory council.

The American Bible Society's concern is to get the Bible into the hands of those who do not have it, and to do so in a way that will secure interest and receptive minds.

Its principle processes are:

1. Translation. It has been translated into more than 1,180 languages.
2. Publication. Its publication last year reached a record high of 31,523,455 copies.
3. Distribution. Its distribution is carried on through its own staff and dedicated distributors, such as, Christian workers, pastors, evangelists, and missionaries throughout the world. Many thousand copies are given away and other thousands are sold at very low prices. In 127 years of service to the blind the society has distributed approximately 835,000 copies of embossed scriptures and talking book records in more than 42 different languages.
4. Promotion. As we all know an unused Bible is of no value. Therefore the society promotes a world-wide reading program from Thanksgiving to Christmas, including observance of Universal Bible Sunday. But I think the responsibility rests mainly on us as Christians and Southern Baptist to encourage Bible Study in our homes and churches, that people might be convicted of sin and become Christians. We read in Psa. 119:11 "Thy word have I hid in mine heart that I might not sin against thee." And in verse 105, "Thy word is a lamp unto my feet and a light unto my path." And in 1 John 1:7 "But if we walk in the light, as he is in the light, we have fellowship one with another and the blood of His son Jesus Christ cleanseth us from all sin."

The Society's offices are:

World Headquarters
450 Park Avenue
New York 22, New York

Also, Latin America
Near East
Africa
Asia

The Society is at work in 107 countries. Last year it assumed responsibility in 40 additional countries. Many people today are without the Bible. The Society is trying to meet this need. It must have our help.

In 1962 churches in U.S. gave $1,191,233. Of this Southern Baptist gave $158,206. The Methodist gave $206,580.

People in mission lands around the world--and missionaries who serve them--look to Southern Baptist Churches for continued and increased support for providing the word of God for every man in his own language.

Has your church given this year? Send your contribution to Baptist State office marked "for the American Bible Society."

Awaiting the arrival of other persons to continue the meeting in the scheduled order, Reverend Tom Freeman, host pastor, was recognized and he welcomed the association to his church and gave instructions concerning the noon meal. Reverend E. Weldon Johnson was recognized and offered commendation to Brother H. Paul Strickland for his assistance to the moderator. There was a standing ovation of the association in witness to their appreciation to Brother Strickland.

34. Reverend Julius Holloway announced the organization of the Westfield Baptist Mission sponsored by the Dunn First Church. At Brother Holloway's suggestion, Reverend Tom Freeman spoke to the association about this new mission.

35. In absence of Dr. John Bunn, the moderator accepted a motion that the Report on Christian Education be adopted as it appeared in the "Book of Advanced Reports". Reverend Freeman spoke to the report which was adopted as recorded

below. Dr. Percivel Perry from Wake Forest College was recognized to speak on the new proposal for electing trustees at the college.

REPORT ON CHRISTIAN EDUCATION

Significant leadership for human advance in the twentieth century is being produced by the higher educational systems of this nation. Such a fact leads to an inevitable conclusion--it is sheer folly to provide less than the best in the educational processes. This is especially true of the church-related school which forcefully fuses together highest academic and spiritual motivations to educate the whole person. Much current higher education is confronted with an expanding curse of religious mediocrity and intellectual superiority. This demands rectification. If such a trend is not reversed by the leaven of Christian colleges and universities, the result will be a society that worships at the alter of relentless secularism. We must address ourselves without delay and with a singleness of purpose to changing the current trend.

In face of the present situation, however, one ponders the outcome. Storm clouds are arising on the horizon of Christian Education. A most disturbing factor is revealed in a comparative study of enrollment and support in Baptist colleges. In 1962 there was an increase of 517 graduates from Southern Baptist colleges with a decrease in financial support of $162,419. This trend is marked in North Carolina. Our schools have sustained an almost alarming decrease in appropriations while maintaining a marked increase of enrollment. The advent of the state-supported community college complex in North Carolina heightens the plight of our schools. The problem of recruiting and retaining dedicated and proficient instructors is increasingly more difficult to solve. The competitive nature of the state-supported schools with its tax-dollar financing hits hard at the financial security of the smaller independent church-related college.

Student enrollment demands upon our Baptist colleges are greater than ever. The peak demand will come in 1970. If we are to meet the challenge of the seventies, we must prepare now and in the late sixties. Both school and denomination must live up to their responsibilities. It is no longer a question of whether or not a school can be decidely Christian. Some must! It is not a question of whether or not our denomination can afford the overwhelming financial load. It must!

Needless to say this is a crisis age. As Christians, institutions, and as a denomination, we must set ourselves without stint to the task of conquering the minds and spirits of future generations through Christian Education. We can afford to live up to our responsibilities far better than we can afford a generation whose minds swell with knowledge yet whose spirits are stunted and dwarfed. Man without God is less than half a man. A man whose intellect is nourished and whose spirit is impoverished is not educated. We must assert now our firm conviction that education directed toward mind and spirit should not perish. Not only must we affirm our conviction, but we must with concerted action unselfishly give ourselves, our time and material possessions to the cause of Christian Education.

36. Brother J. C. Thomas led the congregation in singing a hymn.

37. The moderator called for reports from the following committees which reports were approved as recorded.

Nominations: Reverend Walter F. Gentry read all nominees names and office to which nominated and made a motion for their election as nominated. The moderator called for further nominations from the floor and there being none, all officers were elected in the aggregate.

Finance: Reverend Donald Bowen offered the Report of the Budget Committee for adoption. The report was adopted as follows:

BUDGET COMMITTEE REPORT 1963-1964

The Budget Committee of the Little River Association recommends the following:

1. That our churches give their whole-hearted support to the budget for this coming year since this will be the first year that we will not be depending upon the Baptist State Convention for assistance. The recommended budget of $8000.00 is a challenge to us, but yet a very realistic figure. If each church will share its part of the load we can meet this budget in the year ahead.

2. That the following budget be adopted:

Jubilee Advance: Reverend Donald Bowen called attention to the fact that the Jubilee Convention would be at Atlantic City next May and recommended that all churches make arrangements to send their pastors and perhaps their wives.

Home Building: Brother H. Paul Strickland presented his report which was adopted as follows:

REPORT OF THE MISSIONARY HOME BUILDING COMMITTEE

The treasurers report indicates that we now have $3,755.87 in this fund. Last year at this time, we had $1,541.06 in this fund. The treasurer's report further indicates that 16 churches in our association and the pastors of the association have contributed $3,614.58 and that the interest on this amount in the sum of $141.29 makes up the total for this fund as indicated above. There appears to be 16 churches in our association who have not contributed anything to this fund, and there are several others who have contributed only a part of the amount which has been requested of them.

In the report of this committee for the year ending September 30, 1962, it is disclosed that the committee recommended a home, which was to include an office space for the missionary, that would cost approximately $25,000.00. The committee in their report last year expressed the opinion that it would not be wise to begin the actual construction of the home until one-half of the suggested cost is in the hands of the treasurer. This goal has not yet been reached.

The committee urges all of the churches in our association who have not contributed to this fund in the amount of $1.00 for each member of their church, to make a special effort to reach this goal so that this project may be carried forward according to plans.

Resolutions: Reverend A. Howard Beard requested postponement of his report on resolutions until the afternoon session. Postponement was granted.

38. Miscellaneous business session was declared by the moderator:

a. A motion was passed investing the nominating committee with the authority to elect any and all officers to fill the vacancies not filled at this associational meeting.

c. By an approved motion, the miscellaneous session was further extended for three additional minutes to permit Reverend E. Weldon Johnson to speak also on Christian Education matters.

39. The moderator recognized Mrs. Berles Johnson for Memorials. Mrs. Johnson called attention to the pre-printed list of our beloved dead; which list appears elsewhere in the minutes, and made comments in respect and memory of our beloved dead. Accompanied at the piano by Mrs. Gladys Woodall and with all heads bowed to present a most prayerful attitude, Mrs. Helen Mathews sang a solo of prayer.

b. Reverend Tom Freeman and Dr. Perry formed a two-party panel before the association to answer questions from the floor relative to the proposal; and

c. By approved motion from the floor, Dr. Perry was recognized for further statements on the issue.

45. The moderator called for a report on Social Services and Civic Righteousness. The report was presented by and spoken to by Brother Mac. M. Jernigan and the report was adopted as follows:

REPORT ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

A comprehensive report on the subject assigned is prohibitive at this time on account of the vastness of material, the scope of its character, and the time it would consume. However, in the short time that we have for this report, I would like to call attention to, and alert our people to some of the problems as I see them, that urgently need our attention. I am sure it is the goal and desire of every church in the Little River Association to participate in, and advance our social services throughout their church community and beyond. If we accept the challenge given us as Christians, that "We are our brothers keeper," that "We are the salt of the earth" and that "We are the light of the world" then this should compel every professing Christian to examine himself and see if he is living up to the high standard to which he has been called. Every Christian should recognize his great responsibility of setting exemplary patterns for the non-Christian to follow. May we ask ourselves if our every-day life and actions reflect credit on our church and the cause of Christ whom we profess to follow. Are we as helpful to our fellowman as we should be? Do we act the part of "The Good Samaritan" when we see our brother in need?

We have all about us:
Poverty in the midst of plenty.
Sickness and disease that should be stamped out.
Broken homes that need our help.
Young pelple that need our guidance and support.
Old people, many in rest homes, that need our love,
sympathy and attention.
Lost people that need to be found.

May God grant us the grace and courage to assume our place in a Christian Society that will be worthy of His name.

Now, to be a little more specific in regard to some of the things that in the forefront of our thinking, I wish to emphasize three things and I shall take them up in the following order:

I. DELINQUENCY: Delinquency is fast coming to be one of our most distressing problems. Please notice that I did not say JUVENILE DELINQUENCY either. Outside pressures, demands, the seeking for thrills, excitement and entertainment, with utter disregard for others rights, on the part of the young and old, have become so prevalent that homelife, for the average family, has become almost extinct. The family is never together, all of them, at one time anymore. The parents and children are almost strangers to each other. Parental control, discipline, and guidance is lost. The parents are in a mad rush to keep up with the "Jones". A trip to the tavern, some social club or a cocktail party replaces the attendance at church meetings. The reading of the Bible and the Family Alter are outmoded. "Gunsmoke" and "Bonanza" have taken their place in our homes. This program which has been adopted in many of our American homes has caused the crime rate to be greatly increased in recent years until it has reached alarming proportions. And the end is not yet.

II. ALCOHOL: In our Church Covenant we agree, and I quote, "To abstain from the sale and use of intoxicating drinks as a beverage". In practice, many of our members do not adhere to this portion of our Covenant. Drinking is prevalent and is becoming more alarming among our younger set, in both sexes, each year. Many of us would not, personally, dare sell for monetary gain as a business, beer, wine, or hard liquor, yet we will vote for and sanction its approval and blessings.

In this state we have an organization known as "The Christian Action League" whose purpose is to enlighten the citizens of the state by publishing facts about our drink bill, its cost, consequences, and the ravages of inebriety on society. In a little paper published by them called "Tomorrow" recently appeared an article which attempted to answer this question, "How much did alcoholic beverage cost the State of North Carolina in the year 1962?" I now quote from this article which gives the following figures: 1. Cost of liquor, (whiskey, beer and wine); 2. This state's share of the nation's 24 billion dollar crime bill (Court's estimate of a 75 percent alcoholic relationship in criminal cases); monetary loss from highway accidents (50 per cent of totals chargable to alcohol) (estimates supplied by Association of Casualty and Surety Companies); increase of auto insurance rates due to alcohol related wrecks; and industrial losses from hangover absenteeism. Totals as follows: Cost of liquor and incidentals listed above, $699,779,700.00; revenue from liquor sales, $33,478,825.00. Thus we see that for every $1.00 in revenue collected by the state, the state has to pay out $20.00 which is a ratio of 20 to 1. However, this financial loss is not half as bad as the moral, physical and spiritual losses to our citizens, in broken homes, orphaned children, physical and mental human wreckage.

III. INTERGRATION--CIVIL RIGHTS--RACE RELATIONS: Whatever you choose to call our dilemma at the present time in regard to these related subjects, calls for restraint from forming hasty judgements and should claim our most prayerful consideration. They should be dealt with in a spirit of Christian love and forebearance. It is very easy for us to take the Pharasaical position and thank God that we are not guilty of any injustice to our fellowman. On the contrary, however, we should recognize our own faults and short comings and should seek the guidance of the Holy Spirit in working out a just and proper solution of our race relations so that we may continue to live together in peace and harmony and be helpful to each other and share each others burdens.

46. The moderator recognized Brother Alton Stephenson for a Report on the Brotherhood. The report was adopted as indicated below:

BROTHERHOOD REPORT TO THE ASSOCIATION

Brotherhood leadership in North Carolina has set forth a program which is designed to develop a strong missionary movement of Baptist laymen. They like to think of the Brotherhood as "the missionary arm of the church." A definite program of missionary education for men and boys is underway in the associational and church Brotherhoods. Already, some are engaged in practical missionary activities. These activities involve the enlistment of men and boys already on the church roll, in witnessing to the lost, and giving of their time, talent, and possessions through the church. Activities are a necessary part of the missionary education program for men because men learn more about missions when they are involved in missions. In other words, men learn by doing. Thus, some Brotherhoods are working with the migrant farm laborers, men in prison, and men on probation. At least, some Brotherhoods are serving the deaf people by seeing that the church provides a Sunday School class and worship opportunities for them. The men provide transportation to and from services for the deaf. These are mere samples of missionary activities which men can and are doing in the church community and association.

Last year, several North Carolina laymen shared their witness on the missionary fields of Ohio. These men came back with a new interest in the missionary opportunities of Southern Baptist.

In July, laymen from North Carolina will have opportunity to participate in Baptist Missions in North Dakota, Oregon, Washington, and California. They will join with 1,500 Baptist laymen from all states of the Southern Baptist Convention for the great West Coast Laymen's Crusade.

There will be hope for world evangelization as long as there are men and boys in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in World Missions.

In the past two years there have been six new Brotherhood's formed in our Association. I would like to thank all the people who had a part in the programs and the pastors for their splendid cooperation. I would also like to thank all the men of our Association for their attendance, leadership and time which they gave. We are looking forward to growing more and more in the future in the year of '64.

48. Reverend Walter F. Gentry was recognized by the moderator for a Report on Evangelism which report was approved as recorded below. Brother Gentry also spoke to this report.

ANNUAL ASSOCIATIONAL EVANGELISM REPORT, 1963

As we close the record book upon another associational year, we humbly thank our Heavenly Father for the victories won, and we turn our attention to the task before us.

During the year the churches have reported additions as follows:

By baptism $\boxed{302}$ By letter $\boxed{212}$ Total $\boxed{514}$

There is much to be done as we continue our efforts to get ready for the great endeavor before us in 1964. We, in our strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come only when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out His spirit in power upon His people. Of course this means that revivals are of God but it also means that He uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in evangelism. Plans call for Jubilee Revivals in every Baptist church on the North American Continent.

Southern Baptist's TOP PLANS for 1964 are listed below. We should prayerfully study them and follow them as the Holy Spirit leads.

REPORT OF THE DEPARTMENT OF PROGRAM SERVICES

The department of program services promotes the total Baptist Program through the associations and local churches. It is a department that is primarily public relations; and, it is incorporated in the division of Stewardship Promotion and Editorial Services.

The work of the Department of Program Services may be divided as follows:

I. AUDIO VISUAL AIDS

A. Film Library

During the past year the department has booked more than 10,000 films which is an increase over last year. We are encouraged that more and more churches are making use of our film library facilities. It is interesting to note that the bookings are greater during the weeks of special emphasis; however, the general trend is that the churches are making constant use of these materials in their regular programs. The library has more than 2,200 35mm filmstrips and more than 100 16mm sound motion pictures available on a FREE RENTAL basis for church use. These film titles cover every area of denominational endeavor. A catalogue listing all titles with descriptions is available free upon request.

B. Film Production

The Department continues to produce both 35mm and 16mm films in support of the total Baptist Program for the departments of the General Board. During this year we have produced a 16mm sound motion picture HEARTBEAT OF MISSIONS, pointing up the "oneness" of missions and the importance of cooperation in mission giving. A 35mm filmstrip, COOPERATION IS THE KEY, was produced in behalf of the week of prayer for Associational Missions. The filmstrip shows the many services of the Association through the cooperation of churches.

C. Audio Visual Demonstration Conferences & Clinics

Each year the department, at the request of various associations, plans "one-night-stand" demonstration conferences. These conferences are well attended by pastors and lay-leaders in each association. We have also assisted the various departments in the preparation of non-projected and projected visual aids for special program planning, and sight and sound installations has become of the major service of the department. These services include: enforced sound, closed circuit TV, broadcast equipment, chime systems, visual installations, projection equipment, background projection, non-projected aids, recording facilities, lighting effects, radio loops, and screen installation. More than 50 churches were aided in this manner during the past year.

D. Audio Aids

The past year has seen a tremendous upserge in the use of audio tape recordings. More and more churches are using their recorders to take the service of the church to the handicapped in the community. They are also making use of a greater number of tapes produced by the department to enrich regularly scheduled services. We have produced for the churches of the Convention during the past year more than 150 tape recordings which is a 50% gain over the past year. Black and white still pictures numbering over 500 have been produced by the department for the Convention use.

II. GRAPHIC ARTS

Another service rendered by the department is in the field of graphic arts. This service includes design and production of printed materials, posters, folders, diagrams, streamers, thematic settings, and many other types produced in support of the Baptist program. More than 100 individual productions have been designed during the year. A typical example of the work in this area was the production of the Baptist Manual which is free upon request to all churches. The department also has the responsibility of aiding the departments in presentation of the exhibit presented at each annual Convention.

III. NEWS SERVICE

Another service is the responsibility of news coverage of Baptist work in North Carolina to more than 350 newspapers, radio, and TV Stations. More than 75 articles have been written and used by all the news outlets of our state. May we here express our appreciation for both time and space for Baptist news.

IV. TELEVISION AND RADIO

The department continues to produce the Baptist network series of TV programs "A LIGHT UNTO MY PATH". This program is a mission work of the Convention designed to reach the minority groups in N. C. It features a special ministry to the deaf with Jerry Potter and Neal Payton presenting the Gospel to them in sign language. It also includes reading the bible and a bible lesson. At present this program is carried by a network of six TV stations--Raleigh, Wilmington, Asheville, Greensboro, Charlotte, and Greenville in N. C. and many other stations in other states. We also plan and present a weekly newscast on WRAL-TV. At present the department is preparing a series of bible teaching programs on tape for the air in spring of 1964.

V. OTHER AREAS

This department also shares in schools of missions and other mission messages in many of the churches and associations across the State Convention of North Carolina. Please continue to pray for these ministries as we seek to make Christ better known and served in our great state.

PROCEEDINGS

1. The Eighty-Ninth Annual Session of the Little River Baptist Association opened at 9:30 a.m., October 27, 1964 in the Antioch Baptist Church of Mamers. Brother Douglas Farmer led the association in the singing of "Come, Thou Almighty King." Brother Farmer then led in Scripture reading and prayer. Brother Walter Gentry, host pastor, was recognized by the moderator. Brother Gentry welcomed the association to the Antioch Church.

2. Brother Don Bowen of the Program Committee was recognized by the moderator. Brother Bowen made a motion that the members of the association now present and those later reporting, constitute the eighty-ninth annual session of the Little River Association. The motion carried. The program was adopted.

3. The moderator, Brother R. Lewis Beal, appointed several committees:

NOMINATING COMMITTEE --	Frank Neville, Chairman O. G. Buchanan Tobie Stone
PROGRAM COMMITTEE --	Douglas Farmer, Chairman Gerald Riggs Floyd Enzor
RESOLUTIONS COMMITTEE --	Mrs. H. M. O'Quinn, Chairman Irvin Stevens Charles Stafford
PLACE AND PREACHER COMMITTEE --	Sam Hudson, Chairman Oliver Murphy Paul Bradley

4. The moderator called on Brother Julius Holloway, Associational Missionary, for the purpose of recognizing new pastors in the association. The moderator also recognized those who were visiting at the annual meeting.

5. The moderator gave the Executive Committee Report which was adopted as follows:

EXECUTIVE COMMITTEE'S REPORT

The Little River Baptist Association Executive Committee met four times during the year. Once more the meetings were characterized by excellent attendance, well prepared reports from our Treasurer, Organizational Leaders, and Committee Chairmen. Over all, the attitude expressed in the spontaneous response from our Churches, and their elected representatives, at these Business Sessions have been extremely gratifying.

We have had our moments of grief. Our sympathetic condolences still remain with the family of our former Treasurer Mrs. Virginia Johnson, and with our Clerk who lost his Father during the early Spring.

Two Churches have petitioned your Executive Committee for admission into the Association. They are the Piney Grove Chapel Baptist Church of Angier Route 2, and the Westfield Baptist Church, formerly a mission of the First Baptist Church of

Dunn. Appropriate action will be taken concerning these petitions in this annual meeting. We have also been requested by the First Baptist Church of Dunn and the Spring Branch Baptist Church of Dunn to approve a request for assistance from the N. C. Baptist State Convention, in the amount of $2,500.00 for the Crestview Mission, a joint mission project by the two churches named above.

The Treasurer's Report, revealed only four churches failing to contribute any financial support during the year. This is our first year of cutting away completely from the aid we have received from our N. C. Baptist State Convention. We commend you in coming within $700.00 of meeting our total budget but would chide many of our Churches who have contributed, not because of their eagerness, but simply out of necessity. This will do some of the work that needs to be done, but will fall far short of our total Stewardship unless there is more of a vision and desire to accomplish a great Christian opportunity together.

Two things we would offer as immediate goals:

1. The completion of a House for our Missionary within the very near future.
2. The establishment of an item in our budget of which would aid, and thus encourage, our local churches in the purchase of lots for new mission work.

Continue to pray for your Executive Committee. We need this strength and wisdom and we shall continue to try to serve you wisely as well.

Respectfully Submitted,
R. Lewis Beal

6. The moderator called upon Mr. H.H. Hamilton, Associational Treasurer whose report was adopted as follows:

7. The moderator called upon Brother Douglas Farmer to lead in the hymn "Love Divine."

8. Brother Julius Holloway was recognized by the moderator and presented the report of the Associational Missionary which report was adopted as follows:

REPORT OF ASSOCIATIONAL MISSIONARY

I am truly grateful for the loyal support of the Churches this year. This is the first year in a long time that we have not received State Mission aid from the Baptist State Convention for our Associational Program. We saw no point in asking our Churches to send a State mission offering to Baptist State Convention then turning to the Convention and asking for aid. Many areas of the State Convention need is greater than ours. Give to State Missions yes, but support our own program in Little River. Thank you, so much.

Following are a few things you have done through your Missionary this year: Preached 40 sermons; showed 47 filmstrips and films; spoke in 28 prayer meetings; supplied pulpits 25 times; taught Sunday School lesson 12 times; taught 18 Study Courses; spoke 10 times to ordain deacons; helped in 10 funerals; spoke one week in School of Missions; held one revival; spoke to Brotherhood and RA meetings 5 times; dedication of buildings 3, help to ordain 4 ministers; Devotions at Garmet factory 8, marriages 5; worked in 5 Vacation Bible Schools; conferences with 11 pulpit committees; spoke in 5 prayer retreats; participated in 15 State Convention Conferences; spoke to youth groups 3 times; helped to direct survey and pastor led enlargement campaigns; held 50 group conferences; 60 committee meetings; 4,000 individual conferences.

There have been three missions started this year, Westfield by Dunn First; Black River, by Erwin First; Crestview, Dunn First and Spring Branch. This is a total of five church missions plus four in rest homes. One of the missions, Westfield, was organized into a church and is making application to be recognized as a sister church in Little River Association. Piney Grove Chapel, East of Angier, is alsc making application to be recognized as a sister church in our Association. They are engaged now in a church-wide Training Union Study Course after which they will organize a Training Union.

Ten of our churches have called pastors this year, and two of our missions have pastor's now. The other missions are pastored by the pastor of the mother church or taken care of by missions committee of mother church. New Pastor's: Douglas Willett---East Erwin; Oliver Murphy---Dunn Second; F. S. Alfred---South Erwin; Bobby Barefoot---Westfield; Willard Renn---Black River Mission; O. G. Buchannan---Broadway, Baptist Chapel, Swanns Station; Sam O. Stephenson ---Holly Springs; Charles Stevens---Rawls, Baptist Grove; R. C. Frazier---Piney Grove Chapel.

Ministers ordained this year: Benny Wood, Henry Herring, and Douglas Willett. No pastor at Harmony, Duncan and Gourd Springs.

Southern Baptist will major in the next five years on the following theme: "The Church Fulfilling Its Mission." 1965 "Through Worship," 1966 "Through Proclamation and Witness," 1967 "Through Education," 1968 "Through Ministry," 1969 "Through Evangelism and World Missions." We will join in these emphases each year and urge you to consider them in your local work. We need to take more seriously the mission of the church and how we can best fulfill it. These special themes will help us in this direction.

We are ready to counsel with any of you concerning church or personal matters if you feel we can help. Our Associational officers are also ready to help in any organizations of the churches.

Respectfully Submitted,
Julius Holloway

9. Brother Gerald Riggs, Associational Sunday School Superintendent, was recognized and gave the following report which was adopted. Brother Riggs also called attention to the Vacation Bible School report found elsewhere in these minutes. The Sunday School dates on the Associational Calendar were pointed out by Brother Riggs.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things..."

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrolment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, Stewardship, Missions Discipleship --- all of these wait upon outreach. People must be our concern.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago--locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people---we will experience the glorious opportunity of reaching people for Bible Study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of adult church members not enrolled in Sunday School, to participate in the Associational Sunday School projects--clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphasis at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in the association reported a total enrolment in 1964 of 9779 as compared with 8354 in 1963.

Respectfully Submitted,
Gerald K. Riggs

10. Brother Don Bowen, Training Union of the Association, was recognized for the Training Union report. A motion was made and seconded that the report be adopted. The motion carried. Brother Bowen made comments concerning the Training Union work in the Association pointing out the four phases of the T. U. Tournament Work as follows: (1) Junior Memory Work, (2) Intermediate Sword Drill, (3) Young People's Speaker's Drill, and (4) Adult Bible Reading. The report is as follows:

TRAINING UNION REPORT

These are exciting days for the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through our Training Unions. Under our new director we are looking forward to a great year in Training Union in the Little River Association.

Our year got off to a good start with the observance of "M" Night at the Angier Baptist Church. Some 576 people from across our association filled the church to hear the presentation of the year's emphases and an inspirational message by Rev. Don Austin of Greensboro, N. C.

Tournament night was observed at the First Baptist Church in Erwin in March. We continued to have a good representation from a few of the churches in the Junior Memory Work Tournament. We failed again this year to have participants in the Intermediate Sword Drill, and just a few participants in the Young People Speaker's Tournament and the Adult Bible Reading. Some of our Junior participants went on to become State winners later on in the summer.

One of the highlights of our year was the Associational Youth Night at the

Chalybeate Springs Baptist Church. Our young people planned and carried out what some consider to be one of our finest Youth Night Programs. Inspirational speaker for the occasion was Mr. Walter Anderson of the S. B. I.

We now have 22 Training Unions in the Association. There are still several of our churches that do not have Training Unions. Their darkened windows on Sunday evenings testify to a neglect of training among our people. As we face the days before us may I encourage a renewed emphasis in the training programs of our church. I thank you for this opportunity for serving this past year. I encourage your prayerful support for our new director and her plans for the coming year.

Don Bowen

11. The Clerk, Brother Emory Holden, was called upon for the roll call of the churches. There were twenty-nine (29) churches answering the roll call. The Clerk asked that those churches which had not sent in letters to please bring them forward. There were four such churches.

12. The moderator recognized Brother Irvin Stephens for the report on the Baptist Homes for the Aging. A motion made, seconded, and carried that the report be adopted. Brother William Poole, Superintendent for the Homes for the Aging, was recognized and spoke to the association concerning the work of the Homes for the Aging. The report is as follows

REPORT ON BAPTIST HOMES FOR THE AGING

Our Baptist Homes have just completed their 13th year of operation. God has blessed these brief years with an abundance of His love and with the good things of life. We have come from one resident and one building, since March 1961, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries from aging persons who are sick, for whom we cannot care because of the lack of bed patient space. We must give an answer to these good people and begin now making plans for a nursing facility that will be large enough to receive some of these who are sick, or invalids, at admission.

The choicest bit of news for 1964 is the development of a 5th Baptist Home, to be located in Yanceyville, N. C. This will enable us to be able to care for 30 additional residents. The Home at Yanceyville is the greatest single bequest that has ever been left for us in our ministry. Enough land at Yanceyville and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister Mrs. Sallie Willie Graves Bradsher, to build and equip the home there. Even so, we will still need to look to our Baptist people for the maintenance of this Home and for assistance in supplementing needy residents who will live there through the years.

North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our four Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albermarle Home and Hamilton Home. This support comes through the Special Day Offering, received in churches on the third Sunday in February each year, through designated gifts from church budgets, and through the Home's share in the Cooperative Program. These needy residents could not possibly be with us if it were not for the gifts from our 3400 Baptist churches. There was a 5% decline in gifts to the Homes during 1963.

Life among the residents is most interesting and filled with a variety of experiences. The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. Some are doing creative writing, others sewing, gardening, teaching, painting, and living a good life in general. All are praying for a world and its needs. All are expressing thanksgiving to God for the people called "Baptists," and for the happiness and security for the Homes that our Baptist people are helping to make possible for them.

There is nothing to prevent our receiving any needy aging person, 65 years old and above, who is reasonably well, mentally and physically, except lack of space. Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these people as possible.

13. Brother Douglas Farmer led the congregation in the singing of "My Faith Looks Up To Thee" after which the moderator recognized Brother Tobie Stone for the report on the Baptist Children's Home. The report was adopted and Brother Roger Williams, pastor of the Mill's Home Church, spoke to the report.

REPORT OF THE BAPTIST CHILDREN'S HOME

Matthew 10:42 says, "And whosoever shall give to drink unto one of these little ones a cup of water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward."

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served by the homes. Careful attention is given to their needs both present and future.

Children are accepted as they are when they come to the home. In the Spirit of Christ, they are recognized for their sacred worth and value. They are provided. food, clothing, and shelter. But of greater importance than material things is the genuine interest, concern, and love that are given to them by those dedicated Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again---learn to trust in themselves, in adults, and most important of all, they learn to trust in a living God who loves them and is concerned about all of their problems.

A member of this year's senior class expressed her love for the Homes with these words: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been made which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow, and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

This testimony is just one of the many such testimonies that the staff of the several homes have heard. While these words thrill us, we must be aware of the fact that applications for admissions to the Homes far exceed the available space and resources that are available at this time. Areas of unmet need in our Child-Care Program await our immediate attention, and many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them in and through the Foster-Home Program.

Genuine appreciation is expressed by those who direct our Child-Care Program for all who have helped to make this ministry possible. Income through the Co-operative Program, through the Thanksgiving Offering, and through Special Gifts, are vital to the services which are provided those who need our help. Financial support for the past year came from the following sources:

1. Cooperative Program	36 Per Cent
2. Thanksgiving Offering	30 Per Cent
3. Once-a-Month Offerings	15 Per Cent
4. All Other Sources	19 Per Cent

This year don't fail to ask God to lead you as you give to this most worthy cause. As I sat in the church at Mill's Home and listened to the choir sing and saw the peace of God that was written on the faces of those children, I promised God that I would lead our church, with His help, to do more for this cause than we have ever done before. I trust that you will also vow to God that you will lead your church to see the need of those who are less fortunate than we.

Most North Carolina Baptists are well acquainted with Charity and Children, official publication of the Children's Homes. This unique newspaper is published each week and goes to more than 55,000 subscribers. Well over half the churches in North Carolina receive it in bundles for distribution on Sundays. See that your church receives Charity and Children so that every family may be better informed about the work of North Carolina Baptists in the program of Child Care. The subscription price in bundle form is 60¢ per year.

The motion carried and the changes have been incorporated into the present constitution printed in this volume.

19. Brother Sam Hudson was recognized by the moderator. Brother Hudson asked for help in securing a place for the association to meet next year.

20. Brother Everette Marion was recognized by the moderator for the report on the Baptist Hospital. A motion that the report be adopted was carried. Brother Marion introduced Dr. W. K. McGree of the Baptist Hospital who spoke concerning the work being done in our hospital. The report is as follows:

REPORT ON BAPTIST HOSPITAL

The trustees and administration of our Baptist Hospital have expressed their appreciation for the interest and concern our churches have shown in the ministry of the hospital. In behalf of thousands of our people who cannot pay for the skilled care received at our Medical Center, they express their thanks for our Mother's Day gifts which make it possible.

This is a crucial year in the life of our hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem is that of meeting the cost of caring for those who cannot pay for the service they need. Within our state there are many older people who live on a meager Social Security or Old Age Assistance income, families whose savings and sometimes their ability to earn have been wiped out by long and serious illness, and a great number who cannot rise above the poverty line. All who come must pay for their medical care in so far as they can, but there are great numbers who simply cannot pay the full cost. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program money, which helps to support the Department of Pastoral Care and provide equipment and facilities required in the work of the hospital; but the Mother's Day Fund provided by our churches is the only means the hospital has of bridging a wide gap between the funds available and the cost of caring for those who cannot pay for their medical service.

Our hospital and medical school are beginning a large development program greatly to increase the capacity of our Medical Center to care for our sick people and to train additional doctors, nurses, and other personnel to serve in our communities, on our mission fields, and wherever these trained persons are so badly needed. The people of the Winston-Salem area have expressed their confidence in our Medical Center by pledging more than seven million dollars to this enlargement program. Our great concern is that, when our hospital has increased its capacity to meet our specialized medical needs, will our churches provide the money to take care of those who need these services but cannot pay for them.

This is a heavy burden on those who are responsible for the operation of our hospital. We are confident that if our people are informed of the work and the great need, they will provide the necessary means. We call upon our pastors and other church leaders to lay this upon the hearts of their members. It is a greatly needed and wonderful ministry to which Jesus gave himself without reserve. We who are His followers must not fail those to whom he would minister through us.

H. Everette Marion

21. The moderator recognized brother Mack M. Jernigan for the report on Social Service and Civic Righteousness. The report was adopted as follows:

REPORT ON

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

Social Service and Civic Righteousness is a part of our every day duty as believers and members of the church. In doing less we fail to live up to our high calling. May we re-examine ourselves and determine if we are properly reflecting the gracious love of Jesus Christ in our lives, to those who are non-christian and are looking at the church with a critical eye, to find fault with, and criticize the church. Church members should be very careful, at all times, to not do or say, anything to bring dishonor to the church. On the other hand the church member should endeavor to hold the Church up as "The Light of the World" to guide the wayfaring person to the safe haven in Jesus Christ. This requires much of the Christian, but "To whom much is given, much is required."

SOCIAL SERVICE: Social services, sometimes, are placed along side of, or in the same category with Civic Righteousness, and it would appear to the casual thinker that they are closely related. Still there is a vast difference. I like to think of the Social Services of the church, as the fruits of, or the outgrowth of Civic Righteousness, eg: Our Childrens Homes (Orphanages) that we have established for our children left without parental care and homes; Homes for the Aging, men and women, who are old and have no other place to go; Our Baptist Hospitals so well equipped and ably staffed; Our Baptist Colleges and schools established to educate and train our youth; and many other fine services too numerous to mention but of which we can justifiably take pride. All of these born out of compassion and love for our fellowman.

CIVIC RIGHTEOUSNESS: Righteousness is defined as an attribute of God, Moral Uprighteousness, Justice, Godliness, and Rightness. Thus we see that Civic Righteousness goes further than just Social Services and becomes the "Yard Stick" or the "Plumb Line" of the Christian character. When applied to mankind it denotes the possession of the Christian virtues, faith, hope, and charity (or love) and a conformity of our personality with the divine law.

Therefore, having said this, I hasten to discuss some specific questions that are foremost in our thinking at the present time, as follows:

I - DELINQUENCY: Delinquency is a problem that is concerning many of our people at the present time. Instead of improving, it seems to be getting worse. We have not yet found the answer to this, one of our great national ills. Could it be that our home life is breaking down; or that social and economic pressures are brought to bear on so many of our people that we have forgotten the finer way of living; or that business demands are so great that parents do not have the time to spend with their children? And what about the children in the home, are they kept so busy with the "Social Whirl" or other activities that they miss the finer things that the home has to offer them.

In the News & Observer, October 4, 1964, Blanch Manor, in her colum, CHATTER, included the following poem, entitled:

A GROWN SHEEP WENT ASTRAY

'Twas a sheep, not a lamb, that strayed away,
In the Parable Jesus told----
A grown-up sheep that had gone astray
From the ninety and nine in the fold.
Out on the hillside, out in the cold
'Twas a sheep the Good Shepherd sought;
And back to the flock, safe in the fold,
'Twas a sheep the Good Shepherd brought
And why for the sheep should He earnestly long,
And as earnestly hope and pray?
Because there is danger, if they go wrong,
They will lead the lambs astray,
When the sheep go wrong, it will not be long
Till the lambs are as wrong as they.
And so with the sheep we earnestly plead,
For the sake of the lambs today.
If the Sheep are lost, what a terrible cost
Some lambs will have to pay.

II-ALCOHOL: In discussing this subject may I repeat from my report to this Association made just one year ago? In our Church Covenant we agree, and I quote, "To abstain from the sale and use of intoxicating drinks as a beverage."

The drinking problem, participated in by young and old, men and women, has become one of our most serious in the United States, and is getting worse all the time. About two-thirds of the American people drink, and one-third do not. It is estimated that there are seven million alcoholics and problem drinkers in this country today.

The number of Alcoholics and problem drinkers in the United States is twice the number of students in all colleges, graduate, technical, and professional schools. The number of alcoholics and problem drinkers equals the combined population of Chicago, Detroit, and Philadelphia. Or to put it another way, the number of alcoholics and problem drinkers in the United States, equal the population of Baltimore, Cleveland, Washington, San Francisco, Pittsburg, Cincinnati, Indianapolis, San Antonio, Columbus, Birmingham, Omaha, Richmond, and Syracuse. If the entire population were to be moved out of these cities the vacant dwelling places could be filled up by the alcoholics and problem drinkers in the United States.

I am so sorry to say that liquor has entered the home to such an extent that the bar today is considered, in many homes, as necessary a part of the household equipment as the kitchen stove. Parents claim they want to teach their children how to drink moderately. This is something that cannot be taught. The idea that a person can be taught to handle a habit forming drug such as beverage alcohol is a great mistake. Ten per cent of all persons that take their first drink end up either alcoholics or problem drinkers.

I have said all these things to alert our people to the great danger that confronts our people in serving liquor in their homes. The risk is too great. The cost is too heavy.

III-CIVIL RIGHTS---RACE RELATIONS: The so called Civil Rights Law, so recently enacted by Congress, has now become The Law of the Land. Let us comply with the law as good citizens. Let us also seek a sympathetic understanding of our relationship to our fellowmen, and pray for guidance in this tense time when our relationship with members of other races has become strained. May we reaffirm the Golden Rule as our way of life. And finally may we pray, "Lord give us the grace to solve and overcome any prejudices we may have against our fellowmen." Amen.

22. The WMU Report was given by Mrs. Lewis Beal, Associational WMU President. The report was adopted. Mrs. Beal spoke to the report after which Mrs. O'Quinn presented a certificate congratulating the Associational WMU. The report is as follows:

REPORT OF WOMAN'S MISSIONARY UNION

Last year we had quite a lot of publicity on the WMU 75th Anniversary Celebration. There were six goals set to be attained during the year. Mrs. H. M. O'Quinn, then serving as President, worked very hard on these and at the State WMU Meeting- March 11, 1964 - the Little River WMU was recognized as one among twenty-one Associational WMU's to have attained five out of six of these goals. Our Associational WMU also received a letter of congratulations from Miss Alma Hunt, SBC WMU Executive Secretary, and an award to be framed.

Also at the State Meeting three local societies were recognized as having met these Anniversary requirements. They were: Antioch, Dunn First and Hillmon Grove. Eight GA groups also received recognition from Little River. These were: Angier, 2; Chalybeate Springs--3; Friendship--1; and Hillmon Grove--2.

As we review our work for the year 63 - 64 several highlights come to our minds. Our Associational Workshop for Officers, Committee chairmen and Counselors held October 21, 1963 with the Lillington Baptist Church with eighteen Societies out of twenty-six represented by an attendance between 90 and 100 and four of our associational officers having first attended the State Workshop at Campbell.

The Annual Spring Meeting was held April 20, 1964 with the Kennebec Baptist Church with a record registration of 239 and twenty-three societies represented. Mrs. L. D. Montero, a Cuban Refugee, made this meeting come alive with the mission needs so close by. Her testimony was simple but rang with sincerity and a beautiful faith.

An encouraging growth has been the increase in attendance of the Executive Board quarterly meetings. Increasing from average of five to twelve.

The Associational YWA Banquet was held February 15, 1964 with the Erwin First Church with thirty in attendance. Rev. Douglas Farmer was guest speaker. The Associational GA Rally held at Chalybeate Baptist Church May 8, 1964 with Miss Iris Garcia, Cuban student at Campbell, as guest speaker. About 250 GA's and counselors were in attendance.

The Associational Prayer Retreat, a repeat from the Jubilee celebration, was held July 20, 1964 at Buies Creek Baptist Church. This was jointly sponsored by the Brotherhood and WMU, featuring personal testimonies, prayer and a period of Bible Study led by Dr. Vann Murrell of Campbell College.

The year 1963 - '64 was the Baptist Jubilee Year. Our theme, "For Liberty and Light" was stressed throughout the year in our various meetings. A three point program was introduced: 1. Aim to Advance; 2. Celebrate the Jubilee; and 3. Present Post-Jubilee Program. The Post Jubilee Program begins a five year emphasis on the nature and function of the New Testament Church with yearly emphases as follows:

A Church Fulfilling Its Mission Through:
1964 - '65 --- Worship
1965 - '66 --- Proclamation and Witness

1966-'67--- Education
1967-'68--- Ministry
1968-'69--- Evangelism and World Missions

"Laborers together with God" (1 Cor. 3:9) "O give thanks unto the Lord; call upon his name: make known his deeds among the people" (Psalm 105:1).

23. The association was led in the singing of the hymn "We've A Story To Tell" by Brother Howard Beard.

24. The moderator called for any announcements which should be made.

a. The clerk called the roll again and one church, East Erwin, answered which had not answered before.

b. Brother Gerald Riggs reminded the association that it was to meet with the North Clinton Avenue Church in Dunn for the second day's session and he extended a cordial invitation for all to attend.

c. Brother Sam Hudson again asked for help in securing a place for the association to meet next year.

d. Brother Julius Holloway reminded messengers to bring their book of advanced reports to the second day's session.

e. The moderator thanked the Antioch church for its hospitality. Brother John Senter, vice-moderator, was recognized by the moderator.

f. A question was asked by Brother Howard Beard concerning the night session for next year's associational meeting. A motion was made that for next year on a trial basis for one year that we hold a night session in our association. The motion was made by Brother Don Bowen. Discussion followed. It was voted on and agreed that there be a Tuesday night session and regular Wednesday session next year. Motion carried.

25. Special Music was rendered by the girls' quartet from the Neill's Creek Church. The special, "So Send I You" was dedicated to Mrs. D. B. Andrews by the quartet consisting of Misses Joan Smith, Gail Mangum, Kay Butts, and Brenda Hughes. The quartet was accompanied by Mrs. Loyce Smith.

26. The Report on World Missions was given by Mrs. D. B. Andrews who was recognized by the moderator. A motion that the report be adopted was carried. Mrs. Andrews spoke to the report concerning her recent trip to Africa. Her talk was most inspiring. The report is as follows:

REPORT ON WORLD MISSIONS

The world's population now stands at more than 3 billion and is increasing by 3 every 2 seconds. More than 26 million of the people of the world are Baptists in 120 countries. Southern Baptist Convention members number more than 10 million. Last year baptisms by church related Southern Baptist missions overseas reached an all-time high of 41,147, bringing total church membership to 523,603. The Southern Baptist Convention's 1820 missionaries (as of July 1964) worked alongside 3696 nationals to bring this report to fruition.

The Baptist World Alliance serves as the connecting link between Baptists of the world. It acquaints Baptists with each other, strengthens fellowship, lends encouragement to the hard pressed, channels aid to those in need, seeks to secure conditions in which religious liberty and human rights can thrive, and tries to interpret Baptist convictions. During the year the Baptist World Alliance can report progress in all of these areas. Religious toleration in Spain is now broader than at any time since 1939. The Spanish government is preparing new laws to guarantee religious freedom. Dr. John D. Hughey, Secretary for Europe and the Middle East, reports that not one Protestant chapel in Spain is now closed and that 15 chapels were permitted to open during the first 3 months of 1964. There were also gains in religious liberty in Colombia and other countries. The stand of Baptists throughout their history carries great weight and responsibility.

A record world wide Scripture distribution of more than 34 million copies in 1963 was reported by the American Bible Society at its May meeting. Some parts of the Bible have now been published in 1216 languages and dialects, but there remains well over 1000 which have nothing of the Bible. More than 3000 translators in 130 nations are currently at work translating and revising in more than 500 languages.

There are areas of the world over-fed with Bibles which grow musty in dust, and are thrown away. In Romania and other Eastern countries there are churches who do not possess one Bible. There is a church where the only Bible is chained to the pulpit.

The Baptist World is the only publication in the world which brings news each month about all of the Baptists on earth! Single subscriptions are priced at $1.50 per year. Club rates are lower. Address: The Baptist World, 1628 Sixteenth St., N. W. Washington, D. C. 20009.

The eleventh Baptist World Congress will be held in Miami Beach June 25 - 30, 1965. Dr. John Soren, of Rio de Janeiro, Brazil, president, will preside over the meeting. Dr. Robert S. Denny, associate secretary of the Alliance said that railroad and bus lines have announced special excursion rates for congress delegates. Many from our association will probably attend the sessions.

Speaking to the Baptist Jubilee celebration in May, Dr. Soren asked, "Has it not dawned upon you what might happen to this continent, yes to the entire world, if these 22 million Baptists could work out a God-inspired plan to push out the frontiers of the Lord's kingdom even unto the ends of the earth?" The Baptist leader challenged the 120 countries to regain the dynamic spark that marked the early Christians during the first century.

The Foreign Mission Board of the Southern Baptist Convention, after long and careful consideration, has issued a call for 5,000 missionaries to be placed across the world at the earliest possible moment. Southern Baptists make up one of the largest bodies of people ever to bear the name of our Lord and it is urgent that we share the gospel without delay. People are willing to listen! We have the means of communicating the gospel! Five thousand missionaries will enable many types of work to go on. We must keep in mind that the Lord of the harvest, himself, must thrust out the laborers into the harvest and pray to this end. We may discover that in the closing decades of the twentieth century will be written a story of Christian witness and spiritual victory to the glory of Jesus Christ. It can be done!

The kind of Christian responsibility God expects of us in this century calls for all-out commitment. Money, time, life and effort must be laid on the altar. We must not hesitate to give whatever is required. The day of martyrdom is not over.

Whatever the cost, we must remember that we hold in our hands the very word of life. We must keep in mind that Jesus said, "As the Father hath sent me, even so send I you." We must in individual rededication, take up anew the cross of our Saviour and make known His gospel of redemption wherever man is found.

Respectfully Submitted,
Mrs. D. B. Andrews

27. Moderator Lewis Beal called upon Vice Moderator John A. Senter for the closing prayer.

28. The meeting for the second day opened at 9:30 a.m. in the North Clinton Avenue Church at Dunn with the singing of "O Worship The King" led by Brother Howard Beard. Brother Oliver Murphy of the Second Church of Dunn read the Scripture and led in prayer. Brother Gerald Riggs, host pastor, welcomed the association to the North Clinton Avenue Church.

29. The moderator recognized Brother Frank Neville who gave the report on American Bible Society. Brother Neville discussed the report. The report was adopted as follows:

REPORT ON AMERICAN BIBLE SOCIETY

Statistics tell us that the population of the world is increasing at the rate of 100,000,000 people each year. The majority of these people live in places where they never heard or read of God and His plan of redemption in Jesus Christ our Lord and Saviour. This is tragic and every Christian should share in and realize this tremendous responsibility. We recall Paul's words in Romans 10:14; "...And how shall they believe in him of whom they have not heard."

Since its beginning in 1816 the American Bible Society has dedicated itself to putting the Bible into the hands of people all over the world that they might hear of Jesus Christ and become redeemed by His transforming power. To accomplish this enormous task the Society carries out a four-fold program of translation, Publication, Distribution, and Encouragement of use.

The Society over a period of years has translated the Bible into more than 1,180 languages. This year the largest budget in its history was adopted; $5,860,000. Their goal is to distribute some 51,000.000 Bibles throughout the world. Distribution of Bibles to people in America has been doubled. Bibles are being sent and promoted in 123 overseas countries. Six of these countries are receiving Bibles for the first time. Another aspect of work being carried out is the revision of the old testament into 100 languages and the new testament into 200 languages. To supplement this work of translation, publication, and distribution, the society encourages the use of the Bible. Programs are being sponsored in every one of these countries to aid people in reading, studying, and understanding God's word to mankind. The press, radio, T. V., and printed literature are being used widely in encouraging and helping people in Bible reading and study.

Southern Baptists realizing the great need to put God's word into the hands of people and the great part the American Bible Society is doing in this have encouraged support of the Society. In 1963 gifts from all churches in the U.S.A. totaled $1,120, 277. Of this Southern Baptist Church gave $167,498. This year the Society is asking for $1,300,000 from all churches. Let us as Southern Baptists do our part in this wonderful work of God to thirsty souls.

Churches of the Little River Association please send your gift to your Baptist State Office, marked "for American Bible Society."

30. The report on Christian Literature was called for by the moderator. In the absence of Dr. Langston, the moderator asked that the report be adopted. Editor Marsh Grant of the BIBLICAL RECORDER was recognized and spoke to the association concerning the report on Christian Literature and the BIBICAL RECORDER. The report was adopted as follows:

REPORT ON CHRISTIAN LITERATURE

BAPTISTS NEED INFORMATION. By "Baptists" we mean every member of every Southern Baptist Church. In the spiritual democracy of our Baptist churches we must have men and women who decide issues on the basis of information rather than being swayed by mere emotion. Baptists need to know what is going on in the other churches, in our convention, in our agencies and institutions, in other Christian circles, and in many secular areas because each of these have influence on the work of Christ. Baptists need to know what our leaders are thinking in order that we may all get the maximum results by concentrating on a particular emphasis. Baptists need to know what fellow Christians are doing so that we can rejoice with those who rejoice and weep with those who weep.

BAPTISTS PROVIDE INFORMATION. This time "Baptists" refers to our state and national conventions, and their agencies. In North Carolina we have particular pride in our Biblical Recorder, with the circulation of over 80,000, and Charity and Children with a circulation in excess of 55,000. The Commission and Home Mission magazines keep us informed of our mission needs and outreach. Our Sunday School Board publishes more than 80 periodicals with a circulation running into the millions. If you haven't lately looked at the scope and the quality of these publications get a sample (they are available, free) and see for yourself what you have been missing. The cost of these publications is small as compared with the wealth of information which they contain. The Recorder, with its Every Family Plan ($2.00 per year) and its Club Plan ($2.50) and Charity and Children with its Bundle Plan (60¢ per year) makes it possible for this valuable information to go into every home every week. Thus provisions are made such that the cost involved will be no unsurmountable obstacle to those who are willing to see for themselves the quality of the literature which Baptists produce.

BAPTISTS GROW STRONG ON INFORMATION. Now we are talking about "Baptists" in terms of the local churches. Dr. Beagle, formerly of the Home Mission Board, used to say, "Praise the Lord and tell the people." When we and the people worship the Lord; when we and the people are kept informed; we grow strong churches. It is not accidental that the overwhelming bulk of gifts to the Cooperative Program comes from churches which have one of the group plans for distributing the Biblical Recorder. These churches are strong because they have an informed people. These churches are strong because they have a vision of a world outside of their immediate local pressing needs. These churches are strong because they do things "right"! They follow proven principles of growth and one of these is to keep their people informed.

Individual Baptists need information; Baptists collectively provide information; Baptist churches will grow when they insure that every church member has an opportunity to read the wealth of Christian literature which is available.

Perry Q. Langston

31. The moderator called for the report on Christian Education. Dr. Vann Murrell was recognized for the report. Dr. Murrell called attention to the report and made comments concerning it prior to a discussion of the subject at hand concerning the Trustee proposal in our Baptist Colleges and the matter of accepting federal aid for our Baptist Colleges. Dr. Percival Perry of Wake Forest College was recognized by Dr. Murrell. Brother Tom Freeman was recognized for twenty-five minutes to discuss the negative side of the proposals before our convention and Brother Ben Fisher of the Baptist State Convention was recognized to present the positive side of the proposals.

A motion to extend the time for 10 minutes was made and carried Dr. Murrell presided over a discussion period. The motion to adopt the report carried and the report follows:

REPORT ON CHRISTIAN EDUCATION

There are two very significant matters which must be considered by the Baptists of North Carolina this fall. One is the Trustee Proposal for North Carolina Baptist Colleges, while the other is related to the Higher Education Facilities Act of 1963.

First, let us look at the Trustee Proposal. The recommendation has been made that the Constitution of our Convention be changed so that 25% of the trustees of our Baptist Colleges may be chosen without their being members of Baptist Churches in our state. It should be noted that 75% of the trustees will still be Baptists from North Carolina and that this large group could control the business of the college. At the same time, this change in the trustees is designed to give members of the alumni and others who are vitally interested in a North Carolina Baptist College the opportunity to participate actively in the promotion of said institution.

Now, let us turn to consider the Higher Education Facilities Act (Public Law 88-204). Under this act the federal government offers to furnish up to one-third of the cost of certain types of buildings. This act would include denominational colleges, but none of the money can be used for the Department of Religion. The government funds cannot be used for operating expenses. This act could be discussed in much more detail than is possible within the limits of this short report; nevertheless, there are certain ideas which should be stated in this connection.

We live in a time of crisis in higher education. Our colleges have the highest enrollment that they have ever had. In addition, it costs the individual college a great deal more today to provide a college education for each student than ever before. For example, the enrollment of Wake Forest College today is four (4) times what it was in 1928, but the cost of operating the college is now forty-four (44) times greater than it was in 1928. Moreover, the colleges like Campbell and Mars Hill which have recently moved into the four-year college status are required to fulfill many requirements in order to be accredited. These higher standards in the area of facilities, library, faculty, etc., place an added financial burden upon the college. And something needs to be done now to help in this period of strain until these colleges can catch up with four-year college standards. In other words, unless we are closely connected with college administration, we have no idea how extremely expensive it is to operate an accredited college in this era.

If everything were perfect, we could ask for a tremendous sum of money to be allotted from the Cooperative Program to the colleges in order to help them over this crisis period. However, the Cooperative Program cannot respond at present to this crisis in higher education. Therefore, since funds are needed so desperately for our colleges, it seems necessary that we accept federal funds at least temporarily until more funds can be allotted from the Cooperative Program.

It should be noted that some of our Baptist institutions already receive federal funds. For example, this past year the Baptist Hospital in Winston-Salem along with the Medical School and the School of Nursing received a total of $8 million from the government. Now if some of our Baptist institutions in the state receive federal funds while others do not, we are guilty of inconsistency. It would seem that we should allow all of our institutions to receive government money at least temporarily or we should not allow any to accept federal aid.

Several possibilities are open. On the one hand, messengers to the state convention this November could vote to accept government money at least temporarily. On the other hand, if they do not choose to vote affirmatively on this issue, they should vote to increase greatly the Cooperative Program allotment to colleges and urge every church to give to higher education. To talk and not to act would be tragic. If the colleges do not receive adequate funds, they will be hindered in operating a quality educational institution. It is even possible that due to the lack of funds some of our Baptist Colleges in this state may have to close their doors in future years, just as Bethel (Baptist) College in Kentucky did in June, 1964 after operating for over 100 years.

To vote these matters on the associational level would be to force conformity upon all of the churches of this association in one direction or the other. Believing in the autonomy of the individual church, it would be the course of wisdom for each church to come to a decision on its own concerning this matter. I would like to urge a messenger to the Convention to pray about and think over these two important matters and to keep an open mind until he arrives at the Convention. Then, a messenger should vote as he feels led under God. May the Lord guide us every one.

M. Vann Murrell

35. A cooperative program feature was presented by Brother Tom Green of the Baptist State Convention. A motion was made and carried to adopt the written report on the cooperative program.
36. The moderator recognized Brother Emory Holden who presented the report on Minister's retirement. Brother Guy Gain spoke to the report. The report was adopted as follows:

REPORT ON MINISTER'S RETIREMENT

There is good news! The new "life Benefit Plan" is offered to every pastor, church and denominational employee regardless of whether they are a member of one of the Annuity Board's retirement plans. This plan went into effect on October 1, 1964. You would be wise to check into it.

As of May 1, 1964 there were 16,251 churches in the Southern Baptist Convention participating in the Annuity Board's retirement program with their pastor. Along with those who are in denominational work, in our educational institutions, hospitals, children's homes, etc., the total membership in the Board's retirement plans is approximately 25,000.

As of the present, there are seventeen churches in our association participating in some type of retirement plan. This is an increase of five over last year but it is not nearly good enough. We should not be satisfied until every church of our Association is participating in at least one of the Annuity Board's programs for retirement.

The Annuity Board since its beginning in 1918 has paid out more than $43 1/2 million and last year paid out benefits in excess of $3 1/4 million.

The Annuity Secretary for North Carolina is Rev. Guy Cain. His office is located in the Baptist Building, 301 Hillsboro Street, Raleigh. Rev. Cain is ready and willing to help churches and pastors who are interested in retirement plans. He also stands ready to help those who are already in the plan in any way possible.

REPORT ON EVANGELISM

The special effort known as the Baptist Jubilee Advance, a program of evangelism and missions on the part of Baptists of the North American Continent, concluded with the joint meeting of the groups in Atlantic City in May of this year. This is now a part of our history.

The records of our Association reveals the following additions to our churches in 1964: By baptism, 421; By letter, or otherwise, 271; Total 692. Eight churches did not report, so that their record would have to be added to this.

The inevitable question arises, where do we go from here? What shall we undertake to do in 1965? We need to search our hearts before God and seek His will for us, as individual Christians, as a church and as a denomination.

Perhaps we need to take a fresh look at evangelism as it is practiced in our personal lives and churches. Have we been aiming at the right goals? Have we gone at it in the right ways? An understanding of what evangelism is, as revealed in the New Testament, can help us here. One of the best definitions of evangelism is found in the new Southern Baptist HANDBOOK ON EVANGELISM: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This experience of Christ confronting the lost through His people will not become a reality in a life or in a church by merely accepting and adopting a creed, a statement of beliefs, or a set of rules for conduct. There must be the experience of being IN CHRIST and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other vital truths, we need to keep before us the following objectives: 1. To keep all programs and activities in each church aimed at the creation of an atmosphere for evangelism. 2. To keep alive and before every Christian the urgency of personal witnessing as his opportunity and duty.

3. To refine and intensify our efforts in church revival. 4. To seek to keep the message practical, scriptural, positive and spiritual by prayer, study and diligence. 5. To spare nothing in our efforts to make every member of every church a part of the outreach of the church.

For practical help in moving toward these objectives, consult the Evangelism Plan Book for 1965, which the Division of Evangelism of the Baptist State Convention will mail to all pastors this fall. Also, use the Associational Evangelism Workbook, which will be released by the Convention Press this fall.

Tom M. Freeman

ASSOCIATIONAL MISSIONARY'S REPORT

The Association exists to assist the churches in achieving their New Testament tasks of being obedient to the Great Commission to teach all nations to observe all things the Lord has commanded us to do. Therefore no projects, events, activities or emphasis is planned or suggested unless the aim is to assist at least some of the churches. The aim of the Association is to contribute to the spiritual well-being of the churches, to help them enlist every individual for whom they are responsible and train them to serve, live and give in the name and for the sake of Him Who gave His all for us.

The Associational officers, leaders and Missionary are ready to do anything we can. We serve on first call first serve. Your officers work through the associational organizations to meet your needs. Sometimes your needs are such that the Missionary can serve alone. Your missionary is a part of a team of workers in our Association to help find, enlist, and train others.

Associational missions, a vital part of World Missions, is an organization of churches in a given area voluntary banded together to do what no one of them could do alone. Everyone of our churches was born because of someone else's mission activity. Because of prayer, help and work of others, we are what we are. Through our united prayers help and work others can become what they ought to be. We must unite to give the Gospel to the world, we cannot do it alone.

Since 1951 we, in Little River, have started 14 missions in various places, such as beer parlors, juke box joints, tobacco barn shelters, pack houses, brush harbors, homes, tents, rest homes and jails. Six of these missions have become churches. Four others we hope will become churches sometime. At present we have four missions in Rest Homes.

In 1951 we had 28 churches. In 1964 we had 34. In 1951 our churches contributed to Associational Missions $2,761 dollars, in 1964 $7,474. In 1951 our total Mission giving was $41,450, in 1964 $102,299. This is the first year we have carried our Association by our own support. We are grateful for each gift, prayer and labour of Love.

Your missionary attended many meetings outside of the Association in order to be better prepared to serve in the Association. A partial list; WMU Convention, Baptist State Convention, Southern Baptist Convention, State Evangelistic Conference, State Vacation Bible School Clinic, Associational Missions Workshops, Sunday School, Training Union, Brotherhood, Music workshops, and special conferences on the work of our Convention agencies and Institutions and Colleges.

In our Association: 42 Associational meetings, conducted 3 weddings, 3 funerals, lead singing and gave object talks for youth in 3 revivals, worked in 10 Vacation Bible Schools, supplied pulpits 35 times, interim at Gourd Springs 3 months, spoke at 10 deacon ordinations, 8 minister ordinations, taught 13 study courses, worked with 9 pulpit committees, showed 7 films, 50 filmstrips, spoke at 8 home comings, 3 church dedications, 4 dedications for teachers and officers, assisted the nomination committee in selecting and contacting Associational officers and drove 28,000 miles.

New pastors which have come to us this year are:

Westfield, Rev. Roger Patterson, Gourd Springs, Rev. James E. Sams, Bethel, Rev. Donald Swinney, Macedonia, Rev. Phillip McLean, Duncan, Rev. Joe Bryant, Harmony, Rev. Paul Willis, Lillington Mission, Rev. Lindsay Morton, Oak Grove, Rev. Van Murriell (Supply).

Respectfully submitted,
Julius Holloway

6. The Moderator recognized Alton Stephenson, Chairman of the Associational Missionary's Home Building Committee for his report.

ASSOCIATIONAL MISSIONARY'S HOME BUILDING COMMITTEE REPORT

Mr. Stephenson's report consisted of a short talk followed by a showing of slides of the missionary's home, missionary's office, and the present lot in Lillington, North Carolina, owned by the Association for a missionary home. Rev. Douglas Farmer assisted Mr. Stephenson with the showing of the slides. Mr. Stephenson explained that when he was elected last year as Chairman of the committee, he found that our present building program for the missionary home has been existing for the past ten years and that no real accomplishment had been made. What is wrong? There seems to have been very little communication from the Association to our individual churches. During the past year this Committee has had several discussions concerning our building program and the Executive Committee has entertained the subject on several occasions. Upon recommendation of the Building Committee, the Executive Board elected to purchase a lot in Lillington, North Carolina, on which to construct the associational home. The Executive Board, upon recommendation of the Building Committee, has designated the fifth Sunday in each month as an offering day for the missionary home. We have urged each church to receive an offering on these fifth Sundays or make some special offering to the Missionary Home Building Fund. Mr. Stephenson pointed out that the total to date in the Missionary Home Fund amounted to $7,617.66.

7. The Moderator upon Mr. H. H. Hamilton, Association Treasurer, whose report was adopted as follows:

9. The moderator recognized Mrs. D. B. Andrews who presented the World Mission Report as follows:

REPORT ON WORLD MISSIONS

Reports show a total of 25,848,787 Baptists in 120 countries across our world. Baptist groups report a combined missionary force of 5,300 out of a total of 43,000 evangelical missionaries. Are missionaries still needed? The number who never hear the gospel is increasing every year. We are not keeping up with the population increase, far from it. Our Missionaries plead for assistance for they cannot do the task alone.

The basic task is evangelism. It is carried on through preaching, schools and colleges, the printed word, healing and other ministries.

The Baptist World Alliance is a voluntary and fraternal association for promoting fellowship and co-operation among Baptists. It is international in scope and provides a means whereby Baptists can work together regardless of their color, nationality, or geographic background. The Alliance has no authority. Baptists recognize the Lordship of Christ and under the guidance of the Holy Spirit work toward the fulfillment of the Great Commission.

Fellowship among Baptists is strengthened through reading "The Baptist World", A monthly magazine which goes to Baptists in all countries; through a news service which sends information to various countries for publication in their national languages; through audio-visual means, and through personal visits and correspondence by officers of the alliance.

Baptist World Congresses are held every five years. World conferences for youth also meet at five-year intervals. In all of these gatherings, Baptists find inspiration and opportunity to give concerted witness to the world.

The eleventh Baptist World Congress met at Miami Beach, Florida June 25-30, 1965. For those of us who attended, it was a memorable occasion. The 17, 414 registered delegates set a record for any Baptist World Congress. The night sessions held in the Orange Bowl brought attendances estimated as high as 52,000.

Dr. Joao F. Soren, president, of Rio de Janerio, Brazil, showed us plainly that there are those in the southern hemisphere with executive ability unsurpassed. The program, built around the theme "and the truth shall make you free", was revealing and enlightening to any who were willing to know the truth. Christian commitment illuminated the entire program and made it glow in the radiance of the love of the Son of God.

One was impressed by the amazing variety of Baptists. Their distinguishing costumes and their strange tongues spoke tellingly of the fact that they came to Miami Beach from all six continents and the islands of the sea. But their oneness was unmistakable as they worshiped together in witness to their common faith in the Lord Jesus Christ.

The selection of Hong Kong, or Tokyo, as the meeting place in 1970 gave to the Orient a place of prominence. The election, without a dissenting vote, of an African to the office of president was hailed by delegates from around the world as an indication that the alliance is truly an international organization. Dr. William R. Tolbert, Jr. is the first man elected to that office from any but the white race. From his speech following his election, I quote: "With renewed strength, flintlike faith, and complete dedication, let us march forward determined to witness in all sincerity and effectiveness for our Lord and Master unto the uttermost parts of the earth, continuing in His word that we may know the truth and obtain freedom thereby.

Brethren, let us love one another! Thus we truly identify ourselves the children of God and fulfill the law of Christ."

Respectfully submitted,
Mrs. D. B. Andrews

10. Mrs. Andrews called on Rev. Douglas Farmer to present his report entitled "The Field is Open - Brazil." Rev. Farmer presented slides supported by a short discussion of his recent trip to Brazil.

11. The congregation was led in the singing of "O Zion Haste" by Joe Wright. Rev. Willard Renn, pastor of the Erwin Baptist Mission, led in prayer. After special music by the association choir, Dr. David Mein, President, Baptist Seminary Recife, Brazil, delivered the evening message.

12. The Benediction was given by Rev. F. G. Alford, South Erwin Baptist Church.

SECOND DAY

13. The meeting for the second day opened at 9:30 a.m. in the Hillmon Grove Baptist Church with the singing of "Heavenly Sunlight" led by Rev. Douglas Willett. Rev. Robert Frazier, Piney Grove Chapel, read the scripture and led the morning prayer. The host pastor, Irvin Stephens, welcomed the Association to the Hillmon Grove Church.

14. The Moderator recognized the Clerk who presented the following report.

EXECUTIVE COMMITTEE'S REPORT

The Little River Baptist Association Executive Committee held four well attended meetings during this associational year. Reports of the various organizational leaders, committee chairmen and associational officers were well prepared and delivered to the Executive Meeting. Participation in the discussion of these reports and of your other business affairs was again extremely gratifying.

The Executive Committee was successful in sponsoring a Campbell College Day Ceremony which took place on the college campus May 23, 1965. The committee was of the opinion that our association should take some action to recognize the importance of this educational institution to our community. We should hope and do intend to continue such an annual recognition of Campbell College in the future.

One of our goals for the past several years has been the construction of a home for our Associational Missionary. Your Executive Committee has devoted much time to this project during the year. First, the committee reconsidered the location of this home. It was felt that a more centralized location would best serve the members of our association. Upon recommendation of our missionary home committee an authorization was made to purchase a desirable lot on U. S. Highway #421, immediately West of Lillington, North Carolina. The trustees of our association were directed to reconvey the lot which we own in Buies Creek to Campbell. A resolution was adopted expressing our appreciation to the college for its kind gift. The Executive Committee requested each church in the association to designate each fifth Sunday as Missionary Home Day for the purpose of receiving a special contribution to be used for the construction of our missionary home. Our association has been working on this project for eleven years; if each member of the association had given twenty cents per year during this period, we would have had more than enough money to complete our building program. It is heartily recommended that each church in the association accept the challenge of this goal.

Respectfully submitted,
E. Marshall Woodall

15. The Clerk was recognized for the purpose of presenting a resolution which was adopted as follows:

RESOLUTION

THAT WHEREAS, Campbell College conveyed a certain lot of land in Neills Creek Township, Harnett County, North Carolina, unto the Trustees for the Little River Baptist Association by deed dated April 16, 1957, and recorded in Book 376, Page 210, Harnett County Registry. And Whereas it was the unexpressed intention of the College that the said lot was for the construction of a Missionary Home.

AND WHEREAS, the Association has elected not to use said lot for the construction of a Missionary Home; and now desire to convey said lot back to Campbell College;

NOW THEREFORE, W. F. Gentry, H. Paul Strickland, W. A. Johnson, and Robert B. Morgan, Trustees for the Little River Baptist Association, are hereby directed to execute a good and sufficient deed of said lot to Campbell College.

16. Everett Marion was recognized by the Moderator to present the Association Sunday School Report which was adopted as follows:

THE ANNUAL SUNDAY SCHOOL REPORT TO LITTLE RIVER ASSOCIATION

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things. . ."

The Sunday schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrolment gain of approximately 30% in the next five years. We are challenged to have an enrolment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our association to accept a net enrolment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship--all wait upon outreach.

These enrolment gains can be realized by organizing new Sunday Schools (a new Sunday school will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enroling Vacation Bible School pupils not in Sunday school.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people - we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday school is urged to observe January Bible Study Week, to plan a church and mission Vacation Bible School, to promote Operation home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the Associational Sunday school projects - clinics, conferences, enlargement campaigns; and to attend the Sunday school weeks at Caswell and Ridgecrest. When our Sunday schools begin moving forward, our churches will move forward.

The Sunday schools in the Little River Association reported a total enrolment of 9,230 as compared with 9,779 in 1964.

Respectfully submitted,
Gerald K. Riggs

17. The Moderator recognized Mrs. Wesley Brown who submitted the Training Union Report.

TRAINING UNION REPORT - 1964-'65

As the training organization of the church, the Training Union makes it possible for a church to mobilize and train an army of Christian soldiers. The apostle Paul said that the purpose of training in the church is "for equipping of the saints for the work of service" (Eph. 4:12, NASB). Paul also said that the church is like a mighty army. Training Union must help prepare the soldiers to do battle with the forces of Satan. It also trains them to work together within the fellowship of the church so that they may be effective soldiers wherever duty sends them. Training Union begins with a Sunday night experience, but it is more than this. Effective training must extend throughout the week. Many training opportunities are essential for all churches and for all church members who desire full Christian maturity. Training Union has been charged with this distinctive responsibility among the church program organizations. As the Training Unions of our Association work together more can be accomplished in our battle for the Lord.

At the Annual Associational Meeting in October, 1964, two new churches were admitted into our Association, Piney Grove Chapel Baptist Church and Westfield Baptist Church. We are very happy that these churches desired a training program for their members and allowed us to assist in the organization of a Training Union in each church. The Training Union at Piney Grove Chapel Baptist Church was organized in December, 1964, with 60 enrolled, and Westfield Baptist Church had approximately 40 enrolled when its Training Union was organized in January, 1965. Swann Station Baptist Church also joined in our training program with the organization of a Training Union in February, 1965, with an enrollment of approximately 50. In each of these

churches, the organization was preceded by a 7 1/2 hour study of Training Union methods on Sunday nights under the direction of the associational T. U. officers. We now have 20 churches in the Little River Association with active training unions. We are very anxious to see more Training Unions organized and functioning through the Association.

The Training Union Executive Committee has met once each quarter during the year with an average attendance of 7.

A Training Union Leadership Clinic was held at Holly Springs Baptist Church on October 19, 1964, with 3 workers from the State Training Union Department leading conferences. There were 142 present at this meeting, including 16 pastors and 11 directors.

The big night for Training Union during the past year was "M" Night, which was held at the Campbell College Auditorium on December 7, 1964. The total attendance was 640. Based on percentage of enrollment present, Little River Association ranked second in the state. Twenty-three churches were represented with all of the associational Training Union officers and 19 pastors present. The "M" Night feature was a tableau and choral reading presenting the major emphases for the year. This challenged T. U. workers to be trained, interested and dedicated.

Associational Tournament Night was on March 29 at Angier Baptist Church. Twelve churches were represented with a total attendance of 166. We had 3 churches represented in the Junior Memory Work Tournament, 1 church in the Intermediate Sword Drill Tournament, 2 churches in the Speakers' Tournament, and three churches in the Adult Scripture Reading Tournament. This represented 19 people in one or more of the Tournaments.

The Buies Creek Baptist Church was host to the Region four T.U. Convention on April 8. The total attendance was 358, with 74 from the Little River Association. Our Association was represented in the regional tournaments by the following: Junior Memory Work Tournament - Carol Brown, Lyndell O'Quinn, Patricia Patterson, Tommy Passmore, Janice Lee Rogers, Elaine Sloan, Teresa Suitt, Susan Senter, Terry Dixon, Dwight Savage, Pat Savage, and Mark Johnson; Intermediate Sword Drill Tournament - Frances Gentry; Speakers' Tournament - Pinky McNeill (17-18 age group) and Judy Clark (19-24 age group); Adult Scripture Reading Tournament - F.C. Hubbard. Eleven of our Juniors went on to become state winners in the Memory Work Tournament.

Youth Night was held at Erwin First on March 20, 1964, with Rev. Charles Stanley as the speaker. Our youth president, Eldon Sloan, Jr., and his committee planned a very inspirational service with good response from the young people. The attendance was estimated at 400.

May I urge each of you .to study and stay up to date with current Training Union materials, especially The Training Union Magazine. This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance, and support in carrying on the Training Union work. I beg you to support and use your training union as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
Mrs. Wesley Brown

18. Mrs. R. Lewis Beal was called upon by the Moderator to present the Woman's Missionary Report, which was adopted as follows:

WOMAN'S MISSIONARY REPORT

The year 1964-65 has indeed been one of work but just as important as work, has been the joy in cooperation and fellowship.

The Leadership Conference was held on September 28, 1964 with the Angier Baptist Church. Twenty two out of twenty seven societies were represented with a record attendance of 144. A New Conference for program chairmen was added and proved very successful.

The Associational Y.W.A. Banquet was February 6, 1965 with Angier Y.W.A.'s as hostesses. Miss Sara Anne Hobbs, State Y.W.A. Director, spoke to an attendance of about 40.

Little River W.M.U. was well represented at the State W.M.U. Convention, March 16-18 at Greensboro. Your President and President elect, Mrs. Wesley McLeod, attended, plus 10 churches represented with a total of 40 in attendance from Little River.

Piney Grove Society was host for our Associational Spring meeting March 22. We had a total attendance of 243 with 22 societies represented. The Westfield Baptist Church W.M.U. was welcomed as our new organization this year bringing our total to 27 churches with W.M.U.

Mrs. Harry Wood, State W.M.U. Stewardship chairman, was the featured afternoon speaker. Rev. and Mrs. Charles Wiggs were our Mission Speakers for the Evening Session.

Holly Springs G.A.'s entertained the Associational G.A. Rally May 8 with a total attendance of 205. Miss Sandra Greenhill and The Rev. Jerry Potter were featured speakers. Mrs. David Campbell completed her term of service as G.A. Director and retired from the Executive Board. Appreciation for her work is in order.

Our most outstanding achievement has been the establishment of an Associational Sunbeam Day-Camp for eight years olds, or World Friends. The first was held at Camp Abra, Angier, Rt. #2, August 8. 25 Sunbeams and 9 workers participated from 8 churches. Twenty three out of 27 Societies have paid their Associational Dues. One hundred dollars was given to the Association for our Missionary Home Fund. The Executive Board is recommending this offering be incorporated and promoted by the local church in the Mother's Day Offering in the future.

Little River W.M.U. was represented in Miami for the B.W.A. Congress, your President and a number of others attended.

Projected plans for the coming year are for the revision of the By-Laws and the addition of two new offices to the Executive Board, these to be (1) Promotion Secretary and (2) Program Chairman.

Respectfully submitted,
Mrs. R. Lewis Beal

19. The Moderator recognized Mr. Alton Stephenson who gave the following Associational Brotherhood Report.

ASSOCIATIONAL BROTHERHOOD REPORT

"When the Brotherhood began in 1907 as the Layman's Missionary Movement, its purpose was to stimulate the zeal and activity of laymen to a more thorough consecration of their time, prayer, and means to the glory of God in world-wide evangelism. A prime object of the movement was the enlistment of men in the affairs of Christ's kingdom. It was a systematic effort on the part of those laymen who had a constraining vision to bring the great mass of laymen face to face with their religious obligation. It was an appeal to laymen from the standpoint of laymen. It urged men to pray daily, study diligently, plan wisely, serve zealously, and give generously that the kingdom of Christ might prosper. ."

"However, the heart of the Brotherhood work has always been missions and missionary education. Thus, in recent years it has turned more to its original objectives, so that now it carries the responsibility for missionary education for boys, young men, and men. Such education seeks to develop a Christlike concern for all peoples, an intimate knowledge of how Christian fellowship is being extended at home and abroad, and a hearty participation in all efforts to enlarge this fellowship of Christian faith until it covers the earth."

In North Carolina, 1,450 Brotherhoods, with an enrollment of 35,000 and 2,000 Royal Ambassador Chapters, with an enrollment of 25,000 provide a vast reservoir of strength to be used for world evangelization. Still, in Baptist churches of North Carolina, there are approximately 200,000 men and equally as many boys who are not enlisted. This is a tragic waste of manpower. This fact is an indictment against everything our churches have proposed as methods for calling church members to mature, dedicated service for Christ our Lord.

There will be hope for world evangelization as long as there are men and boys in our churches who organize themselves for the purpose of becoming informed about world needs, and who are willing to become personally involved in World Missions.

In our own Little River Association other great strides have been made in our Brotherhood Enrollment Plans, but it has fallen far short of what it should be. I would trust that in the years to come that through our Brotherhood we would have a much greater outreach for Christ.

Respectfully submitted,
Alton Stephenson

20. The Moderator then recognized Mr. Clydé Davis who spoke for a few minutes concerning the Brotherhood's Mission - "God is the Savior of the Whole World".

21. Rev. Tom Freeman was called upon by the Moderator to deliver the Evangelism Report which was adopted as follows:

REPORT ON EVANGELISM

Churches in the N. C. Baptist Convention reported 29,725 baptisms in 1964, a gain of 2,379, or 9%. Churches in the Little River Association reported 437 baptisms in 1964, a gain of 135 over the previous year, or 45% gain. We are deeply grateful to the Lord for this gain.

The theme adopted by the Southern Baptist Convention for 1966 is "Proclamation and Witness". With us this theme actually begins October 1, 1965, with the beginning of the Associational year.

Dr. Wayne Dehoney, president of the Southern Baptist Convention, says: "The major issue facing us is whether the largest Protestant denomination, Southern Baptists, will accept its role and launch the greatest evangelistic thrust in its history." Surely we agree that this is the "major issue" we face. The purpose of our theme for 1966 is to get us aimed and moving toward this objective.

The evangelistic thrust that we need now does not wait on new methods, but on new men. Men and women who have been made new in Christ, who are totally committed to Him in body and soul, are needed to lead us in this thrust. There will be co-ordinated program materials available in Sunday School, Training Union, Brotherhood and Woman's Missionary Union designed to be used by the churches in a more complete and effective realization of our potential in evangelism.

These materials and programs are available, but each church should decide on the objective and purpose the Holy Spirit has appointed it to pursue in its witness for Christ in the community, I hope every church will decide to put on a five-month emphasis on personal witnessing in 1966, using the alternate Sunday School lessons in the first quarter of the new year, engaging in revival efforts in each church, and using the community awareness program materials through the Woman's Missionary Union and the Brotherhood. The Training Union also offers a special unit on "Leading Members to Visit." It would benefit any church.

I urge every church to observe Soul-Winning Commitment Day and have the Bible Study week in January, participate in our Associational evangelism clinic in January, use the materials mentioned above in February and March, and engage in a dynamic and determined revival effort in April.

Respectfully Submitted,
Tom M. Freeman

22. Rev. Howard Beard was recognized by the Moderator for the purpose of a motion. Rev. Beard moved that the Association continue to have its annual sessions in the same manner as the 1965 annual meeting. The opening session being at night and the remaining session being held the following day. The motion was seconded and passed. There being no further business, the Association was led in the singing of "God of our Father", by Rev. Douglas Willett.

23. The Moderator then recognized Rev. Floyd Enzor to present the N. C. Home for the Aging - Association Report. The report was adopted as follows:

N.C. HOME FOR THE AGING-ASSOCIATIONAL REPORT 1965

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. Since that time, four Homes for the Aging have come into being, and a fifth one is in the making. Many elderly people have been blessed by this compassionate ministry through the years, and today 160 people are in residence at Restheaven, and the Hayes Home in Winston-Salem, the Albemarle Home in Albemarle, and the Hamilton Home in Hamilton. When the proposed new Home in Yanceyville is completed there will be capacity for 200. It is anticipated that construction will begin on the Yanceyville Home during 1965.

This labor of Christian love and nurture is ours together. They could not operate without the concern, the prayers, and the financial support of the Baptist people. This financial aid from the churches goes to them through two very vital avenues- the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. Special Day offering receipts for 1964 were at an all-time high and exceeds $96,000.00. Through these gifts they are able to supplement from 80% to 90% of needy residents who could not be there otherwise.

It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, especially in view of the pressing and ever-increasing needs of the aging in our midst who seek our help. The waiting list at the homes is 175 and grows almost daily.

As the great heart of the Savior yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea, we are giving an answer to Him for these elderly people who are dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry. Can we ignore the call from our senior citizens, "cast me not off in the time of old age."

Respectfully submitted,
Floyd Enzor

24. The Moderator recognized Rev. Douglas Farmer to present his Report on Baptist Hospital, which was adopted as follows:

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Most of them were sent by their local doctors, because they had problems which were difficult of diagnosis or treatment, and needed specialized facilities and skills such as those found at our Baptist Hospital.

In addition to the sick people who were served, there were more than 700 persons in training in the various fields of medical care and Christian service. These students were studying in ten different schools, and in other fields of training in our Medical Center, and will go out to serve as physicians, nurses, technicians, pastors and other Christian workers, in our communities and churches throughout North Carolina and on our mission fields around the world. These schools offer excellent opportunities, and they are interested in qualified Baptist young people who wish to invest their lives in useful service to their fellow man and in the Kingdom of God.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

It is a high privilege for us in our churches to minister in the name of the Great

Physician, through our hospital, to these multitudes who are sick. Last year our churches fell a few hundred dollars short of our desired goal in giving to the Mother's Day Offering. Let us join hearts to meet our goal in the year to come. It will be a welcome voice when the King shall come in His glory and we can hear Him say: "Come, ye blessed of my Father; for I was sick, and ye visited me."

Respectfully submitted,
Douglas Farmer

25. The Moderator recognized Julius Holloway who presented the report of the Baptist Children's Home which was adopted as follows:

REPORT OF THE BAPTIST CHILDREN'S HOME

Matthew 20:14 says "But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." Matthew 10:42 says, "And whosoever shall give to drink unto one of these little ones a cup of water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward."

The care of dependent, neglected and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

The Ministries of the Baptist Children's Homes of N. C. are extended in seven different areas, Missions, Evangelism, Love and Affection, Education, Conservation and Rehabilitation, Discipline and Teaching, and Redemption.

Our Homes are serving as many people who need our help as possible. They are dependent upon N. C. Baptists for support. Every gift, however small or large, is appreciated and is used for the purpose for which it is given. Income through the Cooperative Program is becoming increasingly important.

The Thanksgiving Offering of last year is approaching three hundred ten thousand dollars (31%) and is the largest ever given. Our Cooperative Program gifts account for (36%) of the funds to the Children's Homes, Once-A-Month and Budged Designations account for 14%, while other sources account for 19% of the gifts. This suggests that our people welcome an opportunity to support the "helping ministries" of the church which are close to the heart of our Lord.

Two very fine buildings have been completed on the Mills Home campus, made possible by the income of two estates given by two fine families. One being from Anderson, S. C. and the other from Winston-Salem, N. C. These buildings will fill a most useful purpose in the educational and religious life of the Mills Home family.

There is a growing need for good Christian foster homes in which children needing this kind of care can live. Many families are finding much happiness and a great opportunity for service in caring for foster children. Thus, many boys and girls are privileged to grow up in Christian homes who otherwise would not have this opportunity. Should you have an "extra measure of love" to share in this way the Homes would like to know of your interest.

The need for a home in the western part of the state, more adequately to serve the people west of the Blue Ridge Mountains, has been discussed in various meetings and conferences. The possibility of such a home is meeting with genuine interest and enthusiasm. Attention is currently being given to a suitable location.

Members of the Board of Trustees and members of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care-- a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord.

Respectfully submitted,
Oliver J. Murphy

26. The Moderator then recognized Bill Poole who spoke for a few minutes on the Social Services provided by the Baptist Association.

27. Rev. Julius Holloway was recognized by the Moderator to present the Baptist Foundation Report which was adopted as follows:

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptist of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450.00. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

Executive Secretary

28. The Moderator recognized the Rev. Julius Holloway who gave the Ministers' Retirement Report as follows:

MINISTERS' RETIREMENT PROGRAM

Southern Baptists under the direction of their Annuity Board are now offering several plans for the protection and retirement to their ministers and church employees.

The Southern Baptist Protection Plan is the denomination's way of helping a minister prepare for retirement. This is the only basic retirement plan open to pastors and educational directors. In the State of North Carolina all church employees are eligible to participate in this plan.

The Life Benefit Plan was inaugurated October 1, 1964 to meet the need for supplemental life protection for our pastors and denominational employees and has already achieved phenominal success with more than ten thousand active participants. It affords protection ranging from Ten to Thirty Thousand Dollars for death under 46 years of age, with graduated benefits thereafter for dues of $3.34 to 10.00 per month. It is still open for membership.

The Health Benefit Plan is an all inclusive program of hospital, surgical and major medical protection which is now being offered. The target date for beginning of this plan was October 1, 1965. Five thousand applications are required by September 1, in order to put this program into effect.

It has been said by many annuitants that the checks which come from the Annuity Board each month are like "Manna from Heaven." These checks vary in size, depending upon the length, one was a member and the amount of dues paid. Since the beginning of the Annuity Board, almost 47 million dollars have been paid in relief and annuity benefits to the men and women of God who serve Southern Baptists.

Today more than 16,352 churches are in the protection program for their pastors. There are now 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged and other southwide agencies protected by one of the Annuity Board Programs. This means more than 25,000 members are in the Annuity Board's retirement plans. There are seven states with 70% or more of the churches in the plan. At the present time, North Carolina has 46% of the churches in the protection programs for ministers.

There are 18 churches in our association participating in some type of retirement plan. We should urge every church who is not participating in some plan of retirement for their pastor to give this matter their most serious consideration.

Rev. Guy Cain, whose office is in the Baptist Building, 301 Hillsboro Street, Raleigh, is jointly employed by the North Carolina Baptist Convention and the Annuity Board to promote and explain this program to those who may wish to participate in the same.

Respectfully submitted,
H. Paul Strickland

29. The Moderator recognized Mr. Guy Cain who spoke on the Ministers' Retirement Program sponsored by the Southern Baptist Association.

30. Special music entitled "If I Had a Thousand Lives to Live" was rendered by Mrs. Anne Enzor.

31. The doctrinal sermon was preached by Rev. Douglas Farmer of Erwin First Baptist Church. Following Rev. Farmer's sermon, special music was presented by the Campbell College Choir, under the direction of Dr. Paul Yoder. The morning session was adjourned with prayer by Rev. Jimmy Sams.

32. The afternoon session was opened with the singing of a hymn under the direction of Rev. Douglas Willett. Rev. Charles Stevens, pastor of Rawls Baptist Church, read scripture and led in prayer.

33. The Moderator recognized Mr. Henry Rawls who presented the American Bible Society Report which was adopted as follows:

AMERICAN BIBLE SOCIETY REPORT

In the past 33 year period ending 1963 the world population increased 1/3 to 3.16 billion people, 58% of these were in Asia.

The Number of people who do not know Jesus Christ, or have never heard the Gospel is the largest since the first century.

In the one hundred and forty-nine years the American Bible Society has published some part of the Bible in 1,232 languages and dialects.

During 1964 the American Bible Society Distributed: At home, 682,895 Bibles, 1,437,029 Testaments, 4,966,383 portions and 18,255,605 selections, a total of 25,341,912 scriptures.

It has provided, through gifts a distribution over seas of 1,118,584 Bibles 1,102,435 New Testaments, 13,506,946 portions and 7,605,740 selections.

It has issued to the blind 65,834 Scriptures in Braille and on talking Bible Records.

It has provided a total of 301,541 volumes of Scriptures to World's Fair Visitors.

It has adopted the boldest budget in the Society's history. $6,348,000 for 1965 or $448,000 more than that of the previous year.

The Society has received from churches $1,186,960 an increase of $66,683 over 1963. Southern Baptist Convention Churches shared in this work by giving $190,334 dollars. The cause is great enough, are we concerned enough to meet the challenge?

Respectfully submitted,
Henry Rawls

34. The Moderator recognized Rev. Weldon Johnson who presented the Christian Education Report which was adopted as follows:

CHRISTIAN EDUCATION REPORT

Moody E. Prior speaking to the members of Phi Beta Kappa at Northwestern University in 1964, as published in The Key Reporter for summer 1965 said, "The oldest and most generally approved justification of a broad or liberal education as it is now referred to, is that we are men before we are specialists and that the best education in the long run is that which provides the individual with the resources not only to confront but also to enjoy life in a manner befitting one's membership in the human race. Today an additional incentive to this traditional justification for a broad education has been receiving attention. Our mastery of production is making available to us increasing amounts of leisure, and we are now being urged to prepare ourselves in order to escape the horrors of the boredom of unfilled time or addiction to TV. Mr. Prior goes on to say that it is not a chief delight of leisure to be relieved of effort. Even Milton has Adam and Eve do a bit of work in the garden, and at the end of the peom, as Adam turns his back on the Paradise from which he has just been expelled he utters a consolatory thought: "Idleness had been worse."

We believe that the kind of education which provides the individual with the resources to confront and live life in a manner befitting one's membership in the human race is Christ's education. Surely that is what we mean when we speak of Christian education. "To give the Christ of God central place in education must be a consuming passion for us all, as we confront a world teetering on the abyss. . ." The foregoing words from the Christian education report for 1961 in the minutes of Little River Association must be the goal of every one of our schools, and of each faculty member. Robert Newton said in the 1961 report to this association that "to enthrone Christ as Lord of Education must mean no prating of pious phrase. Implied are the pursuit of central convictions in the classroom and in the supporting churches."

We can give the support that our schools need as Christian Colleges; perhaps not what each wants but what is needed. First of all we can pray. I am not speaking of a day or week of prayer that is more promotion than compassion. We can lend character by the discipline of devotion. Not nearly enough of us are devoted enough to know what is going on in our colleges. Let us not live by hearsay. Visit these schools, talk to persons who know. Let us lend every effort to bringing these colleges to be what they should be in spirit and teaching as servants of our denomination and our Lord.

Christian Education Day is a good time to study and support our Baptist institutions of higher learning. Giving regularly through your church will lend lifeline support. Special larger gifts are needed, and we believe that these will increase.

Finally, and most importantly, we must realize that as our people have more and more leisure time, their opportunities for service in Jesus' name should increase. So far, churches have not benefited proportionately by the increased amount of time people have away from the job. Colleges have a wonderful opportunity to lead our young people to the know-how and dedication that will send them out to give time and means to building strong churches everywhere, who can provide in revolving fashion, the support needed to carry on all of the work of Christ and of Baptists in the world.

Respectfully submitted,
E. Weldon Johnson

35. The Rev. Walter Gentry, Moderator, called upon Mrs. H. M. Cagle to present the Christian Literature Report as follows:

REPORT ON CHRISTIAN LITERATURE OF 1965

Christian Literature is a necessity in every home but too often we read about or visit in homes where there is none. Even the Bible, our greatest Book, we see collecting dust. This book above all others should be read and studied daily. From the Bible all other Christian Literature finds its bases.

Baptist people of North Carolina have at hand, if they will subscribe to it, Christian Literature for the youngest to the oldest. In Raleigh the Biblical Recorder is published.

It is full of information about our Baptist work in North Carolina. Information of our foreign mission work around the world comes to us through the Commission Magazine. Our Home mission work information is furnished through the Home Mission Magazine. The Home Life, a magazine published by the Sunday School Board, is a great help in building Christian homes. The Charity and children paper gives us information about our child care institutions. The children publish it as a part of their educational training.

Our organization magazines include the Sunbeam Activity for the leaders of our children up to the age of 8. The Tell magazine is for our young girls 9 thru 16. The Window is for our young unmarried ladies 16 thru 24 and the Royal Service is for our Adult women.

There are RA materials for our young boys and Brotherhood material for our men not forgetting to mention our Sunday School and Training Union Materials. The Sunday School, Training Union and Mission organization suggest tracts to be read and taught during the year. With so much Christian Literature for the Baptist people of North Carolina there is no reason why we cannot be kept well informed.

Respectfully submitted,
Mrs. H. M. Cagle

36. Mr. Robert Branch from the Biblical Recorder was recognized by the Moderator. Mr. Branch spoke to the Association concerning the problem of our changing world. He pointed out that we fail to keep in touch with today's world; we have been applying First Century practices to Twentieth Century situations. His talk inspired the Association to keep in touch with our changing world of today.

37. The Moderator recognized Rev. Donald Bowen to present the Social Service and Civic Righteousness as follows:

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS

I understand that I am to report to you on the unglamorous topic, "Social Service and Civic Righteousness." Personally, I like to think of it simply as applied Christianity, for any social service or civic righteousness worth a plug nickle is Christianity in application. Our Lord likened this to the function of salt on a piece of meat. That function would be two-fold: to prevent decay and to improve the taste. That salt, however, was absolutely worthless until it was brought into contact with the meat. We can gather in these solemn assemblies of ours and pass pious resolutions but it is all "much ado about nothing" unless we get back into these communities of ours and apply the salt of our Christian influence to the rotting civilization of which we are a part. And unless we do this, and that with a greater determination than in the past, we will discover to our utter despair that one day it may be too late. No salt is of any value once the meat reaches a certain stage of decay!

Every generation to march across the pages of time has faced a tremendous challenge at this point, but none it seems is comparable to the challenge facing the church in our day. There are some who believe that we have already waited too late. They refer to ours as the post-Christian era. None other than "The National Observer" ---a national publication of unquestioned reliability---recently had a front page article with the eye-raising title, "Is the Local Church Out of Date?" It was the thesis of this article, and others like it which have been written, that the church in our day has become drastically irrelevant. Dare we as Southern Baptists here in the so-called Bible Belt deny that there is some validity in that accusation? In far too many cases already we have stuck our heads in the sand as the proverbial ostrich, hoping it seems that the storms of our day will pass us by. I say that it is time for us to rear our heads right here in the middle of these storms and say something to our world about what it means to be a Christian. We are already too far behind in our preaching as well as our practicing!

Look about us for just a moment unto these whitened fields of applied Christianity ---these areas of social service and civic righteousness.

Ours is a generation with barnyard moral standards. Our high schools already have too many expectant mothers, teenage drunks, and disrespectful youth for the comfort of this preacher. Even more disturbing is the fact that many parents are unconcerned and even condone much of what is going on. Maybe Dr. Chester Swor was right when he said, "I believe that some Baptist parents would let their sons and daughters spend a weekend in hell if they thought it would help their social standing." Applied Christianity is needed here.

And what about the continuous rise in alcoholism in our day? The Baptists in North Carolina could close every ABC store in this state if they wanted to. If they didn't do it at the ballot box then they could by refusing to drink and buy it! Too many of the social drinkers of our day make up our Baptist fellowships and even hold offices in our churches. Dare we be silent about the evils of our day---legal or illegal!

The greatest challenge facing the church in our day is the realm of race relations. Of all areas of concern there is none where this applied Christianity is needed any more. This past year the matter has come home to our very doorsteps with the desegregation of our own schools. Thank God for all those who acted like Christians. May we continue to do so. And now, we have been reminded by every news media that North Carolina is the national stronghold for the infamous Ku Klux Klan, an organization which preaches a gospel of hate from behind a cross of love. Dare any of us think that such is the answer to our problems. I offer no painless cure-all for the issue under consideration, but let me tell you that I don't believe you will find it in one of these roadside cow pastures under the shadow of a burning cross. We will find the answer in Him who died on that old rugged cross, and might I add, only in Him! The Christian Life Commission of our denomination has keenly reminded us that "the law can desegregate the public schools, extend public accommodations, and guarantee voting rights, but only the gospel can transform human lives. Laws can open doors but only Christ can teach us to love those who walk through those doors."

Time does not allow even a brief consideration of the many other social problems facing the church in our day. My desire is that our righteous indignation will be aroused so that we will go out here into the Little River Association and apply our Christianity to every area of life. Dear brother Vance Havner, one of the few 20th century prophets remaining, has sounded the battle-cry:

> "The early church faced a pagan civilization with many problems not unlike our own. These Christians did not stand around discussing current issues in Roman Empire. They simply dared to be Christians and they upset the world."

This, fellow Baptists, is the plea of this report. Let us go back home and just dare to be Christians and try to lead others to do the same.

Donald H. Bowen

44. The following Cooperative Program Report and subsequent recommendations were properly adopted by the Association:

COOPERATIVE PROGRAM REPORT

With the dawning of the 40th anniversary of the founding of the Cooperative Program, a new note of optimism and Missionary Advance is perceptible among Baptists!

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor--that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere! "The Cooperative Program has given significant support to every state and Conventionwide cause--during the last sixteen years it has provided more than $100,000,000 for the Foreign Mission program of Southern Baptists. Truly, it IS the 'life-line' of our total cooperative witness and service."

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world--more than 1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. A free "Planning Kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal.

According to available records Little River Association during the past year gave a total of $57,934.00 through the Cooperative Program. Six churches did not share in world missions through the Cooperative Program. Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

RECOMMENDATIONS

We recommend:

1. That the churches participate in the TITHE. . .NOW! Emphasis.

2. That we engage regularly in prayer for cooperative causes and give special emphasis to prayer for these cause during the October Cooperative Program Emphasis.

3. That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis.

4. That the churches give regularly through the Cooperative Program.

45. The Association was led in the singing of "Brethren We Have Met to Worship" by Rev. Douglas Willett.

46. The Moderator recognized the Rev. Tom Freeman for the purpose of introducing the following resolution:

WHEREAS, the impression has gone out that Harnett County is a stronghold of the Ku Klux Klan, and
WHEREAS the Ku Klux Klan is a secret organization that uses race and religion to divide people while claiming to be religious, and
WHEREAS, the gospel song, "The Old Rugged Cross", is used at Klan rallies that engender hate and prejudice, and
WHEREAS, the Klan uses the burning of the cross at its rallies and in various other places as a means of intimidation and warning to people; now therefore,

BE IT RESOLVED BY THE LITTLE RIVER BAPTIST ASSOCIATION

in session with the Hillmon Grove Baptist Church, on Wednesday, October 27, 1965:
First, that we deplore the resurgence of the Klan, and believe that it is basically unchristian in some of its aims and practices;
Second, that we oppose the burning of the cross, the great symbol of our Crucified Savior, at any time, but especially as an instrument of intimidation;
Third, that we urge all Baptists to avoid the Klan and its programs, giving ourselves rather to the preaching of the Cross of Christ and the message of salvation in love and compassion to all people.

The above resolution was unanimously passed by a standing vote. Upon proper motion, the Association directed that the above resolution be delivered to the County News papers for publication.

47. The following reports are included in the minutes for your information.

ANNUAL REPORT OF THE DEPARTMENT OF PROGRAM SERVICES

The Department of Program Services promotes the total Baptist program through the associations and local churches. It is a department that is primarily public relations; and, it is incorporated in the Division of Stewardship Promotion. The work of the Department of Program Services may be divided as follows:

I. AUDIO VISUAL AIDS

A. Film Library

During the past year the department has booked more than 11,000 free rental films. The general trend in the churches of the Convention is that they are making consistant use of audio-visual materials in the total church program. The department seeks to encourage the planning for a basic essential audio-visual library at both church and associational levels, with supplementary services provided by the department library. At present, the department library has more than 2,500 35 mm film-strip and 16 mm motion picture titles, which are available to the churches on a free rental basis. These film titles cover every area of denominational endeavor.

B. Film Production

The department produced the following films during the year in support of the total Baptist program:

AN OPEN DOOR TO OPPORTUNITY, a 56 frame full color film-strip depicting the areas of State Mission work in North Carolina;
THE EXTRA DIMENSION, a 16mm sound and color motion picture on Christian higher education as interpreted through the program at Gardner-Webb College;
Film clips, slides and transparencies were produced as requested.

The department is at present completing a new 16mm sound and color motion picture on the North Carolina assemblies and camps, and another on R.A. work which features Camp CaRAway. These two titles will be released in early 1966.

C. Communication Demonstration Conferences

At the request of various associations and church groups, a number of "one night stand" demonstration conferences were scheduled during the year. Counseling with the churches regarding audio-visual equipment, program planning, and sight and sound installations has become one of the major services of the department. These services include: enforced sound, closed circuit TV, broadcast equipment, chime systems, visual installations, projection equipment, background projection, recording facilities, lighting effects, radio loops, and screen installations. We also work closely with the Church Building Planning Department through its conferences in aiding churches in sight and sound programming. More than 100 churches were aided in this manner during the past year.

D. Audio Aids

Each year the total number of audio aids provided by the department for church and associational use increases. More than 1200 audio tapes were produced this year, which was a 400% gain over last year. Special radio presentations on missions for the associations use were also produced.

II. Graphic Arts

Some 200 individual lay-outs were designed during the year. The department also produced the third edition of the BAPTIST MANUAL as well as special designs for displays at the annual Convention. The department has assisted other Convention departments and agencies with posters and other non-projected aids.

III. News Service

It is also our responsibility to provide news coverage of Baptist work in North Carolina to more than 350 outlets including newspapers, radio and television stations in the state. More than 50 special articles were written and used extensively by all the news outlets of our state. The department is also responsible for the major portion of pictorial coverage and research materials used by the BIBLICAL RECORDER in support of State Missions each year. May we here express our appreciation to every news channel for their splendid cooperation in providing both time and space for Baptist news.

IV. Television and Radio

The department continues to produce the Baptist network series of television programs titled, A LIGHT UNTO MY PATH. This program is a mission work of the Convention designed to reach minority groups, the deaf, the aging and the unchurched. The program is presented over a state-wide network of six stations. These stations are: WRAL-TV, Raleigh; WECT-TV, Wilmington; WLOS-TV, Greenville. Also providing coverage for North Carolina Baptists are STVC-TV, Chattanooga, Tennessee, and WIS-TV, Columbia, South Carolina. This series of programs is also carried by ten other stations outside of North Carolina and is sponsored by a Baptist Convention or group of that state. The department also produces BIBLE STORY TIME, a weekly program for pre-school children, and CHURCH OF OUR FATHERS, a weekly 30 minute news telecast on WRAL-TV, Raleigh. Our newest venture is a television series seeking to meet the needs of youth today. Titled YOUTH FACES LIFE, the program is designed to challenge young people to make their faith relevant to the needs of today. Each year, the department, in cooperation with the Church Music Department, broadcasts by radio, the annual Choir Festival from Wake Forest College. We are most grateful for the splendid cooperation of the administration and staff of the radio and television stations in making available their facilities for the Baptist message.

V. Other Areas

The department has two approved workers for the summer sessions at the North Carolina Baptist Assembly and at Fruitland Camp. Some 500 film presentations were included in the programs of these summer sessions.

Please continue to pray for our ministry as we try to serve the people and the churches of our Convention and state.

Respectfully submitted,
Jimmy Morriss, Secretary

THE RADIO AND TELEVISION COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

Twenty-five years of broadcasting the Good News of God's love is being observed by Southern Baptists' Radio and Television Commission this year. THE BAPTIST HOUR, first "official" broadcast of the denomination, was begun on the afternoon of January 5, 1941, in the auditorium of the First Baptist Church, Shreveport, La. Dr. M. E. Dodd was the speaker.

From that beginning of a half-hour worship service broadcast 13 weeks a year, the Commission has advanced to the present 22 different radio and television programs each week.

Observance of this 25th anniversary year was climaxed during the Southern Baptist Convention in Dallas on June 2, 1965, when the agency's international Communications Center was dedicated. This event signified a new beginning of Southern Baptist efforts to proclaim the Good News into the far reaches of the world, and to witness to the millions who do not know Christ and the Hope which lies in Him.

The new headquarters building looks back on 27 years of operating in borrowed offices, converted homes and store buildings in order to use radio and television to preach the gospel. It contains offices, studio, radio-tv production areas, plus printing and warehouse facilities in the two buildings which contain 42,000 square feet and cost about $720,000.

In spite of the obstacles, the Radio-TV Commission has brought the Southern Baptist Convention to third place in the free world in the number of broadcasts and hours put out annually. Radio Free Europe and the Voice of America are first and second.

The Commission prepared and distributed 79,984 individual broadcasts in 1964 for a 27.2% increase over 1963. A total of 22 programs were produced and broadcast regularly last year, 13 in English and nine in other languages. This was four ahead of last year and a dozen more than in 1962.

The number of stations broadcasting these programs rose from 1210 in 1962 to 1732 in 1964. The figure stands at approximately 1800 now. In the past decade, programs produced by the Commission in the name of Southern Baptists have risen from 9,624 hours a year to 37,804 hours and from an estimated 13 million audience to 60 million--an overall increase of 361 per cent.

Commercial value of time given by local stations to seven domestic (U. S.) programs produced and distributed weekly by Southern Baptists' Radio-TV Commission came to $3,034,824. Programs were: The Baptist Hour, "Master Control", Patterns, International Sunday School Lesson, La Hora Bautista, Music To Remember, The Answer. (Time evaluation from Spot Radio Rates & Data, SRD-1964)

The agency operates under a four-part program structure approved by the Southern Baptist Convention. This includes radio-tv production, audience building for these broadcasts, a program of inquiry and counseling to those who respond to broadcasts, and a program of technical assistance to pastors and agencies of the Convention.

Under the first facet of the program structure, the denomination's tv series, "The Answer" was begun in 1956 and has been telecast on some 230 different stations in the past nine years. More than $5 million dollars worth of public service time has been assigned to the Southern Baptist Convention through this program by these stations.

In addition, there are the ever-increasing number of overseas stations which carry the tv series in Spanish, Portuguese, Japanese, Chinese and Thai.

The major effort in audience building continues to be the use of direct mail. Last year the Commission mailed over a million and a half pieces of printed material. The agency's monthly magazine, The Beam, has 40,000 subscribers and is sent monthly to all radio-tv station managers in the U.S. A quarterly Spanish publication called Senales is mailed to South American station managers and to a growing Spanish speaking listening audience.

A new facet of the program of inquiry and counseling beginning next year will be a Radio Bible Correspondence Course--thought to be the first such course in America to offer Seminary credit.

Technical assistance in radio and tv production is being offered at an ever-increasing rate. This service in 1964 was notably to state Baptist conventions in the form of religious news programs and to the denomination's Foreign Mission Board as "on-the-job-training" for missionaries and advice on production facilities.

Executive Director
Dr. Paul M. Stevens

48. Dr. Perry Crouch was unable to be present to give the Cooperative Program Report in person. The Association was led in the singing of a hymn by Rev. Douglas Willett. The benediction was pronounced by Rev. Douglas Willett of East Erwin.
